

Food Deserts

When: December 5, December 19, January 9, January 16, February 20, and February 27 from **3:30-4:30 PM**.

Where: Griswold Library

Cost: Free to Attend

Grades: 5th-7th

Join Cass County Extension Staff to have FUN with science as you learn and explore all about Food Deserts. Get hands on with the technology and science of growing food as you learn to:

- Identify what seeds need to germinate and what plants need to grow; Prepare lettuce seeds for sprouting

- Understand how hydroponic systems work; build and test a prototype
- Observe, manage, and monitor growing over 2 weeks; Calculate the amount of lettuce produced

Sessions will build off each other, so try to attend as many as you can to watch your project GROW!

Program Offered by Cass County Extension
