1. Any evidence of warts, ringworm, foot rot, pink eye, draining abscesses, or any other contagious or infectious condition will eliminate the animal from the show.

2. No individual Certificate of Veterinary Inspection will be required on Iowa origin animals or poultry exhibited at the Cedar County Fair, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. All animals moving from out of state into the Cedar County Fair must meet Iowa Animal and Livestock Importation requirements. Each show will have an official veterinarian.

3. Quarantined animals or animals from quarantined herds cannot be exhibited.

4. SWINE – No testing is required for swine at the Cedar County fair because we involve only market classes and remain a terminal show. All swine leaving the county fair must be consigned and moved directly to a county approved slaughtering establishment.

5. SHEEP – All sexually intact sheep must have an individual Scrapie Flock of Origin identification tag.

6. GOATS - All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag or by an official tattoo registered with USDA. To register, call 1-866-873-2824.

7. POULTRY – all poultry exhibited must come from U S Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. (Poultry purchased from a hatchery and raised for exhibition are not exempt from Pullorum-Typhoid testing requirements.

8. DOGS and CATS – All dogs and cats exhibited must have a current rabies vaccination certificate.

THE DECISION OF THE OFFICIAL SHOW VETERINARIAN WILL BE FINAL

CEDAR COUNTY FAIR RULES
Specific to Cedar County

1. As a safety concern no horns will be allowed on any show cattle except the bottle bucket show for 4H/FFA and the open show.

2. Livestock trailers will not be permitted to remain on the grounds during the week of the fair. The exception will be for the unloading and loading of animals during fair week. (This will include dairy, dairy goat, cow and calf pairs and horses coming for the show).

3. All Cattle including dairy will use common bedding. Swine, sheep and poultry must provide their own bedding. No paper bedding will be permitted in livestock buildings for any purpose.

4. All project/stalls must be properly identified with completed stall cards at all times. Replacement cards are available at the 4-H fair office in the beef show arena. This is part of herdsmanship.

5. It is recommended that all animals be double tied during the fair.

6. All fans must have protection guards to prevent accidents. No butt fans permitted in the barns. Fans are to be in the stall area from the front half of animal forward to the head area. Fan may be securely attached to the rafters or fair show superintendents approved structure above the animals of exhibitor.

   a. All fans will be directed to blow as follows: South side of all barns will blow to the east and on the North side of all barns will blow to the west.

   b. Dairy barn fans will blow as follows: East side of the barn to the south and West side of the barn to the North.

7. Only self-contained misters will be allowed.

8. There are to be absolutely no unattended water hoses running into any livestock barns for any reason. This is a safety factor and will be enforced by confiscation of the hose; and it will not be returned to the rightful owner until after the fair.

9. GROOMING – The grooming of all animals during the fair will be done by the 4-H and/or FFA exhibitor with assistance from immediate family members, other current Cedar County 4-H/FFA members, or Cedar County 4-H Leaders. (Immediate family members consists of parent, step parent, grandparent, brother, sister, aunt, uncle).

   A 4-H/FFA members last year to participate in the county fair will be the one immediately following graduation of high school.
10. All animals must be declared as commercial, crossbred, breed or produce at fair weigh-in/entry time. Changes will not be allowed once fair weigh in/entry time is closed.

11. 4H/FFA fair livestock entry and stall rental fees are set by the fair board. The fees are per head, unless indicated otherwise. Fees must be paid at the designated time in order to exhibit at the Cedar County Fair.

Fair entries and pen rent for all livestock species (except rabbits, horses, dogs and poultry) must take place prior to June 30th to avoid additional fees. After June 30th the entry fee will include an extra $25 per animal. Late entries will be accepted until the close of the respective fair weigh-in or entry time. Late entries will not be guaranteed a stall with club members. All fees are non-refundable.

12. Release time will be 11:00 am on the last day of the fair, (unless an earlier release time is permitted). This applies to all animals except sale animals and swine. Definition of Release Time - “NO livestock” will be untied and/or loaded until the actual time of release occurs as stated in the fair book. Equipment may be loaded prior to release time.

Non-compliance by the 4-H/FFA member will result in forfeiture of all awards and premiums as well as continued participation by the member in the current fair and the next county fair in this project area.

Exception to the animal release time will be: Signed papers from the fair veterinarian, Exhibitors desiring to leave the Cedar County Fair early for a Junior National or Junior Regional show and who have received prior approval of the superintendents of the show. This approval must be obtained prior to June 15th.
13. Stalls and pens are to be kept clean and attractive by the exhibitor at all times. All paper, aerosol cans, pop cans and bottles must be put in the waste containers on the grounds. These cannot be left in the bedding or put in the manure piles in the designated areas outside the barns.

14. Each exhibitor is responsible for cleaning their own livestock pen or area used during the Cedar County Fair. This should be completed following the release of animals on Sunday and prior to animals leaving the grounds. Swine pens should be done following the loading of swine following the sale.

Exhibitors have until Noon on the Monday immediately following the close of the fair to have this completed before fines are assessed. Upon inspection if it is found that exhibitors have not completed this task, a fine of $50 will be assessed to the club. Clubs will decide how the fee is paid – by individual members or by the club.

15. All livestock must be on visible public display in assigned stalls or pens from fair entry time until release time and during the hours of 9:00 am – 6:00 pm. Animals are not allowed to leave the grounds or be moved to non-livestock areas at any time.

16. Animals are not allowed to be walked or exercised beyond the barn area. Swine should be exercised in the swine arena and cattle in the beef arena. While walking or exercising your animals you are also responsible for manure clean up in the area used.

17. Grooming areas including tents are not allowed to be selected until after 5:00 pm Monday – July 6th.

18. All animals must be off of the fair grounds on Sunday evening at the close of the fair. No exceptions to this deadline.
1. Should general and special rules conflict, the latter will govern. Exhibitors failing to comply with any of the rules are subject to all premium cancellations, disqualification from future participation in the Cedar County Fair. Interpretation of rules, when necessary shall be the responsibility of the fair show superintendents.

2. Only livestock projects, which have been enrolled by the exhibitor and identified in 4honline by the designated deadline of May 15th (February 1 for market beef and May 1 for swine) may be exhibited. This applies to all animals with the exception of pets, rabbits and poultry which need to be identified by June 30th. All livestock must meet ownership/possession identifications and requirements outlined in 4-H 202. Joint members partnership entries will not be accepted with the exception of horses as outlined in 4-H 202.

Animals can NOT be identified as both 4-H and FFA.

Animals can NOT be identified by more than one 4-H/FFA member.

3. Animals offered for sale in an auction are considered to have changed ownership even if bought back by the original owner or if the owner refuses a bid or says “No Sale”. All animals offered for sale are terminated as 4-H projects.

4. First and Second place winners in individual classes are eligible to compete for Championships and Reserve Championships, provided they received a purple or blue award.

5. Exhibitors in 4-H classes are not eligible to exhibit in a similar department of the FFA divisions or vice-versa.

6. Animals must be shown as identified – 4-H or FFA not both.

7. No member will be eligible for this show who does not take entire charge and care of the project in the show ring except in case of illness or for some reason approved by the superintendents of show. This show is an educational event. It is designed to train 4-H members to properly fit their animals and exhibit his or her animal without aid.

8. All 4-H/FFA Beef, Dairy Cattle, Dairy Goat, Meat Goat, Poultry, Rabbit, Sheep and Swine exhibitors must be certified through the FSQA (Food Safety and Quality Assurance) Program.

9. Animals with disposition problems may be asked to leave the fair grounds at the discretion of the fair show superintendents.
10. SUBSTITUTE SHOWMAN – Excusing a member from personally exhibiting his/her animal(s) defeats one of the important objectives of 4-H work. Hence, the Management does not approve the use of substitute showmen except in extreme cases: if a member is injured or is seriously ill at the time of the show or is involved in another fair activity with a non flexible schedule at which their presence is mandatory. In the case of military obligations, official orders must be on file in the Extension Office prior to the start of the fair.

Participation in school or school activities will not be considered. For those who are ill or injured, a doctor’s note is highly recommended.

The substitute showman must be an eligible Cedar County 4-H or FFA member and approved in advance of the show by fair show superintendents and/or the Extension Office.

An exhibitor, who has more than one animal in a class, need not secure approval for another eligible showman to exhibit one of his/her animals. However, it is expected such cases will be brought to the attention of the clerk checking animals into the check-in area or show ring.

11. CODE OF ETHICS – Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the Code of Ethics or allows another person (adult or peer) to talk them into violating the Code of Ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

A. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
B. All exhibits will be true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete my exhibit is considered misrepresentation and is prohibited.

C. I will treat all people and animals with respect. I will provide appropriate care for animals.

D. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.

E. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for medications, and be free of violative drug residue.

F. If any animal requires medical treatment while at the fair, only the Official Fair Veterinarian may administer the treatment. All medications that are administered shall be done according to the label instruction of the medication used.

G. My animal’s appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against me, my parent(s) and/or guardian by the Management of the fair or exhibition.

H. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.

I. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.

J. By entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of
said collection and preservation, transfer to the laboratory and analysis of the sample is correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.

K. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. By my entering an exhibit in this Fair I will accept any disciplinary actions taken by the management of this fair or exhibition for any violation of this Code of Ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.

L. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.

M. I will not be involved in any illegal activities while participation in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.

N. I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this Code of Ethics, and any other rules of competition of the fair or exhibition as printed in its Premium Book and other exhibitor material.

12. Any attempt to misrepresent an animal in any way will be considered fraud and deception, and can result in disqualification and barring from this fair or exhibition. In addition, any exhibiting family whose animals are found suspect of using illegal drugs or barring for any other reason at any fair or livestock show holding membership in the International Association of Fairs and exposition will be barred indefinitely from showing at the Cedar County fair.

A. Should fraud or deception, and proof, as determined by the fair show superintendents be discovered after the animal or animals have been shown and prior to the sale: such animal shall not be permitted to sell. If the grand Champion is disqualified, at the discretion of the fair show superintendents, the reserve Grand Champion will become the grand Champion. No other animals will be advanced.

Should violation be discovered after the sale, all sale money
shall be returned to the buyer and the animal carcass or carcass value (established by the USDA market for dressed meat as of day of sale) shall be returned to the exhibitor. All placings in the show will stand. No animals will be advanced.

Any Carcass suspected of being tampered with or suspected of containing drugs will be detained until the investigation is complete.

When a rule violation and/or the eligibility of an animal to compete is in question, a formal complaint must be made in writing and presented to the Cedar County Extension Office before noon of the day following the one on which the violation or eligibility question arises OR in the case of drug testing within 24 hours following receipt of the results; accompanied by a $100 “good faith” cash deposit. All expenses of proof must be paid by the party filing the formal complaint. This money will be refunded unless the claim is not substantiated. If the claim is valid and proof of illegal activity exists the exhibitor in question is responsible for all costs incurred.

B. TAMPERING AND/OR MISREPRESENTATION as to breeding, age, ownership and any other irregularity in showing will be considered fraud and deception.

C. To maintain a high degree of confidence and integrity in the livestock shows, the fair show superintendents reserve the right to disqualify any animal fitted in an unethical manner and disqualify the exhibitor and the exhibitor’s assistants who fitted the animal involved.

D. Unethical fitting shall include any cutting or tearing of the hide, cutting or tearing underneath the hide or removal of tissue in any attempt to alter the shape or appearance. It shall also include attempts to disrupt or change normal dental development; dyeing or coloring hair; adding artificial tail heads, switches, polls, hair and heels; as well as any attempt to change the conformation and degree of firmness by administration of fluids internally or externally in a liquid or solid state.

E. Any artificial means of removing or remedying physical defects or conformation in exhibition animals (i.e. lifting or filling under the skin) will be considered fraud and deception. No unnatural means of providing an animal feed, water or other fluids (i.e. stomach pump, IV) will be
allowed. All exhibitors whose animals give evidence of such treatment will be barred indefinitely from exhibiting at the Cedar County Fair. All exhibitors, their immediate family and any other parties involved in the unethical fitting and showing at the Cedar County fair and will forfeit all premiums, prizes monies and awards won in any division.

F. CARCASS CONDEMNATION at the packing plant due to unethical or illegal practices shall be grounds for disqualification in the on foot and carcass division of the show. Additionally, all premiums and sale money shall be forfeited and the loss of the animal be incurred by the exhibitor.

13. No drugs or medications of any kind may be administered at the fair except by the order of the Official Fair veterinarian. All animals will be subject to chemical testing and analysis of saliva, urine, blood, other excretions or tissues to determine whether a substance or drug has been induced or whether a substance or drug has been introduced to interfere with the testing procedure. Positive tests, except for residues which are within FDA tolerance levels, will result in immediate disqualification of the animal, forfeiture of ribbons, trophies, premiums and sale prices,. The exhibitor of that animal and the exhibitor’s family may be barred from participation in future Cedar County fairs. A re-test may be done at the exhibitor’s expense. Random drug testing will be conducted. THE USE OF ILLEGAL DRUGS AND THE PRESENCE OF DRUG RESIDUE ABOVE LEGAL TOLERANCE LEVELS IS PROHIBITED. Exhibitors may not use stimulants of food or beverage products that may contain stimulants such as caffeine.

14. Each exhibitor with market animals, beef, meat goats, sheep and swine, will complete an Iowa 4-H Animal care and Management Disclosure Statement and handed in at fair weigh-in/entry time.

15. Any animal showing evidence of contagious diseases will be unable to be shown. Disqualified animals must be removed from the barn and Fairgrounds immediately. Any animal found to have external parasites, will be disqualified and exhibitor must remove it from the premises immediately.

16. Exhibitors are expected to care for their animals in an acceptable manner. Any abusive care including slapping or excessive modification of animal will be grounds for disqualification at the discretion of show officials.

17. No coaching will be allowed from or near the ring. This includes verbal or non-verbal coaching.
18. Exhibitors will be required to keep their feed, hay, straw, equipment, etc, in the appropriate location(s) for each specific barn, based upon availability. The public alleyways must at all times be kept open and free from litter, equipment, feed, etc.

**DECISIONS MADE BY THE FAIR SHOW SUPERINTENDENTS WILL BE FINAL**

**Showmanship Rules for all Species**

1. Exhibitors must show their own animal with one entry per species.
2. First and second place will be selected in all divisions (for premiums) with the exception of Masters Showmanship.

3. All exhibitors who exhibit livestock are eligible to compete for showmanship awards, within the following guidelines:
   a. Members may win champion showmanship within a livestock division each year they are eligible.
      i. Juniors – grades 4, 5, 6,
      ii. Intermediate – grades 7, 8
      iii. Seniors – grades 9, 10, 11, 12
   iv. Masters
      This class is for members who have already won a division showmanship at their current grade level, including the current year. Members may show in this class and their appropriate grade division until they are eligible for the next division. All levels will compete against each other with one Master Showman selected from each livestock division.

4. Type is not to be considered except as it may affect the way an animal should be fitted and shown. The following points will be considered:
   a. Appearance of animal at all times during the show 40
   b. Presenting (showing animal in the ring) 45
   c. Appearance and skill of shown exhibits 15

5. All exhibitors are required to wear a **WHITE SHIRT** (blouse, button shirt, 4-H/FFA shirt) and hard soled shoes in the showmanship classes.

6. No hats allowed except for the horse showmanship.

7. Market beef and breeding beef – fitting is optional. No adhesives should be used – animals will not be judged if adhesives are used.

8. Entry for showmanship classes need to be made in Fair Entry by June 30, 2015.

Market Beef

Superintendents: Russ Cook, Linda Jacobsen, Dave Mohr
County Council Members: Brian Driscoll, Maddie Timmerman

Tuesday, July 7
8:00 am – Arrival of Beef Animals permitted on the grounds
8:00 – 9:00 pm - Market Beef Weigh-in
   All Market beef animals must be weighed at this time.
   Registration Verification for all breed animals (have your
   registration papers with you).
9:00 pm – Beef Exhibitor Meeting

Wednesday, July 8
4:00 pm – Market Beef and Beef Heifer Showmanship

Saturday, July 11
9:00 am – Market Beef show
1:30 pm – Market Animal Sale – includes Market Beef Animal Sale

Sunday, July 12
6:00 am – Release of sale animals only
11:00 am – All livestock released from the grounds

Market Beef Entry Rules

** Tattoos will be read at fair weigh-in time. If tattoos are not legible or
do not match registration papers – the animal will show as a crossbred.
There will be no exceptions to this.

** All animals must have an Iowa 4-H Animal Care and Management
Disclosure Statement completed and handed in at the fair weigh-in
process to be eligible to exhibit and participate in the auction.

1. All class entries in this division need to be made in Fair Entry by June
   30, 2015.
2. Market beef steers, market heifers and dairy steers must have weighed
   in at the county or other extension office approved county weigh-in
   prior to February 1, 2015.
3. Youth may exhibit up to six head of market animals at the county fair.
   These may be shown as all market beef, all market heifers, all dairy
   steers or any combination for a total of six head.
4. Market beef steers and heifers must weigh a minimum of 950 pounds at fair weigh in time. Animals weighing less than 950 will be placed in a feeder cattle class. This class will be shown with all breeds together.

5. Exhibitors must use breed association rules for entering market animals in breed classes.

6. It is the responsibility of the exhibitor to check the registration papers to make sure the information is accurate.

7. Registration papers need to be presented at fair check in time or a copy must be on file in the Extension Office prior to fair weigh in/check in. Failure to provide the appropriate registration papers at weigh-in will move the animal to a cross bred class.

8. First year 4-H members who exhibited a bottle bucket calf at the previous fair in the open class, may bring that same identified animal back to exhibit in the return bottle bucket class of the market beef or breeding beef show.

9. County Bred and Raised are animals from cow herds within the geographic boundaries of Cedar County. These animals will be recognized on the show sheets but will not show in separate classes during the show.

10. Beef classes will be divided by weight following fair weigh in.

11. Classes will be shown from light to heavy within each show class.

12. A market beef animal qualifies for a blue ribbon by having a 2.2 average daily gain as a heifer and a 2.4 average daily gain as a steer. This is determined from the official 4-H weigh-in day and the weigh-in at fair. Numbers will be rounded to the nearest 10th. (Example – 2.14 = 2.1 and 2.15 – 2.2).

13. Specialty breed market beef such as Wagyu, and Belted Galloway qualify for a blue ribbon by having a 1.5 average daily gain as a heifer or a steer.

14. Specialty breed Mini Herefords will be measured by shoulder height at the fair weigh-in process. Mini Hereford steers must be less than 48” and Mini Hereford heifers must be less than 46” to show in these classes.

15. Crossbred steers will be shown as follows:
   a. Light weight division – 1st and 2nd place will be chosen in the classes, followed by the selection of the champion and reserve light weight steer.
   b. Medium weight division – 1st and 2nd place will be chosen in the classes, followed by the selection of the champion and reserve medium weight steer.
   c. Heavy weight division - 1st and 2nd place will be chosen in the classes, followed by the selection of the champion and reserve heavy weight division.
d. Following the light, medium and heavy weight champion and reserve champion selection, there will be an overall crossbred champion and reserve champion steer selected. 

16. Champion and Reserve Champion of all classes will show for Grand Champion and Reserve Champion market beef. This also includes dairy steers. 

17. All entries in the market beef show may be sold at the Livestock Beef Auction. This declaration should be made upon registration in Fair Entry by June 30th.

General Livestock Rules and Regulations and 4-H General Rules and Regulations apply in this department.

1. Poultry Entry forms will be required by June 30, 2015 at the Cedar County Extension Office.
2. Fee of $1.00 per entry will be deducted from total youth premium.
3. Cages will be provided for each exhibitor’s birds.
4. Each exhibitor must provide their own litter for their birds.
5. Each exhibitor will be responsible for his or her birds and must be present when they are judged. (See substitute showman rule in 4-H livestock exhibit rules.
6. Exhibitors are responsible for cleaning of all bedding, manure and other waste before departing fairgrounds or premiums will be forfeited.
7. All poultry exhibited must come from US Pullorum-typhoid clean or equivalent flocks, or have had a negative pullorum-typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. Market classes of poultry consigned to slaughter establishments are exempt from Salmonella testing requirements.

Certificates must be presented at the time of registration for the poultry show. Disqualification – failure to present certificate.

8. All birds should be entered as cock, hen, cockerel or pullet with these terms defined as:
   a. Cock – male chicken 1 year or older;
   b. Hen – female chicken 1 year or older;
   c. Cockerel – male chicken less than 1 year old;
   d. Pullet – female chicken less than 1 year old.
9. All entries will be made by providing class, breed and variety information. This information is listed in the corresponding class numbers on the next few pages. Example:
   a. Class – American
b. Breed – Plymouth Rock  
c. Variety – Barred  

10. All breed entries will be judged according to the American Standard of Perfection and must be listed in the American Standard of Perfection or Bantam Standard. **No crossbred entries will be allowed in the breed classes.**  

11. Entries in the meat and egg classes may be any commercial meat or egg type bird. Production practices generally accepted by the commercial poultry industry are acceptable.  

12. Exhibitors will be limited to a total of 10 entries. A pen consists of one male and two females, old or young (i.e. one cock, two hens or one cockerel, two pullets). An individual bird may also be shown in a trio.  

13. All birds must comply with health requirements available on line.  

14. All birds will be judged according to growth, confirmation, general health and appearance.  

15. There will be a Poultry Showmanship Class. No entry is required in this division. Showmanship will be judged while exhibiting in the various classes and announced towards the end of the show.

** All animals must have an Iowa 4-H Animal Care and Management Disclosure Statement completed and handed in at the fair weigh-in process to be eligible to exhibit and participate in the auction.

Youth may exhibit up to eight head of sheep at the county fair. These eight may be shown as all breeding lambs, all market lambs, or any combination for a total of eight head. Exception: May only show one pair of breeding lambs and one pair of market lambs.

SHEEP ENTRY RULES

1. All class entries in this division need to be made in Fair Entry by June 30, 2015.
2. Lambs cannot exhibit if there are any signs of club lamb fungus. They will be sent home and not allowed to participate in the fair.
3. All sheep exhibitors must provide their own bedding.
4. All market lambs and all commercial ewes must attend the May weigh in and be weighed and ear tagged.
5. All sexually intact sheep must have an individual Scrapie Flock of Origin Identification tag.
6. Lambs must still have their milk teeth to show at the fair.
7. Yearling ewes shall be born between September 1, 2014 and December 31, 2015.
8. Purebred breeding lambs must be registered with papers available at fair weigh in.
9. Ewe animals weighed in as market lambs during the spring market animal weigh-in may be shown in the crossbred commercial lamb breeding classes.
10. Animals shown as breeding animals cannot be shown as market animals. They can only show in one show.
11. Animals to qualify for the speckled face commercial ewe class must possess pronounced speckling on a large portion of the face.
12. Class 25102, 25103, 25104 will compete for champion and reserve champion commercial ewe lamb. Champion and reserve champion purebred will be selected from classes 25100 and 25101. Supreme Champion and Supreme Reserve Champion will be selected from classes 25100, 25101, 25102, 25103, and 25104.
13. The purpose of the breeding classes is to encourage 4-H and FFA youth to keep their ewes and establish superior flocks.
14. Exhibitors may shear lambs in the summer and feed for maximum growth to encourage early sexual maturity, but lambs should not be fattened.
15. “All market lambs and commercial ewes must be slick shorn upon arrival to the fairgrounds. Animals which are not slick shorn will not be allowed to stall or enter the fair. Suggested fleece length for purebred breeding sheep is ¼ inch with ¾ inch maximum, with the exception being for wool breeds which have no maximum length.”
16. All market lambs participate in the rate of gain contest.

MARKET SWINE ENTRY RULES

** All animals must have an Iowa 4-H Animal Care and Management Disclosure Statement completed and handed in at the fair weigh-in process to be eligible to exhibit and participate in the auction.

1. All class entries in this division need to be made in Fair Entry by June 30, 2015.
2. This is a terminal show. All swine will go to slaughter.
3. The care/health and well-being of all swine will be the responsibility of the exhibitor until swine are loaded out.

Any swine that require care as deemed necessary by the Swine Superintendents will have the total value of the animal forfeited. The forfeited funds will be forwarded to the Cedar County Youth Program.

4. All swine exhibitors must have a current Premise ID number on file at the Extension Office.
5. The Cedar County Swine fair show superintendents will not allow shaved and/or clipped pigs to participate in the show. If a pig has been unloaded on the grounds and found to be shaved or clipped, it will be excluded from the show, kept on the grounds and sent to slaughter with the rest of the swine.

6. All swine must be unloaded on the grounds during the set hours. If unloaded early these swine will be excluded from the show, kept on the grounds and sent to slaughter with the rest of the swine.

7. At the time of unloading on Tuesday evening, each youth must present a completed entry form to the committee.

8. By May 1st, all swine are required to:
   a. Have a 4-H ear tag in place and recorded during the identification process. (Ear tags are obtained from the Extension Office). This ear tag is for show ring identification only.
   b. Have proper ear notches recorded for the identification process. These are the official identification of an animal during check in and the fair.
   c. Provide the Extension Office with a head shot photo (front and back each) which shows ear tag and ear notches. Required for each pig. These may be emailed to the office or printed off and brought with the swine identification form to the office.
   d. Completed swine identification form to the Extension Office or properly recorded in 4hOnline.

9. Animals that are quarantined or from quarantined herds cannot be exhibited.

10. Swine exhibitors at county fairs that do not require a Certificate of veterinary Inspection, must sign and present an owner affidavit that the animals being exhibited did not originate from a quarantined herd and to the best of their knowledge, swine dysentery has not been in evidence in their herd for the past twelve (12) months.

11. No testing is required for swine at an exhibition that involves only market classes, provided all swine are consigned directly to a slaughtering establishment from the exhibition. The site that the swine originate from must have a current monitored status in order for the swine to be transported to the fairgrounds (statistical testing completed within the last twelve months or originate from a site in State (III).

12. Swine leaving the exhibition from a market class must be consigned and moved direct to a slaughtering establishment.

13. All swine brought to the fair should follow the rules and regulations of withdrawal times of any administered medications and vaccinations. A Medication record is required at the time of entry.

14. Pigs may be farrowed at any time during the current year.
15. Market pigs must weigh a minimum of 220 pounds to be exhibited in the live show. They must weigh a minimum of 240 to be entered in the carcass contest.
16. Each exhibitor may exhibit a maximum of two entries in the single market barrow class and two entries in the single market gilt class; Separate carcass contests for market barrows and market gilts.
17. Champion and Reserve Champion will be selected for each of the live classes.
18. Supreme and Reserve Supreme will be selected from the class champions.
19. Swine fair show superintendents will secure an area buyer for market swine.
20. Exhibitor is responsible for his/her hog until it crosses the hot carcass scale at the packing plant. Death loss or if a hog is condemned because of disease is the exhibitor’s loss and no payment will be made.
21. All exhibitors may sell one hog in the swine ribbon sale.
22. All swine will go directly to slaughter following the swine show.
23. RELEASE: No hogs may leave the swine barn. Equipment may be loaded prior to release time. Failure to comply with this rule will result in forfeit of all awards and premiums to the member. There will be designated adults checking all barns. Please comply!

26. Swine pens cannot be cleaned prior to swine being loaded on the trucks for slaughter.

**DIVISION 311  
Horses and Ponies**

Show Superintendent – Sue Voss, Devin Moeller, LeRoy Moeller, Verle Kleppe, Wayne Neville, Tom Burmeister, Patti Edge, Jill Voss
County Council Members: Maggie Bormann, Kalyn Howe, Lindsay Crock, Michael Poduska

Wednesday – July 8
8:00 am Entry Time
9:00 am Show

It is recommended that members attend the pre-show clinics offered to help advance them in safety and competency of showing their animal(s). The pre-show clinics will also cover all aspects of the show. It is preferable that members trailer their animal(s) to the show grounds for these clinics, however, instruction will also be provided during these clinics to those members unable to bring their projects(s). Experienced members are encouraged to attend and provide mentoring examples for younger members.

**ENTRY RULES**

1. All 4-H/FFA rules in this Cedar County fair book supersede all other rules and the show will be governed by the guidelines as set forth in “4-H Rules and Regulations For Equine Shows in Iowa” (4H511C, June 2013) published by Iowa State University Extension and Outreach.

2. At all times, every horse must be treated in a humane, respectful, dignified and compassionate manner. Unruly, unsafe or unsound horses may be excused at the discretion of the judge and/or show committee.
3. General Livestock Rules and Regulations and 4-H General Rules and Regulations apply in this department, including FFA.

4. Ownership of Horse – to exhibit in classes in which the primary emphasis of evaluation is the skill level of the 4-H/FFA member, ownership is not required; however, the 4-H/FFA member must take an active role in the care of the animal (includes feeding, cleaning, training health care, farrier care, exercising, etc.). Horses exhibited in conformation (halter) classes must be owned by the 4-H/FFA member or in partnership with a family member, there is NO leasing of halter horses. Leased horses may be shown in showmanship and riding or driving classes. If the horse is leased, a signed lease agreement (4-H106CL) must be on file in the Extension Office by May 15th. If a 4-H/FFA member leases a horse, those horses shall be the only horse the 4-H/FFA member may identify as a project horses.

5. Identification of Horse – both 4-H and FFA horses must be identified and the identification submitted to the Extension Office by May 15th. The horses’ name, sex, height, age and a colored photo are all required for identification. A maximum of 5 horses may be identified per member. Of those 5, a maximum of 2 can be leased. If a family includes more 4-H/FFA members than horses, more than one 4-H/FFA member may identify a horse; however, in this situation a 4-H/FFA member cannot identify more than one horse. Identification must take place prior to May 15th at 4:00 pm. Animals will be checked against livestock identification forms and photos on file.

6. Class listing shown is not necessarily the show order and the Show Officials reserve the right to change or adjust the show order as needs dictate.

7. A grounds fee of $2 per horse must be paid. Exhibitors are responsible for cleaning of all bedding, manure and other waste before departing fairgrounds or premiums will be forfeited.

8. Each 4-H/FFA member may enter a maximum of 3 horses.

9. Limitations:
   • Ages of horse or pony will be based on January 1, not actual age.
     1. Foals are animals born after January 1, 2015.
     2. Yearlings are between January 1 and December 31, 2014.
     3. Two year olds are between January 1 and December 31, 2013.
     4. Three year olds are between January 1 and December 31, 2012.
     5. Aged horses are born before January 1, 2012.

   • No stallions will be entered or shown, except for male foals.
   • Horses may be any breed or combination of breeds and are 14.1 hands and over.
   • Any equine fewer than 14.1 hands will be considered a pony.
     Ponies that are shod shall have ½” deducted from height.
10. Supplemental hair in mane and tail is permitted in any division.
11. Hooves may be painted black or with clear hoof dressings, or shown naturally.

12. EXHIBITOR APPAREL:
   General:
   1. Exhibitors should wear attire appropriate to match the breed of their horse (i.e., Western or English) – refer to specific attire requirements. In halter and showmanship classes, the exhibitor is expected to wear either a western hat or a hunt seat type helmet.
   2. Chaps, ball caps, tank tops, T-shirts, or jersey-type shirts ARE NOT to be worn. No spurs may be worn in halter and showmanship classes.
   3. Arm bands (4-H or FFA) may be worn on the upper left arm or a chevron may be worn on the upper left chest.
   4. All exhibitors must display a number in a visible manner. For halter, showmanship and driving classes, the number must be displayed on the back of the exhibitor. For riding classes, the number must be displayed on both sides of the saddle pad.
   5. Protective Headgear Policy: All 4-H/FFA members in riding and driving classes must wear properly fitting protective headgear passing or surpassing current ASTM/SEI (American Society for Testing and Materials/Safety Equipment Institute) standards with harness secured while riding and driving anywhere on the competition grounds – every time, every ride. This includes all shows, workshops, clinics, parades and drill teams where the member is participating as a 4-H/FFA exhibitor. It is the responsibility of the rider, parent, or guardian to see that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is in place. No helmet will result in disqualification.
   6. The Cedar County Fair and The Cedar County Ag Extension District make no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such head gear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

Western Attire:
1. Exhibitors in all western classes will wear a white, front button or snap long sleeved, collared shirt. The following is prohibited: personalized embroidery, zippers, sheer or lace fabric,
embellishment or bling of any kind including, but not limited to sequins, rhinestones, chains, etc. Shirt must be tucked in.

2. Dark blue jeans without holes must be worn. A belt is required.
3. Western boots must be worn. (Fashion heels are prohibited.)
4. Spurs are permissible in riding classes. Spur rowels must be dull and free-moving.

- English Attire:
  1. Exhibitors should wear hunt coats of traditional colors such as navy, dark green, gray, gray, black, or brown. Maroon and red are improper.
  2. Breeches (or jodhpurs) are to be of traditional shades of buff, khaki, canary, light gray or rust.
  3. Shirts must be white; a tie or choker is preferred.
  4. Hair must be neat and contained (as in net or braid).
  5. Exhibitors must wear high English boots or paddock (Jodhpur) boots of black or brown.

Livestock Market Animal Ribbon & Live Auction

LIVESTOCK AUCTION
All Market Animals
Saturday – July 11, 2015
1:30 pm – Show Arena
Sale Superintendents: Auction Committee and Show Superintendents

1. RIBBON AUCTION
   a. Youth will be selling ribbons and not animals for this sale.
   b. Market animals eligible for the Ribbon Auction are: Swine, Meat Goats, Poultry, Sheep and Rabbits.
   c. Exhibitors may sell one (1) ribbon in each of the above species.
   d. Youth will be provided with a ribbon upon entering the ring.
   e. Ribbons sold must be won by animals shown in the market shows at the 2015 Cedar County Fair and must be sold and identified by the member winning the ribbon. Showmanship ribbons will not be sold.
   f. Buyers should write checks at the end of the entire Livestock Auction. Checks will be made out to Cedar County Extension.
   g. Checks will be issued to all youth following completion of sale data entry at the Extension Office and once a Buyer Thank You note is received in the Extension Office.
   h. Deductions will be made for selling and advertising fees.
   i. Because this is a ribbon sale – the animal is not changing ownership and still belongs to the youth. (Exception to this will be swine – as they are part of a terminal show). There will not be any animals allowed in the ring for any of the ribbon auctions.
   j. Sale order for 2015 will be ribbons for Sheep, Rabbits, Swine, Poultry, Meat Goats, with the Live Market Beef Auction to follow. The sale order for each species will be determined by the superintendents of each show.

2. MARKET BEEF AUCTION
   a. Market beef and dairy steer animals will be sold. (This is not a ribbon sale).
   b. There is no limit to the number of animals which may be sold – but will be restricted to animals shown in the 2015 market beef show and must be their own animal.
c. Animals being sold will be weighed as they come into the ring for the sale. This sale weight will be announced to the audience.
d. All sales are final once a bid is accepted.
e. Buyers should write checks at the end of the entire Livestock Auction. Checks will be made out to Cedar County Extension.
f. Checks will be issued to all youth following completion of sale data entry at the Extension Office and once a Buyer Thank You note is received in the Extension Office.
g. Deductions will be made for beef check-off fees and a selling fee.
h. Exhibitors are responsible for their animal until sale animal release time. Loss of animal or injury is the responsibility of the exhibitor until ownership is transferred at release time.
i. Market Beef animals sold through the auction or other sales have changed ownership and are ineligible to enter any other show as a 4-H/FFA animal.
j. Sale order will be by Grand Champion and Reserve Champion (if selling) then followed by show order.
