In December, the Cedar Falls Lucky Hawks met at Windhaven, a local assisted living home, on December 12th. The club sang songs as a group, like “Silent Night”, “Jingle Bells”, “Rudolph the Red-Nosed Reindeer”, and “Frosty the Snowman”. Then, club members shared their talents by performing for us.

• Lydia Knight: “Light in Blue” - piano
• Tyler Smith: “We Wish You a Merry Christmas” - piano
• Nathan Smith: “Frosty the Snowman” - trumpet
• Megan Smith: “Concerto in E Flat Major” - clarinet
• Matthew Brokenshire: “Mighty Counselor” - reading
• Megan Mason: “Prelude in C Major” - piano
• Maggie VerDugh: “Joy to the World” - piano
• Megan Pezley: “Don’t Forget Jesus” - reading
• Naomi Sharkey: “Joy to the World” - piano
• Rachel Sharkey: “Silent Night” - piano
• Grace Brokenshire: “Holly Jolly HOOPing” - hula hooping

After all of the special performances were finished, the club members handed out treats to the 15-20 residents who had come. After this was over, members talked about school, sports, the performance they just did, and put puzzles together. Some people went home, and some stayed to talk to the residents to wish them a Merry Christmas.

Signed,

Megan M.
