

On March 27, 2021, the Cedar Falls Lucky Hawks 4-H club meeting was held at the Orchard Hill Church Big House and via Zoom due to COVID. The meeting was called to order by Megan Mason. The secretary's minutes were read by Lydia Knight and approved.

The club discussed the 2021 Fair. The meeting rule about attending four meetings/alternative activities still applies if you want to show at fair. We also discussed how we are going to try to return to the "normal" format, with a few safety precautions due to the pandemic. Because of a current event involving some of our club members, motions were made for John Pezley and Ethan Strohm to take an office, after the event takes place.

Our next meeting will be held on February 24, 2021, at 3:00 pm at the Windhaven nursing home. We will be decorating sidewalks or making card/writing letters, and final details will be established closer to the time, due to COVID.

The motion to adjourn the meeting was made by Lydia Knight and Ethan Strohm seconded it. Meeting was adjourned.

After the meeting, members participated in a Lego activity led by Michelle Pezley. After the activity, members answered questions about leadership: how to be a leader in the community of 4-H, what a leader does, and qualities of leadership.

The club then participated in an Easter-egg themed game led by Joel VerDught.
