PLAYERS : 1 to 4

AGES : All ages. Young children can play a simplified version by using fewer pairs of blocks.

GAME DEVELOPS : Visual Memory "Concentration Skills" Matching Skills

OBJECT : Find the most pairs of matching blocks and try to match them in fewer turns.

CONTENTS : 40 wooden, picture blocks.

GAME SET UP : Mix and spread out blocks, picture-side down. Arrange in rows or at random.

GAME RULES : Choose one player to go first. Players take turns turning up two blocks. If they are the same picture, the player keeps them and takes another turn. If they do not match, the two blocks are placed back in the same spot face-down and the next player takes a turn. This procedure continues until all blocks have been matched.

WINNER : The player who has the most matched pairs of blocks at the end.

INDIVIDUAL PLAY : One child playing alone can count how many times it takes to match the pairs and try to improve each time.
