Training Option

If you do not require your employees to be certified, but want them to have further food sanitation and safety education, consider this option:

- **SafeFood**—$35/person
  This 2 hour program is based on ServSafe® and designed to educate all food handlers about food safety basics. Sessions are individually scheduled by contacting Jill Weber at (319)-234-6811 or jweber@iastate.edu. A minimum of 10 people are needed to hold a session. Businesses can combine staff to meet the minimum attendance requirements.

To locate other training dates and locations throughout the state, go to www.extension.iastate.edu/foodsafety.

Training Description

Created by the industry for the industry, the ServSafe® food safety training program is one of the industry’s strongest educational programs. It is administered by the National Restaurant Association Educational Foundation (NRAEF). Iowa State University Extension and Outreach is offering special training to help you meet the industry standards and your obligation to consumers. ServSafe® is recognized by more federal, state and local health jurisdictions than any other food safety training program in the United States.

- **Meets Certified Food Protection Manager (CFPM) requirements.**
- **All participants must successfully pass the exam in order to be certified by the NRAEF.**
- **A 75% or higher exam score is required for certification.**
- **Certification is valid for five years.**
- **A photo ID is required to take the certification exam.**
