

Share-A-Heifer Program

Have you ever wanted to show a heifer but don't have the facilities to keep one?

Have you wanted to learn more about raising heifers?

Check out this FREE program!

The "Share-A-Heifer Program" is open to all 4-H and FFA members in Bremer County. The program is to allow 4-H and FFA members that would not otherwise be able to show a heifer at the county fair access to an animal. 4-H and FFA members will be allowed to pick out their heifer (limit to two) and the heifer will stay at the producer's farm. The members are not required to buy the animal or buy feed. They are required to go out to the farm on schedule days with the producers to tame their heifer, work with their heifer, keep a journal of their experience, and learn basic animal husbandry from the producers.

Share-A-Heifer Application due April 15. Send to Bremer County Extension, 720 7th Ave SW, Tripoli, IA 50676.
