

HEALTH REQUIREMENTS

For Exhibition of Livestock, Poultry and Birds at a County 4H/FFA Fair:

Any evidence of Warts, Ringworm, Foot Rot, Pink Eye, Draining Abscesses or any other contagious or infectious condition will eliminate the animal from the show. No individual Certificate of Veterinary Inspection will be required on animals or poultry exhibited at County 4-H/FFA Fair, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. Each show must have an official veterinarian. Quarantined animals or animals from quarantined herds cannot be exhibited.

Horse *new*

All horse attending the Fair must have current Certificate of Veterinary Inspection and vaccinated for Sleeping Sickness Tetanus (SST) or Prestige 5 (or any combination of). ***This is to help protect all animals attending the Bremer County Fair.***

Swine

Swine exhibitors at county fairs that do not require a Certificate of Veterinary Inspection, must sign and present an owner affidavit that the animals being exhibited did not originate from a quarantined herd and to the best of their knowledge; swine dysentery has not been in evidence in their herd for the past 12 months. The site the swine originate from must have a current monitored status in order for the swine to be transported to the fair- grounds (statistical testing completed within the last 12 months or originate from a site in Stage III or higher area).

Poultry and Birds

All poultry exhibited must come from U .S Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. However, "Market Classes" of poultry consigned to a slaughter establishment are exempt from the Salmonella testing requirements. "Market Classes" of poultry must be separated from all other poultry by a distance of ten or more feet and/or an eight-foot high solid partition.

Dogs and Cats

All dogs and cats exhibited must have a current rabies vaccination certificate.

Sheep and Goats

All sexually intact sheep must have an individual Scrapie Flock of Origin identification tag. All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag or by an official registered tattoo. Call IDALS at 866-USDA-TAG.

THE DECISION OF THE OFFICIAL SHOW VETERINARIAN WILL BE FINAL
