Please check all conservation methods depicted in photo:

- Terraces
- Buffer Strips
- Windbreaks
- Water Conservation
- Wetlands
- Wildlife Area
- Other

Conservation Photo Contest Rules:

1. Photos entered in Class 90080 are eligible to be considered for special awards from the Buena Vista County Soil & Water Conservation District, if photos depict Soil or Water Conservation like: terraces, buffer strips, windbreaks, water conservation, wetlands or wildlife area.
2. There will be a Buena Vista County Soil & Water Conservation Commissioner at the fair, after static judging, to assist in determining which photos are eligible for this and to help determine the three award places: 1st place, 2nd place & 3rd place.
3. Please leave Conservation Photos at the Registration Table after Static Judging.
4. No more than 5 photos may be entered per person.
5. Photos will be placed on the Conservation Photo table in the 4-H Building after they have been judged by a representative from the Natural Resources Conservation Service Office.
6. Make sure Conservation Photos are labeled with 4-H member name and Club name.
