1. **Fair Guidelines** - Reasonable care will be taken of all exhibits, but liability will not be assumed by the Boone County Agricultural Association, Boone County ISU Extension Council, 4-H Youth Committee, and/or the Fair Superintendents. The groups named above will not be responsible or liable for accidents on the Fairgrounds. Exhibitors are responsible to maintain insurance to cover any loss to animals, persons or property which may occur.

   - No exhibitors will be allowed to stay overnight in buildings on the Fairgrounds but may stay in camping area with parents.
   - Camping permits are available from the Fair Board office for a charge.
   - No alcoholic beverages will be permitted in any area within the fairgrounds unless designated by the Fair Board. All exhibitors shall abide by the Iowa Youth Code of Ethics in regard to illegal activities. No smoking is allowed in any building on the Fairgrounds.
   - An exhibitor who violates rules or takes exhibits before release time *(5 pm Static Exhibits and 6 pm livestock on Sunday)* will forfeit premiums and may face other consequences as determined by the situation. Release time will be revised for animals going to harvest/packer.
   - Non-Exhibitor Dogs are not allowed on the fairgrounds (including Campgrounds) during fair. 4-H/FFA dogs, small pets and cats come only for judging or for dog agility, should be on a leash or in carriers, and are not allowed in the barns.

2. **Eligibility of Exhibitors** - Only members of Boone County 4-H clubs completed enrollment by May 1st and Boone County FFA members in good standing will be permitted to show in the 4-H/FFA classes. 4-H members may enroll in projects at any time unless earlier deadlines apply (i.e. May 15 for animal projects.)

   - The summer of the calendar year following high school graduation is the last year a 4-H member is eligible to exhibit at County Fair.
   - FFA members that retain their membership after graduating high school and are in good standing with their chapter may exhibit at the Boone County Fair through their entire membership.
   - Rules and regulations made by the 4-H Youth Committee will govern the eligibility of 4-H exhibits and exhibitors.

3. **Entries** - Exhibits must be entered and payment made where appropriate on the appropriate entry form and submitted to the EO by the date indicated on each form. This is important in order to make pen, stall, and class assignments and award premium money. Signatures are required. **Entries are due July 1.**

   - Any member submitting a late fair entry must pay a late fee in the amount of $5 per Extension Office workday (with paper work and bedding fee, if applicable). If animals show up at the Fair without having been pre-entered, the member must either pay the accumulated fee on the first day of the Fair or take the animals home.

4. **Iowa Youth Code of Ethics** - The Iowa Youth Code of Ethics is printed on the next page. Signatures of 4-H youth exhibitors and parents on entry forms will confirm that they have read, understand, and agree to follow this code of ethics and any rules of competition of the fair as printed in this fair book. FFA Good Conduct Policy and Code of Showring Ethics must be signed by FFA member and turned in by July 1.

5. **Protests/Concerns** - All 4-H judge’s, superintendents, and committee members shall be treated with courtesy, cooperation and respect. Any complaints stating that a 4-H judge was incompetent will not be considered.

   - Protests/concerns regarding fair shows/events/rules should first be brought to the attention of an Extension staff member or superintendent for that division within 24 hours of the event.
   - If not resolved, the concerns should be presented in writing to a Boone County Extension staff member within one week of the event. Include in writing details of the concern (who, what, when, where, how, why.) An Extension staff member, a 4-H Youth Committee member, and a superintendent will review the concern and make a decision based upon the guidelines in this fairbook and ISU Extension 4-H Youth policies.
   - An appeal in writing of this decision may be submitted to an Extension staff member who will convene a committee of representatives of Boone County 4-H Youth Committee and Extension Council. Keep in mind that this will take time and will probably be after fair.
   - If issues arise during the fair, and after the grievance procedure has been followed. Final decisions will be made by a joint effort of the following people: show/event/superintendent/Chair; fair board president, fair board manager, Extension 4-H representative, and FFA representative.

6. **Disruptive Spectator** - Exhibitors, family members, or spectators who unreasonably question in public the decision of a judge, superintendent and/or committee, Fair Board, or Extension staff member and causes a disruption of any 4-H/FFA show will be asked to leave the judging area for the duration of the show. If a person refuses to cooperate, he/she will be escorted from the Fairgrounds and not allowed to return for the remainder of the county fair. If the violator still does not cooperate or returns, police will be called. If an exhibitor is the violator, his/her exhibits will be released, and any fees and premium money will be forfeited.

7. **Judging** - Judges’ decisions will be final, and awards will be made on their decisions. In any class, if the opinion of the judge is that no exhibit is worthy of a trophy, first place, purple or blue ribbon, the judge can give the awards as he/she sees fit. Red or white ribbon exhibits cannot be considered for state fair (static exhibits) or show for Champion or Reserve Champion.

8. **Total Premiums** - The Boone County Fair Board awards premium money to 4-H & FFA youth members for exhibits at the County Fair, for participation in Fashion Day, and for Communications Division. Premium money earned is to be distributed only after the club/chapter member has completed his or her records or an evaluation of the 4-H/FFA year. If premium money is withheld, it should be designated for the club/chapter treasury.

   - Premium money will be withheld from exhibitors removing exhibits before 5:00 pm for static exhibits and 6 pm for livestock on Sunday.
   - Exhibitors requesting premium checks to be re-issued (for lost or stolen checks) will have service fees automatically deducted.
Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do.

Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will **do my own work**, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.

2. All exhibits will be a **true representation of my work**. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.

3. I will **treat all people and animals with respect.** I will provide appropriate care for animals.

4. I will present exhibits that are **safe for consumption.** All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.

5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have **met all withdrawal times for all medications,** and be free of volatile drug residue.

6. If any animal requires medical treatment while at the fair or exhibition, **only a licensed veterinarian may administer the treatment.** All medications that are administered shall be done according to the label instructions of the medication used.

7. **My animal’s appearance or performance shall not be altered by any means,** including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.

8. I will **follow all ownership and possession rules** and, if requested, will provide the necessary documentation.

9. I will follow all **livestock health requirements** for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.

10. By my entering an animal in this fair or exhibition, I am giving **consent to the management of the fair or exhibition to obtain any specimens** of urine, salvia, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with **burden on the exhibitor, parent and/or guardian to prove otherwise.**

11. **I am responsible for my exhibit and I will not allow others to violate this code on my behalf.** By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition. I want my exhibit to be an example of how to accept what life has to offer both, good and not so good, and how live with and learn from the outcome.

12. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use on Fairgrounds and Campgrounds.

**My signature and my parent’s signature on any entry form for the Boone County Fair verifies that I (we) agree to the following statement:**

“I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this code of ethics, and any other rules of competition of the Boone County Fair as printed in this premium book/and other exhibitor material.”

GOOD CONDUCT POLICY

All FFA exhibitors are expected to conduct themselves in a cooperative and courteous manner while participating in FFA events at the County Fair. FFA members who wish to have the privilege of participating in FFA activities at the County Fair must conduct themselves in accordance with the Good Conduct Policy. Use or possession of alcoholic beverages, tobacco or illegal drugs by any FFA member, regardless of age, on the County Fairgrounds (barns, exhibiting facilities, dormitories, campgrounds, etc.) will result in the following:

A. If the violation occurs before or during exhibiting, the member is ineligible to participate in FFA activities at the County Fair and must remove his/her exhibit(s) from the Fairgrounds.
B. If the violation occurs after exhibiting, the member forfeits his/her premium money, prize money, trophies/banners and/or sale of champions money, and must remove his/her exhibit(s) from the Fairgrounds.
C. The violation will be reported to the exhibitor’s school for further action under the school district's good conduct policy.
D. A meeting of the member, parent and advisor with FFA and County Fair officials will be held to determine future member eligibility.

2018 HEALTH REQUIREMENTS FOR EXHIBITION OF LIVESTOCK, POULTRY AND BIRDS AT A COUNTY 4H/FFA FAIR EXHIBITION

Any evidence of warts, ringworm, foot rot, pink eye, draining abscesses or any other contagious or infectious condition will eliminate the animal from the show.

No individual Certificate of Veterinary Inspection will be required on Iowa origin animals or poultry exhibited at County 4-H/FFA FAIR, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. All animals moving from out of state into an Iowa county 4-H/FFA fair must meet Iowa Animal and Livestock Importation requirements. Each show must have an official veterinarian.

Quarantined animals or animals from quarantined herds cannot be exhibited.

Official identification listed on a Certificate of Veterinary Inspection required for all cattle and bison of any age coming in from out of state used for rodeos, recreational events, shows and exhibitions.

**SWINE**

All swine must originate from a herd or area not under quarantine and must be individually identified. Plastic tags issued by 4-H officials may be substituted for an official metal test tag, when there is an additional identification (ear notch).

Swine originating outside of Iowa. All exhibitors must present a test record and Certificate of Veterinary Inspection that indicate that each swine has had a negative test for pseudorabies within 30 days prior to the show (individual show regulations may have more restrictive time restrictions), regardless of the status of the herd, and that show individual official identification. Electronic identification will not be considered official identification for exhibition purposes.

**SHEEP AND GOATS**

All sexually intact sheep must have an individual Scrapie Flock of Origin identification tag (Ex. IA1234-5678). All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag (Ex. IA1234-5678) or by an official tattoo registered with USDA (to register, call 1-866-USDA-TAG; 1-866-873-2824). Wethers less than 18 months of age are required to have an individual identification and a scrapie tag may be used, but a scrapie tag is not required.

**POULTRY AND BIRDS**

All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. (SEE GENERAL SECTION 1.B) Please note: Poultry purchased from a hatchery and raised for exhibition are not exempt from Pullorum-Typhoid testing requirements.

However, "Market Classes" of poultry consigned to a slaughter establishment are exempt from the Salmonella testing requirements. "Market Classes" of poultry must be separated from all other poultry by a distance of ten or more feet and/or an eight-foot high solid partition.

**DOGS AND CATS**

All dogs and cats exhibited must have a current rabies vaccination certificate.

**THE DECISION OF THE OFFICIAL SHOW VETERINARIAN WILL BE FINAL.**

The fair veterinarian must be made aware of all previously prescribed medications that are to be administered during the fair to a specific animal during that species specified check-in time. All disclosed medication at check-in will be administered according to the prescription either by the veterinarian, by the exhibitor or by exhibitor’s family members. Any exhibitor not revealing previously prescribed medication/s and using such medications without permission will be disqualified and forfeit premiums.

Family member is defined as a parent (mom, dad, step parent or legal guardian), brother, sister, step sibling, or grandparent.
   - Any animal fitted in an unethical manner will be disqualified. The following rule corresponds with the Iowa State Fair regulations:

1. 4-H/FFA exhibitors who exhibit market beef, beef pen of three, market lambs, market swine, meat goats, market rabbit and market poultry may, at the exhibitor’s option, participate in the auction. All market animal exhibitors will be listed in the auction catalog unless the species superintendents is notified otherwise by 10 a.m. on Saturday. **Standing or proxies will not be allowed** during the auction with the following exceptions: military service or family medical emergencies. By participating in the auction exhibitors will end their project (i.e. the animal enters the food chain at the conclusion of fair). Superintendents of each division will confirm auction eligibility with each exhibitor wishing to participate.

2. Sale order shall be sheep, meat goats, rabbits, swine, live market beef (animal only), poultry, beef pen of 3, market beef.

Each species committee will determine auction order for that species, with the top five champions in each species division listed first.

6. Beef exhibitors not sending their animal onto the carcass contest or selling privately may choose to market their individual market beef animals through the auction. Bonuses for these projects will be auctioned with the remaining market beef projects in an order determined by the beef committee. All other beef exhibitors will abide by the rules from #5 above.

7. Individual exhibitors and buyers may choose to be photographed at the conclusion of the auction for promotional purposes.

8. Exhibitors are responsible for the livestock (i.e. food and water and loading out) until the animals are picked up or loaded out from the fairgrounds. This includes load out to the various packers or lockers (Monday a.m.).

9. Buyers must check out with the species superintendent. The superintendent MUST sign the load-out ticket prior to release if the animal is not sold to the packer.

13. Checks will be issued to exhibitors within 30 days of auction completion.

**Herdsmanship**

The Herdsmanship division is designed to help young people practice good citizenship principles with the animals and public. This results in humane treatment of animals, care of their welfare, and the development of an ethic of responsible (non-abusive) interaction between youth and animals. Herdsmanship has an additional benefit of providing neat and attractive exhibits for public viewing.

1. If proper care of the animal (s) is not maintained, the superintendent (with committee decision) has the right to dismiss the animal. Premium money will be forfeited and participation in future fairs will be questioned (example: not enough water on hot days).

During release time, each exhibitor is responsible for cleaning the area where his/her livestock has been stalled. The bedding in the Beef Barn needs to be pulled two feet away from the wall toward the middle before exhibitors leave. Premium money may be withheld if stalls are not cleaned.

**BeeF Carcass Contest - Division AB**

The purpose of this contest is to provide youth exhibitors of a Market Steer or Market Heifer animal an opportunity to participate in a live show and then in a carcass contest that objectively evaluates in a scientific way the economically important traits of beef.

1. An exhibitor may enter any number in this division.

2. All entries in this division must have been tagged and weighed at the Boone County beef weigh-in or other approved county weigh-in.

3. All cattle, which meet the requirements to show in the live market beef classes, are eligible to enter the carcass contest.

4. Exhibitors must decide by fair entry day if they choose to participate in the Carcass Class. Once the decision is made to participate, that decision is final.

5. Entries in this class will also be eligible to show in their respective breed or crossbred weight classes.

6. All entries shown live must be harvested and evaluated for carcass data.

7. The final placing of these cattle will be determined after animal processing and carcass evaluations are complete. Criteria to determine carcass evaluation include incorporating carcass desirability, growth rate and market trends into equations to calculate carcass value per day on feed. The winter weigh-in weight will serve as the starting point.

8. All beef carcass entries will be processed at the Tyson processing plant in Dakota City. The recommended weight range for cattle is 1000 to 1400 pounds live weight to meet carcass requirements.

9. Approximately $18 will be deducted from the exhibitor’s payment check to help defray the cost of processing, insurance, beef check-off and data collection. In addition, a dark cutter assessment of $5.50/cwt. will be charged.

10. Contest participants will retain ownership of their cattle until the carcass has been weighed, therefore, the participant suffers the loss if the cattle die in shipment or suffer discounts due to condemnation, bruise, hard bone, or other qualifying problems. Participants will contribute toward an indemnity fund that will cover the discount (up to Select price) for a dark cutter. The carcass base price will be determined the day of harvest, however, the recent prices paid and discounts will be announced at the fair.

11. Results of the Beef Carcass Contest will be announced at the supper/meeting held following the fair (date to be announced). Carcass checks and prize money will be distributed at that time.

1. All exhibitors are to read and follow all of the Livestock General Rules, Iowa Youth Code of Ethics, and Herdsmanship Guidelines in the front of the Fair Book. Because horses are carriers of tetanus, it’s highly recommended that all exhibitors have a current tetanus vaccination prior to the show.

2. If any animal requires medical treatment while at the fair or exhibition, the fair veterinarian will be contacted. All medications given to sick or injured animals while at the fair must be approved and administered by the fair veterinarian. The fair veterinarian must be made aware of all previously prescribed medications that are to be administered during the fair to a specific animal during that species specified check-in time. All disclosed medication at check-in will be administered according to the prescription either by the veterinarian, by the exhibitor or by the exhibitor’s family members. Any exhibitor not revealing previously prescribed medication/s or over the counter medications and using such medications without permission will be disqualified and forfeit premiums.

3. The horse committee is made up of volunteers interested in 4-H/FFA and youth equine education. The whole committee meets to discuss and develop ideas. There is an executive committee within the horse committee. The purpose of the executive committee is to reach a decision if an answer is needed quickly or a strong consensus is not reached by the whole committee. Any concerns or ideas are welcomed by any horse committee member listed in the front of the fair book.

4. Identification and Photos - Each 4-H horse, pony, or mule must be identified on 4honline by May 15 by every member of the family that may show it. Each FFA horse, pony, or mule must be identified on a Horse and Pony ID Form by every member of the family that may show it and be turned into the Extension Office by May 15. Four full color photos of the horse's front side, rear side, left and right side (profiles) must be turned in with the Horse and Pony Identification Form or entered into 4honline. No changes may be made to the identification form after May 15, including ownership. All signed leases must be uploaded into 4honline or turned into the Extension Office by May 15.

5. Family Members - A horse may be shown by more than one member of a family with the following limitations:
   - The horse may NOT be shown more than once in each class.
   - Each member is encouraged to take a major role in the training of his/her mount.
   - Each 4-H/FFA member may exhibit their own horse or a sibling's horse up to a limit of 3 different horses.

6. Entries - Complete the Livestock/Small Animal Entry Form found in the fair book and turn in by the deadline on the form.
   - Refer to General Livestock Rule #1 for ownership and management agreements. Leased horses may not show in halter classes, but may be shown in showmanship.
   - A maximum of three horses, ponies, or mules may be entered and shown at the county fair per member with a maximum of 2 stalled, provided they have been properly identified. Mares with foals count as one entry. Maximum of one leased horse per member may be shown at county fair.
   - If a 4-H'er leases a horse, that horse shall be the only riding horse the 4-H'er brings to county fair as a 4-H project horse.
   - A 4-H/FFA member must have a horse on the grounds in order to participate in any horse class or activity during fair.
   - Premium money will be withheld for exhibitors that leave early.

7. Arrival and Stalling - Horses must be on the grounds and vet checked between 6-11 am and ready to be measured by club at 11:30 am on Wednesday. All horses must check in. Association cards will be honored. Horses, including yearlings, showing only in halter will not be stalled. Mares and foals will be stalled only if the mare is entered in riding events. Horses not stalled will be vet checked and measured from 7:00—7:30 am on Thursday. Clubs will be stalled together as assigned by the Horse Committee. Horses must remain in the barn at night. $40 horse stall rental is due with entry form. No tack stalls are permitted.

This guide is available from the Extension Office. Riders in poles and barrels classes may choose to dismount or ride out of the gate. Exhibitors will receive purple, blue, red, or white ribbons at the discretion of the judge or based on time and premium money awarded. General Static Exhibit Rules

1. Preparation for Judging
   • The questions shown below should be answered in writing, on a CD, or in a video that may be provided to the judge for review. Adding photos of you working on your exhibit is beneficial, but not required.

   What was/were your goal(s) for doing this exhibit?
   How did you go about working toward your goal (such as processes, steps, expenses, time involved and plans, problems, help from others)?

   What were the most important things you learned as you worked toward your goal(s)?
   For visual art, clothing, and home improvement exhibits, also write about the Elements and Principles of Design.

   • Photography exhibit must have a photo label in place of a goal card. Communications poster must have label. Garden classes don’t need a goal card but must be labeled with variety name.

   • A Computer will be available during judging in the meeting rooms. A member is responsible for providing any other equipment that exhibitor might need for judging or display. Exhibitors are encouraged to come to the Extension Office before show day to see if equipment works together.

2. Attire While Showing - Each exhibitor should wear a clean white 4-H or FFA shirt. No caps or hats.

3. Classes - Exhibit classes are broad categories to allow for a variety of product or idea exhibits. To plan exhibits, 4-H’ers are encouraged to use 4-H project guides and/or hot sheets to determine goals and learning experiences. Exhibits might be, but are not limited to, an actual product, poster, or display box, report, or notebook, model, video or audio tape.

4. Eligibility of Exhibitors/Exhibits
   • Exhibitors must have participated in the 4-H project or an Extension education program from which the exhibit is an outgrowth. The exhibit is to be an outgrowth of work done to accomplish a goal(s) determined by the member or group during the current 4-H year.

   • A member must be enrolled in 4-H and program development fee paid no later than May 1 of the current year to be eligible to enter exhibits in this year’s fair.

   • A 4-H member who cannot be present on judging day must find a substitute 4-H member to take his/her exhibits to the judge.

   • If an exhibitor has set a goal(s) that can be accomplished by both a classroom assignment and an outgrowth of a 4-H project, that’s OK. The intent is that the exhibitor has set a pre-determined goal. The evaluation criteria and exhibit guidelines for each opportunity will be different and exhibits should be prepared accordingly.

5. Group Exhibit - Exhibits can be prepared by an individual or group. Each member of a team or group exhibit must list the entry on his/her entry form. All exhibitors, individual or group must meet the age requirements to be eligible for State Fair exhibiting. For example, if a 4-H group wishes to enter a notebook describing a citizenship effort, the documentation should recognize the contributions of the 4th graders but be prepared by those who are 5th grade and older.

6. Limits
   • There is no limit to the number of entries per exhibitor per class provided major learning is different in each entry with the exception of photography, visual arts, music and garden classes. Some exhibits could fit in more than one class. The exhibitor should determine the one class which relates best to their goal. Combined limit of 4 photos can be exhibited in photo classes (10320, 10325 and 10340).

   Size Limits:
   • Posters may not exceed 24” x 36” in size.
   • Chart or graph boards, project presentation boards, and model displays, etc., are not to exceed 48”x48” in size. Maximum size is determined by measuring the flat (unfolded) dimensions.
   • Display boxes are not to exceed 28”x22” in height or width and 12” in depth.
   • Safety and approved procedures must be followed throughout development and evaluation of exhibits.
   • Endangered and threatened plants and animals (includes insects) should not be used in any exhibit. Wildflowers taken from parks should not be used. It is illegal to possess songbird feathers or nests. Game animals “legally taken” such as pheasant, goose, duck, or quail are acceptable. Any plant considered a noxious weed should not be planted in gardens. Other dried established weeds are acceptable for use in exhibits.

7. Evaluation - The exhibitor’s goal and applicable exhibit standards will form the basis of the evaluation process. Evaluation criteria will include demonstrated learning, quality of work and techniques, and general appearance and design.

8. Copyright or Trademark
   • Duplication of copyright material or design should not be used in a 4-H exhibit that is presented as original work by the exhibitor. A copyright design cannot be displayed in a public setting (fair) without permission being granted from the owner of the copyright. When permission has been granted by the owner of the copyright, the exhibit will be displayed and labeled appropriately. Those without permission cannot be displayed.

   If a judge observes copyright or trademark concerns while evaluating an exhibit, the exhibit will still be judged on the criteria listed in #7, and a ribbon awarded. The copyright or trademark concern will be discussed with the 4-H’er as part of the learning process. If the judge determines that there is a copyright violation, the exhibit cannot be on public display or held for further consideration.

   In preparing 4-H exhibits, 4-H’ers need to credit sources of your information, use original purchased objects for display (not copies), avoid copyrighted cartoon characters and logos (sports and brand name logos), and avoid copyrighted information from print media and the Internet.

9. Labeling
   • An entry tag and goal card or other written or visual support material must be completed and attached before an exhibit is judged. Age levels are: Juniors (grades 4 – 6), Intermediates: (completed grades 7 – 8), & Seniors (grades 9 – 12) grades just completed.

30
10. Art Elements and Principles of Design - These are the foundation of design whether putting together fabrics for clothing and quilts, selecting furnishings for a room, or creating a drawing. Design elements are line, shape, form, color and texture. Design principles are balance, proportion, rhythm, emphasis and unity. Information on elements and principles of design for clothing can be found at: http://www.extension.iastate.edu/Publications/4H313.pdf

11. Most specific classes have specific guidelines and requirements that will be included in the judging process. Members are highly encouraged to go to http://www.extension.iastate.edu/4h/page/exhibit-tip-sheets to find information about judging criteria for exhibits that they create from their 4-H Project learning.

12. Check-In & Judging - Exhibitors are to bring their completed exhibits and entry form to the check-in table on judging day according to the schedule in this book. Exhibitors will individually visit with a judge (conference judging) about their goals and what they have done and learned. Judges will break for lunch at noon and finish judging around 6:00 p.m.

13. Ribbons - Exhibits will receive blue, red, or white ribbons. A limited number of outstanding exhibits will be identified with purple ribbons. State Fair entries will be recognized with purple rosette ribbons. An exhibit held for further consideration may, at the judge's discretion, receive a blue or purple ribbon.

14. Club Booths - Club leaders and members are responsible for displaying exhibits of their respective clubs in designated locations. Small portions of food exhibits will be kept for display and the remainder sold at the bake sale. Tacks, tape, and staples are allowed ONLY on the wood strip provided on the exterior walls of the Community Building or the wood dividers.

15. Security - Due to security, we discourage 4-H'ers from sending items that have special meaning or historical value as the exhibit or part of an exhibit. The Fair Board and ISU Extension will use diligence to ensure the safety of articles entered for exhibition after their arrival and placement, but will not be responsible for damage or loss by fire, theft, etc. (Also applies to State Fair.)

16. Release - Exhibits will be released from 5:00-5:30 pm on Sunday. To reduce the risk of injury, no vehicles will be allowed to enter the fairgrounds to pick up static exhibits until 5:00 pm and must leave the fairgrounds by 6:00 pm. Exhibitors with smaller exhibits are encouraged to pick up exhibits at 5:00 pm and carry out of the building. Premium money will be withheld from exhibits removed before the release time, and for other non-compliance with rules and policies. An adult from each club should supervise the release of exhibits.

17. State Fair Eligibility and Exhibiting
   - 4-H exhibiting eligibility at the Iowa State Fair will include 4-H members who have completed 5th through 12th grades (or equivalent). Exhibits that do not comply with class descriptions, size guidelines, copyright, safety, and approved procedures will not be accepted for entry, evaluation or display at the Iowa State Fair.
   - A written explanation, CD, DVD, or video tape must accompany the exhibit briefly answering the questions in #1 on page 32. State Fair judges have 7-10 minutes to evaluate the total exhibit. The information requested needs to be well organized and brief.

- State Fair exhibits will be selected following conference judging during the county fair. The Community Building will be closed during State Fair exhibit selection. 4-H'ers and parents will be asked to leave the Community Building unless they are assisting a judge. State Fair selections will be announced after all decisions have been made and documented.
- 4-H'ers may have up to three total exhibits selected for State Fair.
- Check the schedule in the back of the Fair Book for time of State Fair publicity photo session, which will take place near the stage in the Community Building.
- State Fair exhibits are due in the Extension Office by August 3rd to be prepared for transporting exhibits to Des Moines. Exhibitors of very large exhibits may be asked to transport them to and from State Fair.

18. FFA
   FFA has a different selection process for showing at the Iowa State Fair. FFA members may receive a purple outstanding ribbon during judging at the Boone County Fair.

5. All exhibits must remain in place until pickup between 5 & 6 pm on Sunday of Fair.

Open Horticulture - Saturday of Fair
Superintendents: Boone County ISU Extension Master Gardeners
(bcmg50036@gmail.com)

Registration from 8:30 – 10:30 of Fair in the Community Building
Judging will start at 11:00am on Saturday.
All exhibits must remain in place until 5:00 p.m. on Sunday of Fair, exhibits and premiums to be picked up between 5 & 6 pm on Sunday of Fair.

Rules for Open Horticulture Exhibits
1. Participation is open to all amateur gardeners in the area.
2. Registration in horticulture specimen classes is from 8:30 to 10:30 a.m. on Saturday, inside the south doors of the Community Building. Entry drop off and parking areas can be found on the map in the front of this book.
3. All Divisions are open to those 18 and over, except the Junior Division which is open to those 17 and under. Juniors may also enter any Senior division except for Annuals, Perennials and Container Gardens.
4. Each entry must have a completed Exhibitor Tag attached. Tags will be available at registration, and will also be available before fair at the Boone County Fair Board Office and Boone County Extension Office. If possible, prepare your tags and entry forms ahead of time. Hint: Use a sticky name tag instead of writing your name on the back of each entry tag!
5. All specimens must be grown by the exhibitor and correctly named. Names on the Exhibitor Tag should be to the variety (cultivar) when possible. Botanical binomial (scientific) names increase the plants value in judging.
6. Container grown plants must have been in the possession of the exhibitor for not less than two (2) months. The exception to that is of multiple planting which must have been grown together for at least six weeks. Must be moved out of plastic pots purchased in and planted in decorative containers. Double potting is permitted.
7. Specimens must be displayed in clear bottles supplied by the exhibitor unless noted behind division name. They should be in proportion to the size of the specimen. A small piece of wood, foam, or plastic wrap may be inconspicuously placed in the neck of the bottle to prop the specimen upright. Fruits and vegetables are to be exhibited on white disposable plates. Plates will be available at the registration table.
8. All entries should be clean and well groomed. Self-foliage should be included with specimen if it is naturally attached to the bloom stem, but no foliage should be below water level. No polishing or oiling of foliage is permitted. Plants with insect infestation may not be exhibited.
9. Superintendents or the judge reserves the right to subdivide any horticulture class by color, type, or cultivar.
10. An exhibitor may have more than one entry in any one class or subclass unless otherwise specified. Each entry must be a different variety/cultivar, color or type.
11. All entries will be placed as directed by the Placement Committee. The Placement Committee reserves the right to divide unusually large classes by species, variety/cultivar, size, color or type. A minimum of four exhibits are required to make a new class.
12. Judging will occur between 11:30 and 3:00 p.m. The judge will allow exhibitors to watch the judging. Questions may be asked as a learning tool. No harassment of the judge will be allowed or the exhibitor will be asked to leave.
13. Decision of judges is final. Judges may withhold an award if none is worthy. Superintendents will disqualify any exhibit that does not meet the requirements of the class in which the exhibit is entered.
14. The Sweepstakes Award will be presented to the exhibitor who has collected the most blue ribbon points in the Senior and Junior Horticulture Divisions. The Education Award will be presented to the exhibit with the most valuable education for viewers.
15. The superintendents or Fair Board Association will not be responsible for any lost or damaged articles or for removing any exhibits. Exhibitors are responsible for cleaning up and disposing of their water and exhibits. Bring appropriate buckets, boxes, etc., to accomplish this.
16. Entries and premium money will be released no earlier than 5 p.m. on Sunday, July 16th. Premium money provided by the Boone County Fair Board can be collected from a designated Boone County Master Gardener in the exhibition area of the Community Building. Unclaimed exhibits will be discarded at 6 p.m. and premium money will be returned to the Boone County Fair Board.
