From the Desk of Tiffany Blair

Welcome to the Calhoun County Clover Kids program! I am excited to have you join our group and share in this experience together. This newsletter is the first place you will find important information and events about the Clover Kids program in our county. Please make sure you read it each month and let me know if you have any questions about its content.

Reminder that this year, our Clover Kids program will look a little different than it did last year. We will be meeting in five smaller groups around the county versus one large group. Monthly meetings will start in November and run through April. We will plan to meet again as a large group to prepare for the Expo in May or June.

Also, if you have not paid your enrollment fee yet, this needs to be mailed or dropped off to the Extension Office as soon as possible, no later than October 31. The enrollment fee is \$15 per member, with a max of \$30 per family. Please let me know if you have questions or need more information about this.

If you have any questions about anything in this newsletter or other Clover Kids items, please give me a call at 712-297-8611 or email me at tifblair@iastate.edu.

Sincerely,

Tiffany Blair
Calhoun County Youth Coordinator

4-H Pledge— As Clover Kids, part of our monthly meetings will be learning and reciting the 4-H Pledge. By learning and saying the 4-H Pledge together as a group, members are reminded about the things we value as 4-H Clover Kids members. Practice reciting the 4-H Pledge at home with your child until they can say it from memory. Below is a chart that shows the hand gestures that go along with each statement in the pledge.

I pledge my **HEAD** to clearer thinking
My **HEART** to greater loyalty,
My **HANDS** to larger service, and
My **HEALTH** to better living,
for my club, my community, my country and my world.
