2020 Awards Ceremony

Our 2020 Awards Ceremony is scheduled for Sunday, October 11, 2020. If best practices allow, we will have our typical awards ceremony beginning at 5pm with a dinner before awards begin. However, there is a chance that we will be encouraged not to provide food, or even not have the event face to face, and hold the event virtually. Either way, please mark down the evening of October 11 and we will continue to update you as we know more regarding specific locations and start dates.

Award Opportunities

It's record keeping time! That also means it is County Awards time. Every 4-H member must complete a Yearly Summary Report. In addition to this, why not apply for a project award or a county award? Enclosed is the list of the award opportunities and a detailed description of what is expected in order to receive that award. Award applications can be obtained 3 ways:

- * Stop by the office and pick them up
- * Call us and we can mail them to you
- * Visit our website & print them off at:

<https://www.extension.iastate.edu/carroll/4h>

All record keeping forms, books, and award applications must be turned into your leaders by **Friday, September 15th** unless otherwise specified by your leader. Please call the Extension Office at 712-792-2364 with any questions. GOOD LUCK!

County Council New October 2020!

Beginning October 2020, Carroll County will reintroduce the County Council program to all high school students. You must have completed 8th grade to apply. We will have one meeting per month (excluding July and December), and you must attend at least six meetings per year to stay active on the Council. We will have an informational meeting on Thursday, October 15 for those that are interested in learning more. Applications will be sent to every household with an age eligible 4-H member.

What is County Council? If you are selected to be a member of our County Council, you, along with your peers, will be in charge of planning events and fundraisers, participate in Leadership training and opportunities, have additional fair responsibilities, and have FUN! We will work together on identifying and building upon our strengths as leaders, find projects and areas we are passionate about and help advocate for change in those areas! Kelsey will also work with the members to come up with what they want to get out of this program, and build understandings and expectations of one another together. Please contact Kelsey if you have any further questions regarding this.

Iowa 4-H Day of Giving

Iowa 4-H Day of Giving is scheduled for Tuesday, October 6, 2020. Our Endowment Committee along with Office Staff are working on a measureable goal for this day to get more donors for our Carroll County 4-H programs as well as a monetary goal to give back to all of our members. Help us brainstorm ideas to raise funds on October 6 as a club! More information to come!

After Fair Meeting

All leaders and Superintendents are invited to an After Fair Evaluation Meeting on Wednesday, August 26, 2020. It will begin at 7pm. We will also post a link if you would like to attend virtually. If anyone has anything they would like on the agenda, please contact Kelsey.

NEW! Office Gallery Wall

Do you have any previous Photography Static Exhibits that you aren't quite sure what to do with? We would love to have them at our office, proudly displayed on our new Gallery Wall! If you would like to lend us a matted photograph for our wall, we will display it along with each Exhibitor's name, club, year entered, and ribbon received. We can keep them indefinitely or until you want them back. Just drop them off at the office or contact Kelsey!

Office Information

We are currently open for regular office hours: Monday through Friday from 8am-12pm, 12:30pm-4:30pm. We do require face masks upon entering our building, and can provide one to you if you do not have one. Thanks!
