Club leaders should have names of the workers for the Exhibit Building turned into the office by June 30th. All 4-H members and parents are expected to be available for the shift assigned to them by the leaders. It is important that you arrive a few minutes early for your shift and that you stay until your replacement arrives. Please sign in upon arrival and put on Attendant name badges – you will find this near the north door.

The first shift of the day is responsible for opening the building (inquire at the 4-H building for assistance). The last shift of the day is responsible for picking up, sweeping and securing of the building. The success of the Exhibit Building display depends on the youth and parents accepting their responsibility and completing their assigned task. If you have questions – please contact the Extension Office.
1. All exhibits will be conference judged.
2. Evaluation will take place on July 8, 2019 at the assigned time for each club. Youth should arrive 15 minutes prior to their scheduled time.
3. If there is a conflict with the scheduled time, contact the Extension Office to reschedule. This must be done prior to July 8. If you absolutely cannot participate in the conference judging experience, make arrangements to have your exhibits available on July 8, for written comments.
4. Youth should enter the South door of the Mathews Building upon arrival and check in with the Superintendents.
5. **LARGE ITEMS** – Check in with the superintendents and they will help you decide how to handle these prior to your evaluation.
6. Each exhibit must have a completed General Exhibit Information form or the Photography Exhibit form prior to evaluation. If you have additional supporting materials – this should be assembled and available for evaluation prior to check in with the superintendents.
7. Exhibitors will receive their completed entry tags and a preprinted entry form upon check. Exhibitors should then make sure that each entry tag is attached to the appropriate exhibit prior to exhibit evaluation.
8. When check in is completed, you will be directed to the designated waiting area. As judges become available, members will be called to the judging area.
9. Following evaluation of the 4-H exhibits all entry tags must be scanned for results before leaving the evaluation area. After all exhibits have been evaluated, you will then take your entry form and evaluated exhibits to the ribbon table for the appropriate ribbon.

18. All animals must be off of the fair grounds on Sunday evening at the close of the fair. No exceptions to this deadline.

4-H/FFA GENERAL LIVESTOCK RULES

1. Should general and special rules conflict, the latter will govern. Exhibitors failing to comply with any of the rules are subject to all premium cancellations, disqualification from future participation in the Cedar County Fair. Interpretation of rules, when necessary shall be the responsibility of the fair show superintendents.

2. Only livestock projects, which have been enrolled by the exhibitor and identified in 4hOnline by the designated deadline of May 15th (February 1 for market beef) may be exhibited. This applies to all animals with the exception of pets, rabbits and poultry which need to be identified by June 30th. All livestock must meet ownership/possession identifications and requirements outlined in 4-H 202. Joint members partnership entries will not be accepted with the exception of horses and dogs as outlined in 4-H 202 (found on county and state websites). Animals CANNOT be identified as both 4-H and FFA and cannot be identified by more than one 4-H/FFA member.

3. Animals offered for sale in an auction are considered to have changed ownership even if bought back by the original owner or if the owner refuses a bid or says “No Sale”. All animals offered for sale are terminated as 4-H projects.

4. First and Second place winners in individual classes are eligible to compete for Championships and Reserve Championships, provided they received a purple or blue award.

5. Exhibitors in 4-H classes are not eligible to exhibit in a similar department of the FFA divisions or vice-versa.
6. Animals must be shown as identified – 4-H or FFA not both.
7. No member will be eligible for this show who does not take entire charge and care of the project in the show ring except in case of illness or for some reason approved by the superintendents of show. This show is an educational event. It is designed to train 4-H members to properly fit their animals and exhibit his or her animal without aid.
8. All 4-H/FFA Beef, Dairy Cattle, Dairy Goat, Meat Goat, Poultry, Rabbit, Sheep and Swine exhibitors must be certified through the YQCA (Youth for the Quality Care of Animals) Program.
9. Animals with disposition problems may be asked to leave the fair grounds at the discretion of the fair show superintendents.
10. SUBSTITUTE SHOWMAN – Excusing a member from personally exhibiting his/her animal(s) defeats one of the important objectives of 4-H work. Hence, the Management does not approve the use of substitute showmen except in extreme cases: if a member is injured or is seriously ill at the time of the show or is involved in another fair activity with a nonflexible schedule at which their presence is mandatory. In the case of military obligations, official orders must be on file in the Extension Office prior to the start of the fair. Participation in school or school activities will not be considered. For those who are ill or injured, a doctor’s note is highly recommended.
   The substitute showman must be an eligible Cedar County 4-H or FFA member and approved in advance of the show by fair show superintendents and/or the Extension Office.
   An exhibitor, who has more than one animal in a class, need not secure approval for another eligible showman to exhibit one of his/her animals. However, it is expected such cases will be brought to the attention of the clerk checking animals into the check-in area or show ring.
11. CODE OF ETHICS – Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the Code of Ethics or allows another person (adult or peer) to talk them into violating the Code of Ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.
Youth agree to follow these guidelines:

A. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.

B. All exhibits will be true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete my exhibit is considered misrepresentation and is prohibited.

C. I will treat all people and animals with respect. I will provide appropriate care for animals.

D. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.

E. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for medications, and be free of volatile drug residue.

F. If any animal requires medical treatment while at the fair or exhibition, only the Official Fair Veterinarian may administer the treatment. All medications that are administered shall be done according to the label instruction of the medication used.

G. My animal’s appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against me, my parent(s) and/or guardian by the Management of the fair or exhibition.

H. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.

I. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.

J. By entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances.
from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample is correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.

K. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. By my entering an exhibit in this Fair I will accept any disciplinary actions taken by the management of this fair or exhibition for any violation of this Code of Ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.

L. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.

M. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.

N. I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this Code of Ethics, and any other rules of competition of the fair or exhibition as printed in its Premium Book and other exhibitor material.

12. Any attempt to misrepresent an animal in any way will be considered fraud and deception, and can result in disqualification and barring from this fair or exhibition. In addition, any exhibiting family whose animals are found suspect of using illegal drugs or barring for any other reason at any fair or livestock show holding membership in the International Association of Fairs and exposition will be barred indefinitely from showing at the Cedar County fair.

A. Should fraud or deception, and proof, as determined by the fair show superintendents be discovered after the animal or
animals have been shown and prior to the sale: such animal shall not be permitted to sell. If the Grand Champion is disqualified, at the discretion of the fair show superintendents, the reserve Grand Champion will become the Grand Champion. No other animals will be advanced.

Should violation be discovered after the sale, all sale money shall be returned to the buyer and the animal carcass or carcass value (established by the USDA market for dressed meat as of day of sale) shall be returned to the exhibitor. All placings in the show will stand. No animals will be advanced.

Any Carcass suspected of being tampered with or suspected of containing drugs will be detained until the investigation is complete.

When a rule violation and/or the eligibility of an animal to compete is in question, a formal complaint must be made in writing and presented to the Cedar County Extension Office before noon of the day following the one on which the violation or eligibility question arises OR in the case of drug testing within 24 hours following receipt of the results; accompanied by a $100 “good faith” cash deposit. All expenses of proof must be paid by the party filing the formal complaint. This money will be refunded unless the claim is not substantiated. If the claim is valid and proof of illegal activity exists the exhibitor in question is responsible for all costs incurred.

B. TAMPERING AND/OR MISREPRESENTATION as to breeding, age, ownership and any other irregularity in showing will be considered fraud and deception.

C. To maintain a high degree of confidence and integrity in the livestock shows, the fair show superintendents reserve the right to disqualify any animal fitted in an unethical manner and disqualify the exhibitor and the exhibitor’s assistants who fitted the animal involved.

D. Unethical fitting shall include any cutting or tearing of the hide, cutting or tearing underneath the hide or removal of tissue in any attempt to alter the shape or appearance. It shall also include attempts to disrupt or change normal dental development; dyeing or coloring hair; adding artificial tail heads, switches, polls, hair and heels; as well as any attempt to change the conformation and degree of firmness by administration of fluids internally or externally in a
liquid or solid state.

E. Any artificial means of removing or remedying physical defects or conformation in exhibition animals (i.e. lifting or filling under the skin) will be considered fraud and deception. No unnatural means of providing an animal feed, water or other fluids (i.e. stomach pump, IV) will be allowed. All exhibitors whose animals give evidence of such treatment will be barred indefinitely from exhibiting at the Cedar County Fair. All exhibitors, their immediate family and any other parties involved in the unethical fitting and showing at the Cedar County fair and will forfeit all premiums, prizes monies and awards won in any division.

F. CARCASS CONDEMNATION at the packing plant due to unethical or illegal practices shall be grounds for disqualification in the on foot and carcass division of the show. Additionally, all premiums and sale money shall be forfeited and the loss of the animal be incurred by the exhibitor.

13. No drugs or medications of any kind may be administered at the fair except by the order of the Official Fair veterinarian. All animals will be subject to chemical testing and analysis of saliva, urine, blood, other excretions or tissues to determine whether a substance or drug has been induced or whether a substance or drug has been introduced to interfere with the testing procedure. Positive tests, except for residues which are within FDA tolerance levels, will result in immediate disqualification of the animal, forfeiture of ribbons, trophies, premiums and sale prices,. The exhibitor of that animal and the exhibitor’s family may be barred from participation in future Cedar County fairs. A re-test may be done at the exhibitor’s expense. Random drug testing will be conducted. THE USE OF ILLEGAL DRUGS AND THE PRESENCE OF DRUG RESIDUE ABOVE LEGAL TOLERANCE LEVELS IS PROHIBITED. Exhibitors may not use stimulants of food or beverage products that may contain stimulants such as caffeine.

14. Each exhibitor with market animals, beef, meat goats, sheep and swine, will complete an Iowa 4-H Animal Care and Management Disclosure Statement and hand in at fair weigh-in/entry time.

15. Any animal showing evidence of contagious diseases will be unable to be shown. Disqualified animals must be removed from the barn and Fairgrounds immediately. Any animal found to have external parasites, will be disqualified and exhibitor must remove it from the premises immediately.
16. Exhibitors are expected to care for their animals in an acceptable manner. Any abusive care including slapping or excessive modification of animal will be grounds for disqualification at the discretion of show officials.

17. No coaching will be allowed from or near the ring. This includes verbal or non-verbal coaching.

18. Exhibitors will be required to keep their feed, hay, straw, equipment, etc, in the appropriate location(s) for each specific barn, based upon availability. The public alleyways must at all times be kept open and free from litter, equipment, feed, etc.

Market Beef Entry Rules

** Tattoos will be read at fair weigh-in time. If tattoos are not legible or do not match registration papers – the animal will show as a crossbred. There will be no exceptions to this.

** All animals must have an Iowa 4-H Animal Care and Management Disclosure Statement completed and handed in at the fair weigh-in process to be eligible to exhibit and participate in the auction.

1. All class entries in this division need to be made in Fair Entry by June 30, 2019.
2. Market beef steers, market heifers and dairy steers must have weighed in at the county or other extension office approved county weigh-in prior to February 1, 2019.
3. Youth may exhibit up to six head of market animals at the county fair. These may be shown as all market beef, all market heifers, all dairy steers or any combination for a total of six head.
4. Market beef steers and heifers must weigh a minimum of 950 pounds at fair weigh in time. Animals weighing less than 950 will be placed in a feeder cattle class. This class will be shown with all breeds together.
5. Exhibitors must use breed association rules for entering market animals in breed classes.
6. It is the responsibility of the exhibitor to check the registration papers to make sure the information is accurate.

7. Registration papers need to be presented at fair check in time or a copy must be on file in the Extension Office prior to fair weigh in/check in. Failure to provide the appropriate registration papers at weigh-in will move the animal to a cross bred class.

8. First year 4-H members who exhibited a bottle bucket calf at the previous fair in the open class, may bring that same identified animal back to exhibit in the return bottle bucket class of the market beef or breeding beef show.

9. County Bred and Raised are animals from cow herds within the geographic boundaries of Cedar County. These animals will be recognized on the show sheets but will not show in separate classes during the show.

10. Beef classes will be divided by weight following fair weigh in.

11. Classes will be shown from light to heavy within each show class.

12. A market beef animal qualifies for a blue ribbon by having a 2.2 average daily gain as a heifer and a 2.4 average daily gain as a steer. This is determined from the official 4-H weigh-in day and the weigh-in at fair. Numbers will be rounded to the nearest 10th. (Example – 2.14 = 2.1 and 2.15 – 2.2).

13. Specialty breed market beef such as Wagyu, and Belted Galloway qualify for a blue ribbon by having a 1.5 average daily gain as a heifer or a steer.

14. Specialty breed Mini Herefords, Lowlines and Dexters will be measured by shoulder height at the fair weigh-in process. Mini Hereford and Lowline steers must be less than 48” and heifers must be less than 46” to show in these classes. Dexter steers must be less than 44” and heifers must be less than 42” to show in these classes. They do not need to meet a rate of gain.

15. Specialty Breed Crossbred Small Framed Cattle (must be designated at the winter weigh-in) will have a maximum shoulder height limit of 48” for steers and 46” for heifers at the fair weigh-in and they will be required to meet a 1.5 average daily gain.

16. Crossbred steers will be shown as follows:
   a. Light weight division – 1st and 2nd place will be chosen in the classes, followed by the selection of the champion and reserve light weight steer.
   b. Medium weight division – 1st and 2nd place will be chosen in the classes, followed by the selection of the champion and reserve medium weight steer.
   c. Heavy weight division - 1st and 2nd place will be chosen in the classes, followed by the selection of the champion and reserve heavy weight division.
d. Following the light, medium and heavy weight champion and reserve champion selection, there will be an overall crossbred champion and reserve champion steer selected.

17. Champion and Reserve Champion of **all classes** will show for Grand Champion and Reserve Grand Champion market beef. This also includes dairy steers.

18. One market beef animal per exhibitor in the market beef show may be sold at the Livestock Beef Auction. This declaration should be made upon registration in Fair Entry by June 30, 2019.

Cattle Arena and grassy area south of swine barn – Agility will begin in the cattle arena starting with Beginning Agility, followed by Obedience. Weather permitting – Showmanship will begin in the grassy area with Seniors. Rally will follow beginning with Novice. If weather does not permit, the ring will be split following agility.
Dog Entry Rules

1. All class entries in this division need to be made in Fair Entry by June 30, 2019.
2. All dogs must go through the 4hOnline identification process by May 15th. There are no limits on the number of dogs exhibited, but each must be identified and attend class.
3. A member may enter as many classes as they qualify for.
4. All dogs exhibited must have current rabies certificates (or titer results) and must be presented (or uploaded) before attending class and the show. Failure to present certificate means you can’t attend class with your dog and leads to show disqualification.
5. Dogs shown in obedience, rally, or agility cannot show in the pet show.
6. Youth should attend dog obedience, handling, and/or agility classes either through 4-H or other training. It is required that youth attend 7 of the clinics (or other training classes) offered prior to fair to exhibit. It is strongly encouraged that if you attend other training you bring your dog to at least one clinic or the fun show to allow your dog to adjust to the fairgrounds.
7. Pre fair evaluation may be required to see if dog is ready to participate in the fair.
8. Once an exhibitor and dog have received a blue ribbon in a level, the exhibitor is required to progress to the next level. Exception: if the 4-H dog instructor feels the dog is not ready for classes in the next level, the member may remain at the same level for lessons and showing for the next year. Members are strongly encouraged to remain in a level for no more than two years. Exhibitors may move up a level without receiving a blue ribbon if they feel they are ready. If a dog achieves an AKC or UKC title or equivalent during the current 4-H/FFA year, the dog will be allowed to show in its current level, but must move up the following year.
9. Dogs are to remain in the area on leash or crated until show time and their class is called.
10. Showmanship classes will start with Senior, Intermediate, Junior and wrap up with Masters. Obedience classes will run starting with Open, Preferred Open, Grad Novice B, Grad Novice A, Novice B, Novice A, then Preferred Novice B, Preferred Novice A, Beginners Novice B, and Beginners Novice A. Agility will start with the On Leash class followed by Advanced.
11. No female dog in season may be exhibited.
12. Puppies must be at least six months old on show date.
13. Proper equipment must be used, as explained at dog obedience classes. No prong, halter, gentle leader or training collars may be
used when showing. Buckle (either leather or nylon) or choke (metal or nylon) collars are acceptable. Buckle collars only in agility. All tags or identification items must be removed from collars. Appropriate showmanship collars/leads are allowed for showmanship only. Small toys, treats or “bait” may be used in showmanship only.

14. Obedience/Agility Show attire: long pants, or jeans with tennis shoes or close toed shoes. 4-H or FFA white t-shirt are appropriate. No sandals, shorts, or hats. Showmanship: Exhibitor has the option to dress in appropriate dog show attire – skirt or dress, long pants, button down shirts, tie and suit or sport coat. Comfortable dress shoes are acceptable, but no open toed shoes or heels. Exhibitor will be judged on their neatness of attire and appropriateness to the breed of dog they are handling. No deductions will be made for those choosing to wear 4-H / FFA white t-shirt.

15. Exhibitor conduct: Exhibitors shall not strike dogs nor use any other unnecessarily harsh physical means of disciplining dogs.

16. Dogs may be taken home after judging and presentation of ribbons.

17. Ties in obedience will be broken by the heel on leash score or heel off competition.

18. Example score sheets will be given to participants during clinics. These will show the skills to be tested for each level.

19. Score sheets will be returned to the exhibitor for obedience and agility classes. A summary from the showmanship/handling class can be provided to the participant upon request. These should end up in your record books if you choose to receive them.

20. Exhibitors must receive the following points to receive appropriate ribbons in Dog Obedience: Blue (200-170), Red (169-100), White (99-0)

21. On-leash/Off leash agility exhibitors must receive the following percentages of their total score in order to receive the appropriate ribbon: Blue (100-85%), Red (84-70%), White (69-0%). Score is based on the total number of obstacles x 10 points per obstacle. Faults as noted below will be deducted from total score. Ties will be broken by flip of the coin or other “game of chance”.

22. Off leash agility-scoring is based on completing the course correctly and safely. Deductions for faults will be subtracted from the total score, 1 fault = 1 additional second. Placings are based on highest score. Ties will be broken by flip of the coin or other “game of chance”. Example of deductions that may occur during a run: 1 point for each missed contact, 1 point for tight lead or directing dog with lead, 3 points for retry on obstacle, 5
points for incomplete obstacle and 10 points for refusal or missed obstacle. Judge will have the final say on all deductions. Dogs that leave the course will be asked to return to the ring to finish their run and receive a white ribbon.

23. Entry fee of $1 per class will be deducted from your premium check.

1. All 4-H/FFA rules in this Cedar County fair book supersede all other rules and the show will be governed by the guidelines as set forth in “4-H Rules and Regulations For Equine Shows in Iowa” (4H511C, October 2015) published by Iowa State University Extension and Outreach.
2. All class entries in this division need to be made in Fair Entry by June 30, 2019.
3. At all times, every horse must be treated in a humane, respectful, dignified and compassionate manner. Unruly, unsafe or unsound horses may be excused at the discretion of the judge and/or show committee.
4. General Livestock Rules and Regulations and 4-H General Rules and Regulations apply in this department, including FFA.
5. If you have show day class conflicts with another species show that you are participating in, please tell leadership as far in advance as possible so that accommodations can be made.
6. Ownership of Horse – to exhibit in classes in which the primary emphasis of evaluation is the skill level of the 4-H/FFA member, ownership is not required; however, the 4-H/FFA member must take an active role in the care of the animal (includes feeding, cleaning, training health care, farrier care, exercising, etc.). Horses exhibited in conformation (halter) classes must be owned by the 4-H/FFA member.
or in partnership with a family member, there is NO leasing of halter horses. Leased horses may be shown in showmanship and riding or driving classes. If the horse is leased, a signed lease agreement (4-H106CL) must be on file in the Extension Office by May 15th. If a 4-H/FFA member leases a horse, those horses shall be the only horse the 4-H/FFA member may identify as a project horses.

7. Identification of Horse – both 4-H and FFA horses must be identified and the identification submitted to the Extension Office by May 15th. The horses’ name, sex, height, age and a colored photo are all required for identification. A maximum of 5 horses may be identified per member. Of those 5, a maximum of 2 can be leased. If a family includes more 4-H/FFA members than horses, more than one 4-H/FFA member may identify a horse; however, in this situation a 4-H/FFA member cannot identify more than one horse. Identification must take place prior to May 15th at 4:00 pm. Animals will be checked against livestock identification forms and photos on file.

8. Class listing shown is not necessarily the show order and the Show Officials reserve the right to change or adjust the show order as needs dictate.

9. A grounds fee of $2 per horse must be paid. Exhibitors are responsible for cleaning of all bedding, manure and other waste before departing fairgrounds or premiums will be forfeited.

10. Each 4-H/FFA member may enter/show a maximum of 3 horses. A maximum of 5 horses may be identified per member.

11. Limitations:

     2. Yearlings are between January 1 and December 31, 2018.
     3. Two year olds are between January 1 and December 31, 2017.
     4. Three year olds are between January 1 and December 31, 2016.

10. Supplemental hair in mane and tail is permitted in any division.

12. EXHIBITOR APPAREL:

requirements. In halter and showmanship classes, the exhibitor is expected to wear either a western hat or a hunt seat type helmet.

4. All exhibitors must display a number in a visible manner. For halter, showmanship and driving classes, the number must be displayed on the back of the exhibitor. For riding classes, the number must be displayed on both sides of the saddle pad.

5. **Protective Headgear Policy:** All 4-H/FFA members in riding and driving classes must wear properly fitting protective headgear passing or surpassing current ASTM/SEI (American Society for Testing and Materials/Safety Equipment Institute) standards with harness secured while riding and driving anywhere on the competition grounds – every time, every ride. This includes all shows, workshops, clinics, parades and drill teams where the member is participating as a 4-H/FFA exhibitor. It is the responsibility of the rider, parent, or guardian to see that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is in place. No helmet will result in disqualification.

6. The Cedar County Fair and The Cedar County Ag Extension District make no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.
