2018 Carroll County Fair

All exhibitors will go through a check-in process before judging again this year. At check-in we will make sure that the tags and write-ups are filled out correctly and that exhibits are assigned to the correct divisions for judging. The exhibitor will also receive his/her static entry form that needs to be filled out by the judge and turned into the 4-H office on the fairgrounds upon completion of judging. **This form must be turned in by the time the Extension Staff arrives on the fairgrounds Wednesday AM to receive premium money.** 4-Hers will line up single-file by division and may have a maximum of 3 exhibits per division to be judged at one time.

All clubs scheduled for morning judging must be checked in by 10:30 a.m. Judges will take a break from noon until 1:00 p.m. All clubs scheduled for afternoon judging must be checked in by 2 p.m. **Anyone arriving after 2 p.m. will not be judged.** When judging is completed at approximately 4:00 p.m., the judges will be making State Fair Selections and the State Fair room will be closed. Judges need this time to make final decisions, so there will be NOBODY allowed in once the selection begins.
