IOWA YOUTH CODE OF ETHICS

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do.

Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
3. I will treat all people and animals with respect. I will provide appropriate care for animals.
4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.
5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of volatile drug residue.
6. If any animal requires medical treatment while at the fair or exhibition, only a licensed veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
7. My animal’s appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.
8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with burden on the exhibitor, parent and/or guardian to prove otherwise.
11. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer both, good and not so good, and how to live with and learn from the outcome.
13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use on Fairgrounds and Campgrounds.

At the time of 4-H Enrollment, all families were asked to electronically sign the Iowa 4-H Youth Code of Ethics through 4honline which confirms that you have read, understand, and agree to follow this code of ethics and any rules of competition of the fair as printed in this fair book.

B. If the violation occurs after exhibiting, the member forfeits his/her premium money, prize money, trophies/banners and/or sale of champions money, and must remove his/her exhibit(s) from the Fairgrounds.
C. The violation will be reported to the exhibitor’s school for further action under the school district’s good conduct policy.

No individual Certificate of Veterinary Inspection will be required on Iowa origin animals or poultry exhibited at County 4-H/FFA FAIR, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. Swine are required to be inspected either before unloaded or before leaving a designation isolation and inspection area (prior to mixing with any other pigs). For example, a youth may ID market lambs A, B and C in 4-H, and market lambs D, E and F in FFA, or horses A and B in 4-H and horses C and D in FFA.
   - Entry Process: The responsibility for making proper entry rests upon the exhibitor. Online entry using Fair Entry is available at www.extension.iastate.edu/boone/fairinfo. All disclosed medication at check-in will be administered according to the prescription either by the veterinarian, by the exhibitor or by the exhibitor’s family members.    - No hats or caps are allowed when showing.
   - Hard soled shoes are recommended for showing.

7. Grooming/Fitting
   - It is intended that both 4-H and FFA youth exhibitors take responsibility for caring for and grooming their own animals. MARKET LIVESTOCK AUCTION
The Auction Committee recommends that each species’ superintendents receive a packer bid prior to the auction. The committee also recommends accepting the highest packer bid.
1. 4-H/FFA exhibitors who exhibit market beef, beef pen of three, market lambs, market swine, meat goats, market rabbit and market poultry may, at the exhibitor’s option, participate in the auction. All market animal exhibitors will be listed in the auction catalog unless the species superintendent is notified otherwise by 10 a.m. on Saturday. Stand ins or proxies will not be allowed during the auction with the following exceptions: military service or family medical emergencies. By participating in the auction exhibitors will end their project (i.e. the animal enters the food chain at the conclusion of fair). Superintendents of each division will confirm auction eligibility with each exhibitor wishing to participate.
3. In 2020, the Livestock Auction will be held in the show ring on Monday, July 20 at 9:30 a.m.
4. All market animals must meet the weight requirements for exhibition in order for the exhibitors to participate in the sale. Market animals will be sold according to market value.
5. All market hog, market sheep, market meat goat, carcass beef, market rabbit and market poultry livestock exhibitors will have the option to participate in the auction and will be receiving a bonus premium only, no livestock will be sold. Each exhibitor will be allowed to enter only one project per species division into the auction for a bonus. Each species committee will determine auction order for that species, with the top five champions in each species division listed first.
6. Beef exhibitors not sending their animal onto the carcass contest or selling privately may choose to market their individual market beef animals through the auction. Bonuses for these projects will be auctioned separately from the animal. All other beef exhibitors will abide by the rules from #5 above.
7. Youth are encouraged to bring their trophies and ribbons into the ring during the auction.
8. Individual exhibitors and buyers may choose to be photographed at the conclusion of the auction for promotional purposes.
9. Businesses, organizations and individuals will only be announced at the auction if they are purchasing a bonus premium or live animal.
10. Exhibitors are responsible for the livestock (i.e. food and water and loading out) until the animals are picked up or loaded out from the fairgrounds. This includes load out to the various packers or lockers (Monday a.m.).
11. Buyers must check out with the species superintendent. The superintendent MUST sign the load-out ticket prior to release if the animal is not sold to the packer.
12. The Fair Board, Superintendents, Boone County Extension, and Extension staff assume no responsibility for lost animals, for animals lost in transit, or any transaction arising from the sale of livestock.
13. All buyers must settle up with the auctioneer at the conclusion of the event.
14. The Boone County Fair Supporters’ program will continue to raise funds to sponsor auction premiums.
15. Checks will be issued to exhibitors within 14 to 30 days of auction completion. Please call the Fairboard office if you disagree with your check amount. Checks must be cashed within 30 days of the issue date or will be forfeited. Exhibitor requesting premium checks to be re-issued (for lost or stolen checks) will have service fees automatically deducted.

HERDSMASHIP
The Herdsmanship division is designed to help young people practice good citizenship principles with the animals and public. This results in humane treatment of animals, care of their welfare, and the development of an ethic of responsible (non-abusive) interaction between youth and animals. Herdsmanship has an additional benefit of providing neat and attractive exhibits for public viewing.
1. If proper care of the animal(s) is not maintained, the superintendent (with committee decision) has the right to dismiss the animal. Premium money will be forfeited and participation in future fairs will be questioned (example: not enough water on hot days).
2. Club and chapter livestock exhibits will be scored daily. Divisions include Beef; Pen of 3; Dairy; Swine; Sheep; Horse; Goats; Rabbit; Poultry; and Exotic Animals. They will be graded as follows:

A. Cleanliness of Alleys = 40%
⇒ Alleys kept clean. No brooms should be used on dirt alleys – use a rake or pitchfork. 10 points will be deducted from daily total if parents and/or leaders are performing Herdsmanship duties. Parents and/or leaders may assist members with duties they consider unsafe, however members must be attempting to help.

B. Cleanliness of Stalls and Pens = 20%
⇒ Bedding – adequate, clean, dry and in place.
⇒ Animals securely tied or penned.
⇒ Feed boxes and water containers clean and neatly arranged; may be in pens, if secured.
⇒ Manure hauled out, sorted by trash and manure, and deposited in proper place.
C. Appearance of Animals = 15%

- Animals as clean as facilities will permit.
- Animals clean with grooming apparent.

D. Arrangement of Equipment & Tack = 15%

- Boxes and other miscellaneous equipment arranged attractively and out of the way.
- Hay and bedding is neat and orderly. Broken bales need to be retied.

E. Club Identification = 10%

- The name and location of each club is well marked and easily identified. Points are not gained for elaborate club decorations.
- Stall cards are readable, clean, complete, and neatly arranged.

3. Scores will be posted daily on the boards inside the livestock buildings.

4. Specific Herdsmanship rules for each species are in the appropriate species area of the fair book.

5. Exhibits will be spot-checked daily starting after species weigh-in/checkout but will not be judged during their show time. Times of judging are from 9:30 am to 8:00 pm. During release time, each exhibitor is responsible for cleaning the area where his/her livestock has been stalled. The bedding in the Beef Barn needs to be pulled two feet away from the wall toward the middle before exhibitors leave. Premium money may be withheld if stalls are not cleaned.

6. Awards

- Each day the Top Club per species will be chosen. At the end of each day, top clubs will be chosen and posted in the barns. On the morning following the posting of the winners, a traveling plaque will be given to the top clubs to display for the day. If the same club is chosen as the Top Club more than one day during the Fair, the plaque will stay with that club. Clubs can receive the plaque multiple days.

- A club must score a minimum average of 70% to win a Herdsmanship award.

**Beef Carcass Contest**

**Division 205**

The purpose of this contest is to provide youth exhibitors of a Market Steer or Market Heifer animal an opportunity to participate in a live show and then in a carcass contest that objectively evaluates in a scientific way the economically important traits of beef.

1. An exhibitor may enter any number in this division.
2. All entries in this division must have been tagged and weighed at the Boone County beef weigh-in or other approved county weigh-in.
3. All cattle, which meet the requirements to show in the live market beef classes, are eligible to enter the carcass contest.
4. Exhibitors must decide by fair entry day if they choose to participate in the Carcass Class. Once the decision is made to participate, that decision is final.

5. Entries in this class will also be eligible to show in their respective breed or crossbred weight classes.
6. All entries shown live must be harvested and evaluated for carcass data.
7. The final placing of these cattle will be determined after animal processing and carcass evaluations are complete. Criteria to determine carcass evaluation include incorporating carcass desirability, growth rate and market trends into equations to calculate carcass value per day on feed. The winter weigh-in weight will serve as the starting point.
8. All beef carcass entries will be processed at the Tyson processing plant in Dakota City. The recommended weight range for cattle is 1000 to 1400 pounds live weight to meet carcass requirements.
9. Approximately $18 will be deducted from the exhibitor’s payment check for each animal entered in the contest to help defray the cost of trucking, insurance, beef check-off and data collection. In addition, a dark cutter assessment of $5.50/cwt. will be charged.
10. Contest participants will retain ownership of their cattle until the carcass has been weighed, therefore, the participant suffers the loss if the cattle die in shipment or suffer discounts due to condemnation, bruise trim, hard bone, or other qualifying problems. Participants will contribute toward an indemnity fund that will cover the discount (up to Select price) for a dark cutter. The carcass base price will be determined the day of harvest, however, the recent prices paid and discounts will be announced at the fair.
11. Results of the Beef Carcass Contest will be announced at the supper/meeting held following the fair (date to be announced).

If the dog has not completed the obstacle at the end of this time period, the judge will instruct the handler to move on. The handler must then cease to attempt that obstacle and move on to the next obstacle on course. The handler may also choose to move on to the next obstacle before the end of the time period, prior to instruction by the judge.

- **Fly Off** (-10 points) - Any dog that commits to a contact obstacle (A-frame, dog walk, seesaw) with all four paws must, for safety reasons, continue with the obstacle. Whether obstacle is completed or if the dog jumps off, dog and handler must go on to the next obstacle and may not attempt that obstacle again.

Non-Qualifying Penalties

- Teams incurring this type of penalty will be awarded a white ribbon.
- **Signal**: Judge will ask you to leave the ring.

Abbreviations and Descriptions

- **F** Elimination (NO) – Actions by the dog or handler as listed in Non-Qualifying penalties and Unsportsmanlike conduct.

5. Timing

- Each run will be timed.
- **Start and Completion of a Run**: the dog shall be leashed before entering the ring. A dog’s time starts whenever any part of the dog crosses the clearly marked start line. Judging the performance of the dog shall not start until they have crossed the start line. A dog’s time stops whenever any part of the dog crosses the finish line. The dog shall be leashed before exiting the ring.
- If the dog leaves the handler and/or ceases to work, the handler has a time limit equal to ¼ of the course time to reengage the dog and continue their run. If the handler regains control of the dog within the time limit, the team may continue the run. If the handler has not regained control of his/her dog at the end of the time limit, the run will be considered to be finished, the team will leave the ring and the next handler/dog team will start their run.

1. Preparation for Judging
   • The questions shown below should be answered in writing, on a CD, or in a video that may be provided to the judge for review. Adding photos of you working on your exhibit is beneficial, but not required.

   What was/were your goal(s) for doing this exhibit?

   How did you go about working toward your goal (such as processes, steps, expenses, time involved and plans, problems, help from others)?

   What were the most important things you learned as you worked toward your goal(s)?

   For visual art, clothing, and home improvement exhibits, also write about the Elements and Principles of Design.

   • Photography exhibit must have a photo label in place of a goal card. Communications poster must have label. Garden classes don’t need a goal card but must be labeled with variety name.

   • A Computer will be available during judging in the meeting rooms. A member is responsible for providing any other equipment that exhibitor might need for judging or display. Exhibitors are encouraged to come to the Extension Office before show day to see if equipment works together.

2. Attire While Showing - Each exhibitor should wear a clean white 4-H shirt or FFA shirt. No caps or hats.

3. Classes - Exhibit classes are broad categories to allow for a variety of product or idea exhibits. To plan exhibits, 4-Hers are encouraged to use 4-H tip sheets to determine goals and learning experiences. Exhibits might be, but are not limited to, an actual product, poster, or display box, report, or notebook, model, video or audio tape.

4. Eligibility of Exhibitors/Exhibits
   • Exhibitors must have participated in the 4-H project or an Extension education program from which the exhibit is an outgrowth. The exhibit is to be an outgrowth of work done to accomplish a goal(s) determined by the member or group during the current 4-H year.
   • A member must be enrolled in 4-H and program development fee paid no later than May 1 of the current year to be eligible to enter exhibits in this year’s fair.
   • A 4-H member who cannot be present on judging day must find a substitute 4-H member to take his/her exhibits to the judge.
   • If an exhibitor has set a goal(s) that can be accomplished by both a classroom assignment and an outgrowth of a 4-H project, that’s OK. The intent is that the exhibitor has set a pre-determined goal. The evaluation criteria and exhibit guidelines for each opportunity will be different and exhibits should be prepared accordingly.

5. Group Exhibit - Exhibits can be prepared by an individual or group. Each member of a team or group exhibit must list the enter the exhibit in Fair Entry. All exhibitors, individual or group must meet the age requirements to be eligible for State Fair exhibiting. For example, if a 4-H group wishes to enter a notebook describing a citizenship effort, the documentation should recognize the contributions of the 4th graders but be prepared by those who are 5th grade and older.

6. Limits
   • There is no limit to the number of entries per exhibitor per class provided major learning is different in each entry with the exception of photography, visual arts, music and garden classes. Some exhibits could fit in more than one class. The exhibitor should determine the one class which relates best to their goal. Combined limit of 5 photos can be exhibited in photo classes (10320, 10325 and 10340).

   Size Limits:
   • Posters may not exceed 24" x 36” in size.

8. Copyright or Trademark
   • Duplication of copyright material or design should not be used in a 4-H exhibit that is presented as original work by the exhibitor. When permission has been granted by the owner of the copyright, the exhibit will be displayed and labeled appropriately. Those without permission cannot be displayed.
   • If a judge observes copyright or trademark concerns while evaluating an exhibit, the exhibit will still be judged on the criteria listed in #7, and a ribbon awarded. The copyright or trademark concern will be discussed with the 4-H’er as part of the learning process. If the judge determines that there is a copyright violation, the exhibit cannot be on public display or held for further consideration.
   • In preparing 4-H exhibits, 4-H’ers need to credit sources of your information, use original purchased objects for display (not copies), avoid copyrighted cartoon characters and logos (sports and brand name logos), and avoid copyrighted information from print media and the Internet.

The Fair Board and ISU Extension will use diligence to ensure the safety of articles entered for exhibition after their arrival and placement, but will not be responsible for damage or loss by fire, theft, etc. (Also applies to State Fair.)

18. **Release** - Exhibits will be released from 5:00-5:30 pm on Sunday. Rules for Open Horticulture Exhibits

1. Participation is open to all amateur gardeners in the area.
2. Registration in horticulture specimen classes is from 8:30 to 10:30 a.m. on Saturday, inside the south doors of the Community Building. Entry drop off and parking areas can be found on the map in the front of this book.
3. All Divisions are open to those 18 and over, except the Junior Division which is open to those 17 and under. Juniors may also enter any Senior division except for Annuals, Perennials and Container Gardens.
4. Each entry must have a completed Exhibitor Tag attached. Tags will be available at registration, and will also be available before fair at the Boone County Fair Board Office and Boone County Extension Office. If possible, prepare your tags and entry forms ahead of time. Hint: Use a sticky name tag instead of writing your name on the back of each entry tag!
5. All specimens must be grown by the exhibitor and correctly named. Names on the Exhibitor Tag should be to the variety (cultivar) when possible. Botanical (binomial scientific) names increase the plants value in judging.
6. Container grown plants must have been in the possession of the exhibitor for not less than two (2) months. The exception to that is of multiple planting which must have been grown together for at least six weeks. Must be moved out of plastic pots purchased in and planted in decorative containers. Double potting is permitted.
7. Specimens must be displayed in clear bottles supplied by the exhibitor unless noted behind division name. They should be in proportion to the size of the specimen. A small piece of wood, foam, or plastic wrap may be inconspicuously placed in the neck of the bottle to prop the specimen upright. Fruits and vegetables are to be exhibited on white disposable plates. Plates will be available at the registration table.
8. All entries should be clean and well groomed. Self-foliation should be included with specimen if it is naturally attached to the bloom stem, but no foliage should be below water level. No polishing or oiling of foliage is permitted. Plants with insect infestation may not be exhibited.
9. Superintendents or the judge reserves the right to divide any horticulture class by color, type, or cultivar.
10. An exhibitor may have more than one entry in any one class or subclass unless otherwise specified. Each entry must be a different variety/cultivar, color or type.
11. All entries will be placed as directed by the Placement Committee. The Placement Committee reserves the right to divide unusually large classes by species, variety/cultivar, size, color or type. A minimum of four exhibits are required to make a new class.
12. Judging will occur between 11:30 and 3:00 p.m. The judge will allow exhibitors to watch the judging. Questions may be asked as a learning tool. No harassment of the judge will be allowed or the exhibitor will be asked to leave.
13. Decision of judges is final. Judges may withhold an award if none is worthy. Superintendents will disqualify any exhibit that does not meet the requirements of the class in which the exhibit is entered.
14. The Sweepstakes Award will be presented to the exhibitor who has collected the most blue ribbon points in the Senior and Junior Horticulture Divisions. The Education Award will be presented to the exhibit with the most valuable education for viewers.
15. The superintendents or Fair Board Association will not be responsible for any lost or damaged articles or for removing any exhibits. Exhibitors are responsible for cleaning up and disposing of their water and exhibits. Bring appropriate buckets, boxes, etc., to accomplish this.
16. Entries and premium money will be released no earlier than 5 p.m. on Sunday. Premium money provided by the Boone County Fair Board can be collected from a designated Boone County Master Gardener in the exhibit area of the Community Building. Unclaimed exhibits will be discarded at 6 p.m. and premium money will be returned to the Boone County Fair Board.
