### 45 Boone County 4-H Exhibits Selected for State Fair

One hundred fifty-one (151) 4-H & FFA members entered a total of six hundred forty-four (644) static exhibits at the 2023 Boone County Fair on Tuesday, July 18, 2023.

Thirteen judges visited with 4-H & FFA members about their exhibits during conference judging. Members talked about their goals, steps they went through to create their exhibits, and what they learned. The judges shared comments and suggestions with each member as exhibits were evaluated. 4-H exhibits are judged to educate, encourage, and evaluate the youth about their project work.

4-H members who have completed fifth through twelfth grades are eligible to have exhibits selected for the Iowa State Fair on August 10-20. These exhibits were displayed in the southeast corner of the community building during the 2023 Boone County Fair.

4-H members whose exhibits were selected for state fair are:
