

The October 1, 2018 meeting of the Mt. Vernon Pals was held at St. Paul's Church. President Ahmad Madlock called the meeting to order. 25 members answered roll call telling their Halloween costumes this year. Prizes were led by Hailey Homan and Evelyn Schmitz. The club discussed the bluebird house workshop, enrollment fees, election of new club officers, Palmer's family fun night, and National 4H Week October 7-13. We had no presentations, but we had a STEM activity on building spaghetti and marshmallow towers. Refreshments were served by Emmeric, Max, and Toby Pavelec. We had one birthday this month: Ellery Stanley.
