

# Boone County Fair Fun Show Class Descriptions

**Egg & Spoon** - Upon entering the gate you will be given a plastic spoon and one egg. When told to do so, place the egg in the spoon and hold spoon by handle and do not touch the egg. No shaking the egg, spitting on the spoon or putting gum on the spoon. If you drop your egg you will be asked to go to the center of the ring. Last person with an egg wins.

**Flag Race** – There will be two barrels set up with a bucket on each one. You will put the flag in the first bucket with the flag up (flag must stay in the bucket). At the second bucket you will take the flag out and ride back to the finish line. You can choose which bucket you want to go to first. Do not hit your horse with the flag!

**Keyhole** – A large keyhole is drawn with flour in the arena. You will ride your horse down into the keyhole and turn 180 degrees and exit the keyhole without stepping on or outside of the line at anytime. If you step on or outside of the line you will be disqualified. You may turn in either direction. Fastest time wins.

**Jumping Figure 8** – Rider runs and jumps over the jump, go around barrel 2 on the back side and around 1 on the front side to the back and then to the front of 2. Then to the back of 3 and around it and to the back of 2 and down and over the jump. Pattern may be approached from the left or right side. Fastest time wins.
