

## Safe Produce Program

# Produce Safety Alliance Grower Training

**April 3, 2024**

Produce Safety Alliance (PSA) Grower Training is a US Food and Drug Administration (FDA) approved produce safety education for farmers growing and harvesting fruits and vegetables for human consumption with intent to enter the commercial market.

PSA Grower Training covers subjects

- Worker training, health, and hygiene
- Equipment, tools, buildings and sanitation
- Agricultural water
- Biological soil amendments
- Domestic and wild animals

Registration fee is \$20 for Iowa produce farmers and produce farm employees and \$120 for others.

As an added bonus, Iowa Farmers Union offers registration fee reimbursement. Contact [thexter@iowafarmersunion.org](mailto:thexter@iowafarmersunion.org).

For additional information contact Safe Produce Program at [IowaFSMA@iastate.edu](mailto:IowaFSMA@iastate.edu) or (515)294-2552.
