

Curious Candy

STEM Kit Number 14

Description

STEM-Lit it Go! is an innovative 4-H program that supports the development of STEM and literacy skills for K-3 children. This informal education program utilizes a unique instructional framework to deliver integrated STEM-literacy activities that engage and support positive youth development. In addition, this exciting research-based program is designed to support the Next Generation Science Standards and the Common Core English Language Arts Standards.

Kit Contains

2 books:
Curious George Goes to the Chocolate Factory
From Cocoa Bean to Chocolate
