So you’re the club treasurer . . .
You, and all 4-H officers, are representatives. You represent not only the local group, but the whole 4-H program. Your skills and abilities, standards and ideals, grooming, speech, and even smiles represent all Iowa 4-H’ers. Representing others is one of your most important responsibilities because it exists at all times—not just while you are at 4-H meetings. Those who are not acquainted with 4-H judge it by its officers.

For additional guidelines, review the last section of this pamphlet with your leader and your parent or guardian.

Guidelines for treasurers

Checks

When writing checks . . .

1. Use ink.

2. Never erase—if you make a mistake, start a new check.

3. Be sure to put the date on the check when you write it.

4. Write the name of the person or business to whom the check is written as close to the “pay to the order of” as possible.

5. Write the amount as close to the dollar sign as possible. Do not leave a space between dollars and cents.

   Correct
   $10.50

   Incorrect
   10 50

6. Begin at the extreme left to write the amount out in words. Be sure the written amount agrees with the numeric amount. If a check is for less than one dollar, write the word “Only” followed by the amount.

7. Write on the “Purpose” line what the check is for.

8. Sign the check with your authorized signature, the same way you signed the signature card at the bank. If your club/group requires a second signature on the check, have that person sign below your signature.

This check example was written to Fairway Grocery for $10.34 for food for family fun night.
5. A special endorsement is written: Pay to the order of _____________ and then signed. Now that person can cash the check.

6. A restrictive endorsement means that you endorse the check for a specific purpose. It can be deposited only into your account. It's especially advisable to use this endorsement when depositing by mail.
Writing checks is one of the important jobs you will do as treasurer. The club has agreed to pay a bill to the Sunshine Grocery Store for $6.50. Please fill out the check and checking account record.

5. When you wish to deposit only part of your checks or cash, put the total amount in the total column, put the amount you wish to keep in the “less cash received” column, and put the total “net deposit” in the proper space.

6. All deposits need to be recorded in the checking account record.

The deposit slip example shows that a May 27 deposit was made. There was a check for $1.25, two one-dollar bills, and $1.31 in coins. The total deposit was $4.56.

Treasurers, use the check below for practice

Writing checks is one of the important jobs you will do as treasurer. The club has agreed to pay a bill to the

1. Date the deposit slip.

2. When depositing cash only, fill in the amount of currency (bills), the amount in coins, and the total.

3. When depositing only checks, draw a line through the currency and coins rows, list each check and the amount in the check rows, and put the total of all checks in the “total” space.

4. When depositing both cash and checks, list both on a deposit slip, or use a separate deposit slip for each.

Financial Guidelines for Iowa 4-H Clubs and Groups

General Guidelines for 4-H Treasurers

1. All 4-H clubs should establish a checking account at a public financial institution. 4-H clubs also need to obtain an Employer Identification Number (EIN) from the Internal Revenue Service. This number will need to be reported to your bank. While 4-H clubs are exempt from payment of income tax, the IRS may require 4-H clubs to file annual information returns. Contact your county extension office for current procedures on obtaining an EIN or filing of information returns. With limited exceptions, 4-H clubs are not exempt from payment of Iowa sales tax on purchases.

2. The club treasurer must use the Treasurer’s 4-H Record Book (4H-21) or similar record to show cash received: where the money came from; and payments made, complete with check number, date, and purpose. For the treasurer’s protection, copies of these checks are to be recorded and maintained.

3. Any payment should be in response to a formal written bill or invoice. The itemized invoice, clearly stating what was billed, with the check number and date of the check on it, will become a permanent part of the treasurer’s records. This practice is important to protect the treasurer’s reputation in a dispute. Expenditures as payments should be made only after approval by the club at a meeting. The approval should be recorded in the secretary’s minutes.

4. Clubs should prepare a budget for the year. A budget is a written plan for raising and spending money for a set period of time, usually one year. When the budget is approved by the members of the club, it’s not necessary to seek approval for payment of items included in the budget. If a club doesn’t have a budget or items arise that are not part of the budget, each item needs to be presented to the members for approval before payment. All payments should be made by check to ensure accountability.

   This accomplishes two things. First, all expenditures of club funds are made with the full approval of the club. Second, this is a way for all the club members to learn how money flows in and out of their organization.

5. All money received should be acknowledged with a written receipt, preferably pre-numbered. The receipt should include the source of funds (car wash, food stand sales, etc.), the date, and if possible, the name of the person making the payments. These receipts are the backup documentation for any deposits made. The receipts should become a permanent part of the club records.

6. Each club should require at least two adult volunteer names and the youth treasurer name to be on the account at the bank (with neither adult leader being the parent/guardian of the treasurer). It is recommended that two signatures be required on each check issued.

7. All fund-raising activities should have prior review from the county extension education director.

All money raised using the 4-H name must be used only for 4-H activities. Because these funds belong to a club that is publicly accountable, the funds must not be used in any way to enrich individuals. This means that money may not be given out to individual club members or others, but must be used to pay for educational programs, activities, workshops, or 4-H club supplies. It is permissible to pay part of registration fees for club members to attend 4-H activities, such as 4-H camps and conferences, when those expenditures have been approved by the club.

8. Noncash donations to clubs (consumable donations of supplies or miscellaneous items) should be acknowledged in writing to the donor, specifying what was received (two cases pop, six potted one-gallon shrubs, etc.). A copy of the written acknowledgment must be kept in the club treasurer’s records.

   Nonconsumable donations, such as equipment or animals, should be accepted only if the club is prepared to accept the responsibilities of ownership, including care, maintenance, and insurance. Written acknowledgment should be sent to the donor and a copy must be kept in the club treasurer’s records.

Donors cannot specify the individual recipient of cash or noncash donations. Clubs should not feel compelled to accept noncash gifts. Contact the county extension education director whenever the club has questions about the appropriate action related to accepting and managing any donation.

9. The treasurer should prepare a monthly financial report for the club, listing expenses paid, bills to be paid, income received, and balance in the club account(s). The treasurer should prepare an end of the year annual financial report for the club audit committee. Each 4-H club shall prepare and keep on file a record of its financial transactions, and file all necessary county, state, and federal forms.

10. Any 4-H club that disbands must turn over any remaining funds in club accounts to the ISU Extension county office. All property belonging to the club shall be disbursed in the same manner. Club members may request that the money be used for a specific 4-H program within the club, county, or state. This request will be acted upon by the county extension director at the time the club is dissolved. If a club divides itself, creating more than one recognized and properly charted club, the funds from the original club shall be evenly disbursed, based on membership in each club.

Revised by Mitchell Hoyer, Iowa State University Extension 4-H youth development program coordinator from materials originally prepared by Don Goering, former ISU Extension 4-H youth development specialist.
