Fair 2020 FAQs for 4-H and FFA

Q: What should I do now?
A: Keep working on your static exhibits, communications presentations, wardrobe fashion exhibits, and with your animals. Animal ID in 4hOnline and YQCA certifications are still due on May 15th at 11:59pm.

Q: What will fair look like?
A: The Butler County Extension staff are currently working on many options. We are looking at options that will work and also keep everyone safe.

Q: The Fair Board has canceled grandstands and ground entertainment, are the 4-H/FFA events still going to be held?
A: As of right now, our answer is—in some form the events will still happen. The Butler County Extension staff are working on what that will look like.

Q: Will we still be able to show our exhibits (livestock, static, communication, fashion, etc.) regardless of how fair looks?
A: Yes! Whatever our fair looks like we will provide some sort of opportunity for judges to see exhibits and provide feedback to members.

Q: How will you communicate plans for the fair?
A: The Butler County Extension staff will communicate first through your 4hOnline email and FFA Advisers, then through our website, and social media.

Q: When will we know what fair will look like?
A: We will update you as we make decisions. Our goal is to have a plan put in place at the latest May 22nd. Please check your 4hOnline email, with FFA Advisers, our website, and social media as we have updates we will share them.

Q: I have more questions, who do I contact?
A: Please contact the Butler County Extension 4-H Staff at 319-267-2707. We will reach back out to you to answer your questions.
