From the Desk of Tiffany Blair

I hope you all had a fantastic summer and had the opportunity to enjoy it with your families. Hard to believe the kids are already back in school. I am so proud of the hard work I was able to see this summer through all of your exhibits with static and livestock at the Calhoun County Expo. Thank you to all of the Clover Kids members, leaders, and parents who volunteered in any way during the Expo. We couldn't make it happen without your help. Please help me in thanking the Calhoun County Fairboard for their countless hours of volunteering and hard work during the Expo. I know they appreciate hearing from you. I have the ribbons from the bucket of flowers that were accidently missed being put on the buckets. If you still need yours's, please stop and grab it from the Extension office in the next few weeks.

This will be your final newsletter for the 2018-2019 Clover Kids year. Starting September 3, we will begin new and re-enrollment for the 2019-2020 year. Please look for instructions and more information in this newsletter. If you know anyone who would be interested in joining Clover Kids as a member or an adult volunteer, please have them contact the Extension Office at 712-297-8611 or tifblair@iastate.edu. This year we will be offering meeting locations in Lake City, Rockwell City, Manson, and Lytton. We will not be offering a meeting location in Lohrville this year.

Sincerely,

Tiffany Blair
Calhoun County Youth Coordinator
