   - **For disputes related to a 4-H exhibit or member:** If not resolved, the concerns should be presented in writing to an EXTENSION staff member within one week of the event. 6. **Disruptive Spectator** - Exhibitors, family members, or spectators who unreasonably question in public the decision of a judge, superintendent and/or committee, Fair Board, or Extension staff member and causes a disruption of any 4-H/FFA show will be asked to leave the judging area for the duration of the show. If a person refuses to cooperate, he/she will be escorted from the Fairgrounds and not allowed to return for the remainder of the county fair. 7. **Judging** - Judges’ decisions will be final, and awards will be made on their decisions. In any class, if the opinion of the judge is that no exhibit is worthy of a trophy, first place, purple or blue ribbon, the judge can give the awards as he/she sees fit. Red or white ribbon exhibits cannot be considered for state fair (static exhibits) or show for Champion or Reserve Champion.

8. **Total Premiums** - The Boone County Fair Board awards premium money to 4-H & FFA youth members for exhibits at the County Fair, including participation in Fashion Day and the Communications Division.

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do.

Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will **do my own work**, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a **true representation of my work**. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
3. I will **treat all people and animals with respect**. I will provide appropriate care for animals.
4. I will present exhibits that are **safe for consumption**. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.
5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have **met all withdrawal times for all medications**, and be free of volatile drug residue.
6. If any animal requires medical treatment while at the fair or exhibition, **only a licensed veterinarian may administer the treatment**. All medications that are administered shall be done according to the label instructions of the medication used.
7. **My animal’s appearance or performance shall not be altered by any means**, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.
8. I will **follow all ownership and possession rules** and, if requested, will provide the necessary documentation.
9. I will follow all **livestock health requirements** for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
10. By my entering an animal in this fair or exhibition, I am giving **consent to the management of the fair or exhibition to obtain any specimens** of urine, saliva, blood, or other substances from the animal to be used in testing. I understand and consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with **burden on the exhibitor, parent and/or guardian to prove otherwise**.
11. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. By my entering an exhibit in this fair or exhibition I will **accept any disciplinary action** taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer both, good and not so good, and how to live with and **learn from the outcome**.
13. **I will not be involved in any illegal activities** while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use on Fairgrounds and Campgrounds.

At the time of 4-H Enrollment, all families were asked to electronically sign the Iowa 4-H Youth Code of Ethics through 4honline which confirms that you have read, understand, and agree to follow this code of ethics and any rules of competition of the fair as printed in this fair book.
GOOD CONDUCT POLICY

All FFA exhibitors are expected to conduct themselves in a cooperative and courteous manner while participating in FFA events at the County Fair. Use or possession of alcoholic beverages, tobacco or illegal drugs by any FFA member, regardless of age, on the County Fairgrounds (barns, exhibiting facilities, dormitories, campgrounds, etc.) will result in the following:

A. If the violation occurs before or during exhibiting, the member is ineligible to participate in FFA activities at the County Fair and must remove his/her exhibit(s) from the Fairgrounds.

B. If the violation occurs after exhibiting, the member forfeits his/her premium money, prize money, trophies/banners and/or sale of champions money, and must remove his/her exhibit(s) from the Fairgrounds.

C. The violation will be reported to the exhibitor's school for further action under the school district's good conduct policy.

2019 HEALTH REQUIREMENTS FOR EXHIBITION OF LIVESTOCK, POULTRY AND BIRDS AT A COUNTY 4H/FFA FAIR EXHIBITION

ANY EVIDENCE OF WARTS, RINGWORM, FOOT ROT, PINK EYE, DRAINING ABSCESES OR ANY OTHER CONTAGIOUS OR INFECTIOUS CONDITION WILL ELIMINATE THE ANIMAL FROM THE SHOW.

No individual Certificate of Veterinary Inspection will be required on Iowa origin animals or poultry exhibited at County 4-H/FFA FAIR, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. All animals moving from out of state into an Iowa county 4-H/FFA fair must meet Iowa Animal and Livestock Importation requirements. Each show must have an official veterinarian.

Quarantined animals or animals from quarantined herds cannot be exhibited.

Official identification listed on a Certificate of Veterinary Inspection required for all cattle and bison of any age coming in from out of state used for rodeos, recreational events, shows and exhibitions.

SWINE

All swine must originate from a herd or area not under quarantine and must be individually identified. Plastic tags issued by 4-H officials may be substituted for an official metal test tag, when there is an additional identification (ear notch). All 4-H and FFA tags bearing the US Shield are official identification tags.

Swine originating outside of Iowa. All exhibitors must present a test record and Certificate of Veterinary Inspection that indicate that each swine has had a negative test for pseudorabies within 30 days prior to the show (individual show regulations may have more restrictive time restrictions), regardless of the status of the herd, and show individual official identification on test report. Electronic identification will not be considered official identification for exhibition purposes.

The fair veterinarian must be made aware of all previously prescribed medications that are to be administered during the fair to a specific animal during that species specified check-in time. All disclosed medication at check-in will be administered according to the prescription either by the veterinarian, by the exhibitor or by exhibitor’s family members. Any exhibitor revealing previously prescribed medication/s and using such medications without permission will be disqualified and forfeit premiums.
   • 4-H/FFA members exhibiting market beef, pen of three, market sheep, market meat goats and market swine shall complete the “Iowa 4-H Animal Care and Management Disclosure Statement” form for their specific species and turn it in at their species fair weigh-in.

   • No hats or caps are allowed when showing.
   • Hard soled shoes are recommended for showing.

7. Grooming/Fitting
   • It is intended that both 4-H and FFA youth exhibitors take responsibility for caring for and grooming their own animals. If assistance is needed, it should be aimed at helping the youth learn new skills and be done by a family member, 4-H leader/FFA advisor, and/or another Boone County 4-H/FFA exhibitor (no professional groomers or trainers). **MARKET LIVESTOCK AUCTION**

The Auction Committee recommends that each species’ superintendents receive a packer bid prior to the auction. The committee also recommends accepting the highest packer bid. To participate in the auction, exhibitors must have their animal entered. All animals are first come, first served. The committee suggests the following:

1. 4-H/FFA exhibitors who exhibit market beef, beef pen of three, market lambs, market swine, meat goats, market rabbit and market poultry may, at the exhibitor’s option, participate in the auction. ALL market animal exhibitors will be listed in the auction catalog unless the species superintendent is notified otherwise by 10 a.m. on Saturday. **Stand ins or proxies will not be allowed** during the auction with the following exceptions: military service or family medical emergencies. By participating in the auction exhibitors will end their project (i.e. the animal enters the food chain at the conclusion of fair). Superintendents of each division will confirm auction eligibility with each exhibitor wishing to participate.

2. 2019 Sale Order: Beef Pen of 3, Sheep, Meat Goat, Market Beef (Live Animal), Rabbit, Swine, Poultry, Market Beef. In 2019, the Livestock Auction will be held in the show ring on Monday, July 22 at 9:30 a.m.

3. All market animals must meet the weight requirements for exhibition in order for the exhibitors to participate in the sale. Market animals will be sold according to market value.

4. All market meat, market sheep, market meat goat, carcass beef, market rabbit and market poultry livestock exhibitors will have the option to participate in the auction and will be receiving a bonus premium only, no livestock will be sold. Each exhibitor will be allowed to enter only one project per species division into the auction for a bonus. Each species committee will determine auction order for that species, with the top five champions in each species division listed first.

5. Beef exhibitors not sending their animal onto the carcass contest or selling privately may choose to market their individual market beef animals through the auction. Bonuses for these projects will be auctioned separately from the animal. All other beef exhibitors will abide by the rules from #5 above.

6. Individual exhibitors and buyers may choose to be photographed at the conclusion of the auction for promotional purposes.

7. Businesses, organizations and individuals will only be announced at the auction if they are purchasing a bonus premium or live animal.

8. Exhibitors are responsible for the livestock (i.e. food and water and loading out) until the animals are picked up or loaded out from the fairgrounds. This includes load out to the various packers or lockers (Monday a.m.).

9. VIP Parking. Buyers must check out with the species superintendent. The superintendent MUST sign the load-out ticket prior to release if the animal is not sold to the packer.

10. The Fair Board, Superintendents, 4-H Youth Committee, Boone County Extension, and Extension staff assume no responsibility for lost animals, for animals lost in transit, or any transaction arising from the sale of livestock.

11. All buyers must settle up with the auctioneer at the conclusion of the event.

12. The Boone County Fair Supporters’ program will continue to raise funds to sponsor auction premiums.

13. Checks will be issued to exhibitors within 14 to 30 days of auction completion. Please call the Fairboard office if you disagree with your check amount. Checks must be cashed within 30 days of the issue date or will be forfeited. Exhibitor requesting premium checks to be re-issued (for lost or stolen checks) will have service fees automatically deducted.

**HERDSMANSHIP**

The Herdsmanship division is designed to help young people practice good citizenship principles with the animals and public. This results in humane treatment of animals, care of their welfare, and the development of an ethic of responsible (non-abusive) interaction between youth and animals. Herdsmanship has an additional benefit of providing neat and attractive exhibits for public viewing.

1. If proper care of the animal(s) is not maintained, the superintendent (with committee decision) has the right to dismiss the animal. Premium money will be forfeited and participation in future fairs will be questioned (example: not enough water on hot days).

2. Club and chapter livestock exhibits will be scored daily. Divisions include Beef; Pen of 3; Dairy; Swine; Sheep; Horse; Goats; Rabbit; Poultry; and Exotic Animals. They will be graded as follows:

   A. **Cleanliness of Alleys = 40%**
      - Alleys kept clean. No brooms should be used on dirt alleys – use a rake or pitchfork. 10 points will be deducted from daily total if parents and/or leaders are performing Herdsmanship duties. Parents and/or leaders may assist members with duties they consider unsafe, however members must be attempting to help.

   B. **Cleanliness of Stalls and Pens = 20%**
      - Bedding – adequate, clean, dry and in place.
      - Animals securely tied or penned.
      - Feed boxes and water containers clean and neatly arranged; may be in pens, if secured.
      - Manure hauled out, sorted by trash and manure, and deposited in proper place.
C. Appearance of Animals = 15%
   ⇒ Animals as clean as facilities will permit.
   ⇒ Animals clean with grooming apparent.

D. Arrangement of Equipment & Tack = 15%
   ⇒ Boxes and other miscellaneous equipment arranged attractively and out of the way.
   ⇒ Hay and bedding is neat and orderly. Broken bales need to be retied.

E. Club Identification = 10%
   ⇒ The name and location of each club is well marked and easily identified. Points are not gained for elaborate club decorations.
   ⇒ Stall cards are readable, clean, complete, and neatly arranged.

3. Scores will be posted daily on the boards inside the livestock buildings.
4. Specific Herdsmanship rules for each species are in the appropriate species area of the fair book.
5. Exhibits will be spot-checked daily starting after species weigh-in/check-in but will not be judged during their show time. Times of judging are from 9:30 am to 8:00 pm. During release time, each exhibitor is responsible for cleaning the area where his/her livestock has been stalled. The bedding in the Beef Barn needs to be pulled two feet away from the wall toward the middle before exhibitors leave. Premium money may be withheld if stalls are not cleaned.
6. Awards
   • Each day the Top Club per species will be chosen. At the end of each day, top clubs will be chosen and posted in the barns. On the morning following the posting of the winners, a traveling plaque will be given to the top clubs to display for the day. If the same club is chosen as the Top Club more than one day during County Fair, the plaque will stay with that club. Clubs can receive the plaque multiple days.
   • A club must score a minimum average of 70% to win a Herdsmanship award.

**Beef Carcass Contest**

*Division 205*

The purpose of this contest is to provide youth exhibitors of a Market Steer or Market Heifer animal an opportunity to participate in a live show and then in a carcass contest that objectively evaluates in a scientific way the economically important traits of beef.

1. An exhibitor may enter any number in this division.
2. All entries in this division must have been tagged and weighed at the Boone County beef weigh-in or other approved county weigh-in.
3. All cattle, which meet the requirements to show in the live market beef classes, are eligible to enter the carcass contest.
4. Exhibitors must decide by fair entry day if they choose to participate in the Carcass Class. Once the decision is made to participate, that decision is final.
5. Entries in this class will also be eligible to show in their respective breed or crossbred weight classes.
6. All entries shown live must be harvested and evaluated for carcass data.
7. The final placing of these cattle will be determined after animal processing and carcass evaluations are complete. Criteria to determine carcass evaluation include incorporating carcass desirability, growth rate and market trends into equations to calculate carcass value per day on feed. The winter weigh-in will serve as the starting point.
8. All beef carcass entries will be processed at the Tyson processing plant in Dakota City. The recommended weight range for cattle is 1000 to 1400 pounds live weight to meet carcass requirements.
9. Approximately $18 will be deducted from the exhibitor’s payment check for each animal entered in the contest to help defray the cost of trucking, insurance, beef check-off and data collection. In addition, a dark cutter assessment of $.50/cwt. will be charged.
10. Contest participants will retain ownership of their cattle until the carcass has been weighed, therefore, the participant suffers the loss if the cattle die, shipment or suffer discounts due to condemnation, bruise trim, hard bone, or other qualifying problems. Participants will contribute toward an indemnity fund that will cover the discount (up to Select price) for a dark cutter. The carcass base price will be determined the day of harvest, however, the recent prices paid and discounts will be announced at the fair.
11. Results of the Beef Carcass Contest will be announced at the supper/meeting held following the fair (date to be announced).

Horses must enter the ring unassisted and the gate must be closed before starting the class or course. No horses will gallop into or out of the show ring since this endangers other exhibitors and spectators. 4-H and FFA exhibitors must be mounted when entering the arena for riding classes.

FFA or white county 4-H t-shirts (no club or Iowa State Fair shirts) are allowed for the Fun Show, poles, and barrels.
- Hard-soled boots or shoes must be worn at all times in all events.
- Exhibitors not wearing prescribed dress will be disqualified.

Exhibitors are to be familiar with the order of showing and listen to the PA system for each class called to the ring.

11. Good Sportsmanship: Unnecessary roughness or discourtesy will dismiss the rider from further competition for the entire show. Abuse of horses will not be tolerated. There will be no hitting of the horse or pony in front of the girth. Each rider must keep his horse under control or be excused from the ring.

12. Grooming: Exhibitors are to follow the current 4-H Iowa State Fair and "4-H Rules and Regulations for Equine Shows in Iowa" (4-H511C) grooming rules unless specified otherwise in the Boone County Fair book. 4-H/FFA members are expected to groom and show their animals with a minimum amount of assistance from other persons. Use of whips and other attention-getting devices may be used at the exhibitor’s request as long as use does not interfere with the performance of another horse. No paint or glitter will be allowed on horses in classes on Thursday.

Attire for trail class is the same as performance classes.

15. Staging Rules: Horses must use the roped off lane to the north of the parking lot to go between the barns and the arena. No horses will be allowed in the parking area or south of the horse arena for reasons of pedestrian safety. Area north of horse arena is for exhibitors and horses only. General Static Exhibit Rules

1. Preparation for Judging
   - The questions shown below should be answered in writing, on a CD, or in a video that may be provided to the judge for review. Adding photos of you working on your exhibit is beneficial, but not required.

   What was/were your goal(s) for doing this exhibit?
   How did you go about working toward your goal (such as processes, steps, expenses, time involved and plans, problems, help from others)?
   What were the most important things you learned as you worked toward your goal (s)?

   For visual art, clothing, and home improvement exhibits, also write about the Elements and Principles of Design.

   Photography exhibit must have a photo label in place of a goal card. Communications poster must have label. Garden classes don’t need a goal card but must be labeled with variety name.
   A Computer will be available during judging in the meeting rooms. A member is responsible for providing any other equipment that exhibitor might need for judging or display. Exhibitors are encouraged to come to the Extension Office before show day to see if equipment works together.

2. Attire While Showing - Each exhibitor should wear a clean white 4-H shirt or FFA shirt. No caps or hats.

3. Classes - Exhibit classes are broad categories to allow for a variety of product or idea exhibits. To plan exhibits, 4-H’ers are encouraged to use 4-H project guides and/or hot sheets to determine goals and learning experiences. Exhibits might be, but are not limited to, an actual product, poster, or display box, report, or notebook, model, video or audio tape.

4. Eligibility of Exhibitors/Exhibits
   - Exhibitors must have participated in the 4-H project or an Extension education program from which the exhibit is an outgrowth. The exhibit is to be an outgrowth of work done to accomplish a goal(s) determined by the member or group during the current 4-H year.
   - A member must be enrolled in 4-H and program development fee paid no later than May 1 of the current year to be eligible to enter exhibits in this year’s fair.
   - A 4-H member who cannot be present on judging day must find a substitute 4-H member to take his/her exhibits to the judge.
   - If an exhibitor has set a goal(s) that can be accomplished by both a classroom assignment and an outgrowth of a 4-H project, that’s OK. The intent is that the exhibitor has set a pre-determined goal. The evaluation criteria and exhibit guidelines for each opportunity will be different and exhibits should be prepared accordingly.

5. Group Exhibit - Exhibits can be prepared by an individual or group. Each member of a team or group exhibit must list the enter the exhibit in Fair Entry. All exhibitors, individual or group must meet the age requirements to be eligible for State Fair exhibiting. For example, if a 4-H group wishes to enter a notebook describing a citizenship effort, the documentation should recognize the contributions of the 4th graders but be prepared by those who are 5th grade and older.

6. Limits
   - There is no limit to the number of entries per exhibitor per class provided major learning is different in each entry with the exception of photography, visual arts, music and garden classes. Some exhibits could fit in more than one class. The exhibitor should determine the one class which relates best to their goal. Combined limit of 4 photos can be exhibited in photo classes (10320, 10325 and 10340).

   Size Limits:
   - Posters may not exceed 24’ x 36’ in size.
   - Chart or graph boards, project presentation boards, and model displays, etc., are not to exceed 48”x48” in size. Maximum size is determined by measuring the flat (unfolded) dimensions.
   - Display boxes are not to exceed 28’x22” in height or width and 12” in depth.
   - Safety and approved procedures must be followed throughout development and evaluation of exhibits.
   - Endangered and threatened plants and animals (includes insects) should not be used in any exhibit. Wildflowers taken from parks should not be used. It is illegal to possess songbird feathers or nests. Game animals “legally taken” such as pheasant, goose, duck, or quail are acceptable. Any plant considered a noxious weed should not be planted in gardens. Other dried established weeds are acceptable for use in exhibits.

7. Evaluation - The exhibitor’s goal and applicable exhibit standards will form the basis of the evaluation process. Evaluation criteria will include demonstrated learning, quality of work and techniques, and general appearance and design.

8. Copyright or Trademark
   - Duplication of copyright material or design should not be used in a 4-H exhibit that is presented as original work by the exhibitor. A copyright design cannot be displayed in a public setting (fair) without permission being granted from the owner of the copyright. When permission has been granted by the owner of the copyright, the exhibit will be displayed and labeled appropriately. Those without permission cannot be displayed.
   - If a judge observes copyright or trademark concerns while evaluating an exhibit, the exhibit will still be judged on the criteria listed in #7, and a ribbon awarded. The copyright or trademark concern will be discussed with the 4-H’er as part of the learning process. If the judge determines that there is a copyright violation, the exhibit cannot be on public display or held for further consideration.
   - In preparing 4-H exhibits, 4-H’ers need to credit sources of your information, use original purchased objects for display (not copies), avoid copyrighted cartoon characters and logos (sports and brand name logos), and avoid copyrighted information from print media and the Internet.

9. Labeling
   - An entry tag and goal card or other written or visual support material must be completed and attached before an exhibit is judged.
   - Entry Tags will be available at the check in table.
   - Age levels are: Juniors (grades 4 – 6), Intermediates: (completed grades 7 – 8), & Seniors (grades 9 – 12) grades just completed.
10. **Art Elements and Principles of Design** - These are foundation of design whether putting together fabrics for clothing and quilts, selecting furnishings for a room, or creating a drawing. Design elements are line, shape, form, color and texture. Design principles are balance, proportion, rhythm, emphasis and unity. Information on elements and principles of design for clothing can be found at: https://store.extension.iastate.edu/product/454

11. Most specific classes have specific guidelines and requirements that will be included in the judging process. Members are highly encouraged to go to http://www.extension.iastate.edu/4h/page/exhibit-tip-sheets to find information about judging criteria for exhibits that they create from their 4-H Project learning.

12. **Entry Process** - To avoid long lines at check in and to increase efficiency, Static Exhibit Entries must be entered into Fair Entry by Sunday, July 14th. The responsibility for making proper entry rests upon the exhibitor. Online entry using Fair Entry is available at www.extension.iastate.edu/boone/fairinfo

13. **Check-In & Judging** - Exhibitors are to bring their completed exhibits to the check-in table on judging day according to the schedule in this book. Exhibitors will receive preprinted Entry Tags and an Entry Form for the Exhibits registered online through the Fair Entry Software by Sunday, July 14th. Exhibits not entered by the deadline will have to be entered through Fair Entry at check in which will delay judging. Exhibitors will individually visit with a judge (conference judging) about their goals and what they have done and learned. Judges will break for lunch at noon and finish judging around 6:00 p.m.

14. **Checkout** - Exhibitors MUST return completed Entry Forms to the Check out table after judging.

15. **Ribbons** - Exhibits will receive blue, red, or white ribbons. A limited number of outstanding exhibits will be identified with purple ribbons. State Fair entries will be recognized with purple rosette ribbons. An exhibit held for further consideration may, at the judge’s discretion, receive a blue or purple ribbon.

16. **Club Booths** - Club leaders and members are responsible for displaying exhibits of their respective clubs in designated locations. Small portions of food exhibits will be kept for display and the remainder sold at the bake sale. Tacks, tape, and staples are allowed ONLY on the wood strip provided on the exterior walls of the Community Building or the wood dividers.

17. **Security** - Due to security, we discourage 4-H’ers from sending items that have special meaning or historical value as the exhibit or part of an exhibit. The Fair Board and ISU Extension will use diligence to ensure the safety of articles entered for exhibition after their arrival and placement, but will not be responsible for damage or loss by fire, theft, etc. (Also applies to State Fair.)

18. **Release** - Exhibits will be released from 5:00-5:30 pm on Sunday. To reduce the risk of injury, no vehicles will be allowed to enter the fairgrounds to pick up static exhibits until 5:00 pm and must leave the fairgrounds by 6:00 pm. Exhibitors with smaller exhibits are encouraged to pick up exhibits at 5:00 pm and carry out of the building. Premium money will be withheld from exhibits removed before the release time, and for other non-compliance with rules and policies. An adult from each club should supervise the release of exhibits.

19. **State Fair Eligibility and Exhibiting**

   - 4-H exhibiting eligibility at the Iowa State Fair will include 4-H members who have completed 5th through 12th grades (or equivalent). Exhibits that do not comply with class descriptions, size guidelines, copyright, safety, and approved procedures will not be accepted for entry, evaluation or display at the Iowa State Fair.
   - A written explanation, CD, DVD, or video tape must accompany the exhibit briefly answering the questions in #1 on page 30. State Fair judges have 7-10 minutes to evaluate the total exhibit. The information requested needs to be well organized and brief.
   - State Fair exhibits will be selected following conference judging during the county fair. The Community Building will be closed during State Fair exhibit selection. 4-H’ers and parents will be asked to leave the Community Building unless they are assisting a judge. State Fair selections will be announced after all decisions have been made and documented.

   - 4-H’ers may have up to three total static exhibits selected for State Fair. Communications Day, Fashion Day and Rocket Launch exhibits don’t count toward the 3 exhibits limit.
   - Check the schedule in the back of the Fair Book for time of State Fair publicity photo session, which will take place near the stage in the Community Building.
   - State Fair exhibits are due in the Extension Office by August 2nd to be prepared for transporting exhibits to Des Moines. Exhibitors of very large exhibits may be asked to transport them to and from State Fair.

18. **FFA**

FFA has a different selection process for showing at the Iowa State Fair. FFA members may receive a purple outstanding ribbon during judging at the Boone County Fair.

OPEN HORTICULTURE – SATURDAY

Superintendents: Boone County ISU Extension Master Gardeners (bcmg50036@gmail.com)

Registration from 8:30 – 10:30 in the Community Building
Judging will start at 11:00am on Saturday.
All exhibits must remain in place until 5:00 p.m. on Sunday, and premiums to be picked up between 5 & 6 pm on Sunday.

RULES FOR OPEN HORTICULTURE EXHIBITS
1. Participation is open to all amateur gardeners in the area.
2. Registration in horticulture specimen classes is from 8:30 to 10:30 a.m. on Saturday, inside the north doors of the Community Building. Entry drop off and parking areas can be found on the map in the front of this book.
3. All Divisions are open to those 18 and over, except the Junior Division which is open to those 17 and under. Juniors may also enter any Senior division except for Annuals, Perennials and Container Gardens.
4. Each entry must have a completed Exhibitor Tag attached. Tags will be available at registration, and will also be available before fair at the Boone County Fair Board Office and Boone County Extension Office. If possible, prepare your tags and entry forms ahead of time. Hint: Use a sticky name tag instead of writing your name on the back of each entry tag!
5. All specimens must be grown by the exhibitor and correctly named. Names on the Exhibitor Tag should be to the variety (cultivar) when possible. Botanical (binomial scientific) names increase the plants value in judging.
6. Container grown plants must have been in the possession of the exhibitor for not less than two (2) months. The exception to that is of multiple planting which must have been grown together for at least six weeks. Must be moved out of plastic pots purchased in and planted in decorative containers. Double potting is permitted.
7. Specimens must be displayed in clear bottles supplied by the exhibitor unless noted behind division name. They should be in proportion to the size of the specimen. A small piece of wood, foam, or plastic wrap may be inconspicuously placed in the neck of the bottle to prop the specimen upright. Fruits and vegetables are to be exhibited on white disposable plates. Plates will be available at the registration table.
8. All entries should be clean and well groomed. Self-foliage should be included with specimen if it is naturally attached to the bloom stem, but no foliage should be below water level. No polishing or oiling of foliage is permitted. Plants with insect infestation may not be exhibited.
9. Superintendents or the judge reserves the right to subdivide any horticulture class by color, type, or cultivar.
10. An exhibitor may have more than one entry in any one class or subclass unless otherwise specified. Each entry must be a different variety/cultivar, color or type.
11. All entries will be placed as directed by the Placement Committee. The Placement Committee reserves the right to divide unusually large classes by species, variety/cultivar, size, color or type. A minimum of four exhibits are required to make a new class.
12. Judging will occur between 11:30 and 3:00 p.m. The judge will allow exhibitors to watch the judging. Questions may be asked as a learning tool. No harassment of the judge will be allowed or the exhibitor will be asked to leave.
13. Decision of judges is final. Judges may withhold an award if none is worthy. Superintendents will disqualify any exhibit that does not meet the requirements of the class in which the exhibit is entered.
14. The Sweepstakes Award will be presented to the exhibitor who has collected the most blue ribbon points in the Senior and Junior Horticulture Divisions. The Education Award will be presented to the exhibit with the most valuable education for viewers.
15. The superintendents or Fair Board Association will not be responsible for any lost or damaged articles or for removing any exhibits. Exhibitors are responsible for cleaning up and disposing of their water and exhibits. Bring appropriate buckets, boxes, etc., to accomplish this.
16. Entries and premium money will be released no earlier than 5 p.m. on Sunday, Premium money provided by the Boone County Fair Board can be collected from a designated Boone County Master Gardener in the exhibit area of the Community Building.
