Dear Pesticide Applicator:

This brochure lists the private Continuing Instruction Course (CIC) programs that will be held in and around our county this winter. Feel free to attend any session that fits your schedule. The fee for this program is $20.00.

**PREREGISTRATION IS REQUIRED** for CIC sessions in our county. Our county accepts the following forms of payment, check or cash. If you plan to attend a session in another county, check with that county extension office to register and confirm the payment methods accepted, date, time, and location of the meeting.

If you have any questions, feel free to contact me. Note that your Private Pesticide Applicator Certification number and the year your certification expires are on the mailing label. **Bring this brochure with you to the CIC.**

Sincerely,

Beth Heckman, Office Assistant
Butler County Extension, Allison
www.extension.iastate.edu/butler

---

**2020-2021 Private Pesticide Applicator Recertification**

**PREREGISTRATION IS REQUIRED.**
Walk-ins are not guaranteed admission.

Call ahead for any meeting that you plan to attend and confirm the date, time, and location of the meeting.

Iowa law does not allow admittance to CIC programs for late arrivals!

**Bring this brochure with you.**
Renewing Your Certification

Option 1:
One way to renew your certification (recertify) is to attend a private applicator Continuing Instruction Course (CIC) each of the three years during your renewal cycle.

Check the mailing label for your certification number and expiration date.

Example Mailing Label:

905712 12/31/20 85
Stevens, Robert L.
412 Lakeside Dr.
Ames, IA  50010

1 905712 is the certification number
2 12/31/20 is the expiration date.
3 85 refers to the county number.

December 31, 2020 Expiration:
Attendance at CIC programs in 2018–2019 and 2019–2020 and attending a CIC program between December 2020 and April 15, 2021 qualifies you for recertification.

December 31, 2021 Expiration:

December 31, 2022 Expiration:
If you wish to recertify by training and not by exam, you must attend a CIC program each year, starting with the 2020-2021 program year.

Option 2:
A second way to recertify is to pass the certification test every three years. If you miss one year of CIC programs, Iowa law requires you to retest when your certification expires. The exam is given by the Iowa Department of Agriculture and Land Stewardship (IDALS).

IDALS Test Dates and Locations
Please check the IDALS Pesticide Bureau website for testing dates and locations.

https://iowaagriculture.gov/pesticide-bureau/pesticide-applicator-testing

Masks will be required. Refreshments will not be provided. Please plan accordingly.

Please contact surrounding extension offices if you plan to attend their recertification program. Since there are several dates and times added this year, it is better to call for times and availability to their private pesticide program.
