

In June, the Cedar Falls Lucky Hawks met on June 20th at the Orchard Hill Church Big House. The Pledge of Allegiance was led by Naomi Strohm, and the 4-H pledge was led by Elsie Strohm. Roll call was: "Name one piece of advice you would give another 4-Her in preparation for fair". Old business was how well our baskets sold (car care: \$80, spa: \$100) at the Omelet breakfast, and discussing state awards and 4-H camps.

New business included the trash recycling event at Sturgis Falls Celebration for an ice cream machine for fair so that the Black Hawk County doesn't have to rent one for the fair. The Black Hawk County Fair dates, rules, and emails were addressed. Fair books are available on line or at the extension office. The copyright rules for fair are the same. The Cedar Falls Lucky Hawks will not be doing a carnival game for fair this year. Achievement Day is July 18th at the Orchard Hill Church from 2:00-5:00, and the meeting will follow at 5:00. The "judge" helping us will be given a \$15 dollar gift card to Hobby Lobby as a thank-you. The signup for fair work is out. The shift for the Food Stand is 2-5 on the Thursday of Fair, and the Estel Hall shift is the Friday of Fair. County Council is having a Pizza Ranch fundraiser on July 8th from 5-8, and 7% of the sales go back to Black Hawk County 4-H.

The motion to adjourn was made by Nathan and Tyler Smith. Curtis Balvanz gave us a lesson on woodworking.
