2. Entries are limited to horses, ponies, miniature horses and mules identified on 4hOnline by May 15th and completed the animal entry on FairEntry on or by June 15th. Entry fees are also due to the Extension office June 15th or postmarked by that date.
3. Buchanan County will conform to the “State 4-H Rules and Regulations for Equine Shows in Iowa” handbook. To find handbook go to www.extension.iastate.edu/4h/projects/horse.
4. Registered and non-registered horses will be shown together.
5. No stallions are allowed if born prior to January 1st of the current year.
6. Any halter class with less than three entries may be advanced to the next class at the superintendent’s discretion. Halter horse should be shown according to their breed standards.
7. For all judged horse classes, exhibitors will wear solid, plain, front button or snap long-sleeved, collared shirt of any color (including white). **The 4-H armband must be worn.** The following is prohibited: cell phones, personalized logos or embroidery, zippers, sheer or lace fabric, embellishments or bling of any kind including, but not limited to sequins, rhinestones, chains, etc. Shirt must be tucked in. **English jacket with a 4-H/FFA chevron, tie, or armband may be worn.** FFA members may wear their FFA Jackets when showing. Ties are optional. For timed events, short-sleeved collared shirts are allowed. For timed events, 4-H T-shirts are allowed. Solid blue or black jeans are to be worn. Helmets and hard-soled boots are to be worn. Saddles must be used. Spurs are optional. Chaps are forbidden. Western hats or helmets must be worn during halter, showmanship and costume classes.
8. No hitting or spurring in front of cinch. Any unnecessary roughness or poor sportsmanship will dismiss the rider from further competition for the entire show.
9. Any equipment breaks, will be allowed a re-ride except in Halter, Pleasure, Showmanship, and Horsemanship.
10. Entries over 57 inches will be shown in the horse class.
11. 4-H/FFA youth participating in any riding class and games must wear American Society of Testing Materials (ASTM) and Safety Engineering Institute (SEI) approved headgear (helmet) with chin strap and properly fitted harness while mounted and riding. All 4 H/FFA youth are strongly encouraged to wear ASTM/SEI approved headgear and may wear such headgear in any class without penalty from the judge. Iowa State Fair and Iowa State University make no representation or warranty, express or implied, about any protective headgear, and caution riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.
12. All exhibitors and horses (except foals born after January 1st of the current year) at fair MUST have participated in at least two horse clinics to be eligible to participate.
13. Patterns used for Showmanship are included in this Fair Book after class listings.
14. Any of the following classes may be subdivided by the superintendent.
15. No adults are allowed to ride or work horses during clinics or shows – only 4-H/FFA members, unless exhibitor asks for permission from the Extension staff or committee superintendent.
16. All horses (owned or leased) need to be inspected by a veterinarian prior to the show. The certification must be dated no more than 24 hours prior to the show date.
17. Exhibitors are encouraged to identify all horses/ponies that may be eligible for classes. However, at the fair each exhibitor will only be allowed to have two entries in a class.
18. All horses must be tied or corralled while on the fairgrounds.
19. Riders must clean up and haul away manure.

20. Immediate family member (siblings/step-siblings) can co-identify the same horse (s). Horse must still be identified in 4hOnline under each sibling/4-H member. Animal is either identified as 4-H or FFA, not both. Siblings must both be in 4-H to identify the same horse. The same animal will only be allowed to show in a class ONCE – for example, a 5th grade 4-H'er cannot show a horse in barrels, and the 8th grade sibling show the same horse in barrels; however, the other sibling could show that same horse in pole bending.
21. **Showmanship:** Showmanship will be open to all 4-H horse exhibitors. Exhibitors choosing to participate are not required to be signed up ahead of time. There will be three divisions: Junior - Grades 4-6; Intermediate - Grades 7-8; Senior - Grades 9-12. Classes are judged on the exhibitor's knowledge, care of the animal, and execution of pattern. Exhibitors must show their own animal. The judge will place 5 exhibitors in the showmanship class. Results will be announced at the conclusion of the show and recipients will receive awards at that time. The decision of the showmanship judge is final. There will be no interference, and no one is allowed in the ring. The champion will be asked if they would like to participate in Master Showmanship. If the champion has already participated in Master Showmanship and won in their age division, they must pass on to the next exhibitor after the champion.

HORSE LEASING RULES

1. An exhibitor may lease only two horses per year. A leased horse is any horse that is not owned by the 4-H/FFA member and his/her immediate family (parents, siblings, guardians). Horses owned by distant family (aunts, uncles, cousins, grandparents) are considered leased horses.
2. Leased horses are not eligible to exhibit in conformation (Halter) classes. They are eligible to exhibit in Showmanship, Cart, Costume, and any performance/timed/riding classes.
3. If a 4-H/FFA member leases a horse, that horse shall be the only horse the exhibitor identifies for the Showmanship, Cart, Costume, and performance/timed/riding classes.
4. Exhibitors may show their own horse in conformation (Halter) classes and show leased horse in the events previously listed.
5. All leased horses must have a completed Iowa 4-H Horse Lease Agreement (4H 106C-L) on file at the Buchanan County Extension office by May 15 or that horse will be ineligible to show.

HORSE MENTORSHIP RULE

The Horse Committee recognizes that there may be participants who have never raised horses at home before. Therefore, there will be authorized mentors available for anyone who needs assistance with their animals. Participants will need to contact the Extension Office in order to have a mentor assigned to them. The Horse Committee and mentors will not be responsible for the prevention of illness or death of the animals. To find the mentorship form go to www.extension.iastate.edu/buchanan/4h.
