

On December 12, 2020, the Cedar Falls Lucky Hawks 4-H club meeting was held virtually due to the COVID pandemic. The meeting was called to order by Megan Mason. The secretary's minutes were read by Lydia Knight and approved.

Discussion was held about record books and the Awards Banquet. The Banquet was cancelled due to COVID. Our club received the Gold Level award. No individual came forward to serve as club Historian, therefore the club agreed to all collectively serve as Historian.

Discussion was held about the 4-H newsletter, the county continues to do great programming. We hope to hold the January meeting at Orchard Hill Church (or virtually, if not possible to meet in person). Our service project will be packing care packages for military service members in Kuwait. If we meet virtually, we will make at-home kits for the service members.

The motion to adjourn the meeting was made by Lydia Knight and Grace Brokenshire seconded it.

After the meeting, Lydia Knight led us in an activity making no-sewing-required masks. The club then participated in a Christmas game led by Joel VerDught. We played "Guess the Christmas tune".

Maggie VerDught, Reporter
