1st Five Healthy Mental Development Initiative

ph: 515-573-4107 or 888-289-3318

Website: www.idph.state.ia.us/1stfive/ or

Program: Physician referred care coordination services for children ages 0-5 and their caregivers Participants have demonstrated a developmental concern or have expressed family stress, depression, or lack of resources. Children and their families are then linked with community resources for guidance and support.

I-Smile Program

Dental children can receive dental screenings and preventative fluoride on their teeth at WIC or preschool. Education on how to care for children's teeth is provided to parents. School based clinics offer sealants to children in 2nd thru 8th grades. The I-Smile Coordinator can also assist with making a dentist appointment. The program targets pregnant women and children under the age of 21. Contact the I-Smile Program at 888-289-3318 or 515-573-4104 for additional information.

Child Health Nursing Visits

A registered nurse can make an in-home visits for children ages 0-21 to address any medical concerns or questions. Child health visits can be requested by your family doctor, a family member, or anyone with direct contact with a child.

Lead

All children from age 12 mo. 0 6 years are eligible to receive a lead blood test. Recommendations are that every child in the age range, regardless of risk, be tested for lead. A child must have at least one lead blood test completed upon entry into kindergarten.

Presumptive Medicaid Eligibility

"Presumptive Medicaid Eligibility" is a program designed to allow pregnant women and children to receive Medicaid coverage for medical care while a formal Medicaid/*hawk-i* eligibility determination is being made by the Department of Human Services.
