January 2020

Commercial Booth Exhibitor:

Thank you for your interest in and support of the Cass County Fair. We are excited to bring you some great news regarding the commercial barns for this year's fair. Fair dates for 2020 are July 22<sup>nd</sup>-July 28<sup>th</sup>.

The booth hours will be 12p.m. - 9 p.m.

The cost of an inside space (10X10) will be \$50 this year.

Outside booth spaces (20X20) are still available on a limited basis for \$100.

The buildings and grounds will be available for set-up on Thursday July 23 from 8 a.m. to 8 p.m. The commercial barns will open on Friday July 24, Saturday July 25, Sunday July 26, and Monday July 27 at 12 p.m. Booths can be removed Monday night after 7:00 p.m. (possibly earlier depending on traffic) or Tuesday July 28. If you are unable to be set up for the entire time please feel free to contact us for other arrangements. We will once again provide evaporative cooling cells for the buildings and will have limited tables and chairs available. We recommended that you provide your own tables and chairs.

Enclosed you will find a map of the commercial barns with numbered spaces. If you are a returning exhibitor, we have written your name in the booth space that you occupied last year. Please write your name on the space that you wish to occupy this year, if you would like to change. If you are a new exhibitor, please write your name on an empty space that you would like to occupy. Everyone needs to sign the enclosed contract, and return both the map and contract to the Extension Office along with your payment by **June 15**. Please make checks payable to the Cass County Fair Association. We will do our best to accommodate your request. **We reserve the right to adjust booth locations.**

Once again, thank you for supporting the Cass County Fair. If you have any questions, please contact Liz Denney 712-254-0561 or leave a message at the Extension Office, 243-1132.

Sincerely,

Curtis Bierbaum, president  
Cass County Fairboard
