4. Exhibitors in 4-H classes are not eligible to exhibit in a similar department of the FFA divisions or vice-versa.

5. Exhibits previously entered in an FFA Ag Science Fair or any other FFA event or competition may not be entered in any 4-H exhibit class. Note: This rule does not prohibit 4-H members from preparing exhibits using learning as part of an ag science class provided the exhibit/experience was not entered in an FFA event or completion.

6. Exhibits that do not comply with the class description, size guidelines, copyright restrictions, safety and approved methods will be disqualified and not put on public display.

   c. What were the most important things you learned?

***Check for additional requirements in exhibit classes: food & nutrition, photography and visual art classes.

12. All judges’ decisions are final.

13. All entries must have an official entry tag (provided by the Buchanan County Extension office) attached to the exhibit. Families will go on https://buchanan.fairentry.com in June and pre-select the classes they would like to participate in. Extension office will print off entry cards before the day of judging. If this is not done before check-in, this results in a longer wait. Youth will pick up their entry cards at the check-in table and be directed to waiting area.

14. No entry fee is required.

15. All exhibits must be judged in the 4-H Building at the Buchanan County Fairgrounds on judging day, Thursday, June 29. Members are asked to come during the time assigned to their club.
16. All building exhibits must remain until release time listed on the current fair schedule. All persons picking up (one or more) exhibits must adhere to the schedule.
17. If an exhibit is especially large, such as a tractor, please notify the Buchanan County Extension office at least one week before the fair as space is limited.
18. Each judge (except the Clover Kids judge) will select one exhibitor for a showmanship award. The award will be based on the following criteria: self-presentation, knowledge of the exhibit, and the ability to respond to the questions above (rule #10).
19. Exhibitors may only have 3 entries per class. Some exhibits could fit in more than one class, but entries should be determined by which class relates best to the goal.
20. All Clover Kid, 4-H and FFA exhibit entries will be completed on FairEntry.com, provided by the Buchanan County Extension office. Entry cards will be printed off before or when exhibitor checks-in on the designated judging day. It is the responsibility of the exhibitor to check-in when arriving and check-out before leaving. Be sure to have projects selected on Fairentry.com the week before building judging.
21. A written explanation of the Elements & Principles of Design is not required (but recommended) for Visual Arts, Home Improvement, Clothing or Sewing. Exhibits in these departments that advance to the State Fair will need a written explanation of the Elements & Principles of Design.

The Buchanan County Extension office and the Buchanan County Fair Association will use diligence to ensure the safety of articles entered for exhibition after their arrival and placement. Buchanan County Fair Deadline Policy

Part of the goal of 4-H and youth development is to foster a strong sense of responsibility in our youth. Late entries reduce the efficiency of the 4-H/Youth Program administration and may adversely affect the credibility of the Buchanan County Fair.

Building Fair Entry - All entries must have an official entry tag (provided by the Extension office) attached to the exhibit. Families log-in on FairEntry to pre-select the classes they would like to participate in. This will help the Extension office print off entry cards before the day of judging. If this is not done before check-in, there will be a longer wait. Youth will pick up their entry cards at the check-in table and then will be directed to their first judging waiting area. Entry deadline for building (static) projects is June 27. The Extension office will not be held responsible or liable for any forms not received or any forms received late. This also includes identifying on 4hOnline and completing animal entries on FairEntry. All families are responsible for making deadlines.

Copyright Information

Instruction on obtaining permission to use copyright materials

Often we get “ideas” by observation of other’s works of art, crafts, recipes, etc. It is very important to give credit to those individuals or companies who have created materials, resources, logos, trademarks, photographs, etc. that you may want to incorporate into a 4-H exhibit for a county fair. In many cases requesting permission can do this. This permission is needed when an item made by you is going to be on public display. Getting permission to use someone’s work often takes a long time. Act today.

You will want to send two copies of your letter to the person or company from whom you are requesting permission. They will keep one copy and return the other to you. You should also send a self-addressed, pre-stamped, envelope to aid in their convenience to respond to you. Remember they do not have to grant you permission, but if you explain fully how you plan to use their work, they are more likely to grant permission.

It is important to remember that giving credit to someone else is very important in any area of your work. In written papers, it may be through the use of footnotes; with exhibit items, credit and permission are included in the accompanying folders. As you put your ideas together, be sure to keep a list of where you get your ideas. If it is a book, magazine, or other printed material, include the name of the publication, the issue, volume, year, and page number from which it was taken. This type of documentation supports your efforts to give credit to the original individual or source.

Remember, when in doubt, ask permission.

Copyright for Pinterest

Pinterest to Original Source in 3 Easy Steps:
1. Find item/recipe on Pinterest – “Wow, that cheeseburger casserole really looks good!”. Click on the image.
2. Clicking on the image brings up a page just for the cheeseburger casserole. Still on a Pinterest page – but wait! Scroll the mouse over the casserole picture and a “Visit number-2-pencil.com” icon pops up below the image. Now we’re getting somewhere that’s starting to look like an original source. Not Pinterest, but number-2-pencil.com. (We could live with citing number-2-pencil.com as the source, but we can do better.) Click on either the image of the casserole or on the “Visit number-2-pencil.com” icon.
3. Voila! A new window pops up on a page from the original website of the recipe – number-2-pencil.com. Scrolling down even tells us that Melissa at number-2-pencil.com is the author and there’s even a button to print the recipe for our recipe book. Now we’ve actually found the original source.
Iowa Youth Code of Ethics

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.

2. All exhibits will be a true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.

3. I will treat all people and animals with respect. I will provide appropriate care for animals.

4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.

5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of violative drug residue.

6. If any animal requires medical treatment while at the fair or exhibition, only a licensed veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.

7. My animal’s appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.

8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.

9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.

10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, salvia, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.

11. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.

12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.

13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.
Grievance (Complaint) Policy

Any participant in the county fair (exhibitors, parents, volunteers, etc.) shall have 24 hours to file a claim concerning any protests, challenges of disciplinary action, or complaints concerning any rules/decisions. No claims will be considered based on the quality of the judges. All claims must be written on the official Grievance Form which will be made available at the 4-H Fair Office. All claims must be accompanied by a non-refundable $25 cash deposit which must be submitted to a 4-H staff member in the 4-H Fair Office. Once a claim is filed it will be reviewed by the County Youth Coordinator and the Extension Executive Director as speedily as possible. Their decision in the matter will be final.

If a participant, parent, volunteer, etc. has a complaint they shall follow the procedures in the aforementioned paragraph. In the event that a participant’s behavior becomes disrespectful (yelling, swearing, throwing items, etc.) the participant will be asked to leave the fairgrounds for a minimum of one hour to calm down. If the participant does not leave willingly, a member of the fair board will be called to the incident. The fair board member has the right to escort the participant from the grounds or call the police/sheriff’s department for assistance. Depending on the severity of the behavior, the participant may be prohibited from all activities at the fair and/or banned from the fairgrounds. In the event that the participant needs to be banned from the fairgrounds, a meeting between the County Youth Coordinator, Extension Executive Director, a Fair Board member, and an Extension Council member will be conducted to determine the future eligibility of the participant to be involved in the 4-H program and the length of time the participant will be banned from the fairgrounds. In extreme cases, the State 4-H office will be contacted for assistance.
