

Pre-Fair Cleanup

Thursday, July 11 from 5:00 - 9:00 pm

Each club is responsible for bringing the necessary equipment. Please bring your own water bottles.

Bluff Creek Wranglers

Benches and Tables: Repair and wash benches and picnic tables. Move picnic tables to north and west sides of 4-H foodstand. Move benches to north and south sides of all barns and Community Building and around the 4-H Food Stand (Jack Pennington benches by swine barn.) Small benches go in the Showring on the southside. Move spools to Leonard Good Stage. (Each club is responsible for bringing the necessary equipment. Here are some suggestions of what to bring: tools for repairs, power washer (optional), buckets, rags, gloves, truck, and low trailer if possible.) Help out other clubs if needed.

Luther Livewires

Dividers and Community Building: Move Dividers and photo displays out of Rabbit Building. Repair, pull nails & staples and wash dividers and move into Community Building. Set up club booths in Community Building based on provided map. (Each club is responsible for bringing the necessary equipment. Here are some suggestions of what to bring: brooms, buckets, rags, tools for repairs, pliers to pull staples, powerwasher and stepladder.) Help out other clubs if needed.

Peoples Guys & Gals

Beef/Dairy, Horse and Pen of 3 Barns: Pick up trash and leaves inside and outside of building; clean/rake beef tie outs and Pen of 3 pens; pick up trash and cut/pull weeds north of the barns. South and North Horse Barns - Pick up trash; rake pens and alleys; pull nails. Clean horse and beef wash racks including cleaning out drain. Pick up trash and trim weeds as needed at horse arena and camping areas. (Each club is responsible for bringing the necessary equipment. Here are some suggestions of what to bring: rakes, garage brooms, shovels, wheelbarrows, corn knives, trimmers and gloves.) Help out other clubs if needed.

Southside Pioneers

Garbage Can Placement: Using a map provided, place garbage cans out around the fairgrounds. The garbage cans are on wheels but it would be best to have a trailer handy. (Each club is responsible for bringing the necessary equipment. Here are some suggestions of what to bring: truck, low trailer and gloves.) Help out other clubs if needed.

Rural & City Newcomers

Rabbit Building Set up: Start time is 6:00 pm. Set up rabbit sawhorses, plastic, and cages as directed by superintendents. Rake, pull weeds, and pick up litter around barn, including under awning. (Each club is responsible for bringing the necessary equipment. Here are some suggestions of what to bring: buckets, rags, tools, gloves, garden rake, hoe.) Help out other clubs if needed.

Poultry Club and Green Clovers
