Cedar Valley Park Shelter Three (by the main campground/quarries right next to the basketball court)

7:30 am – 11:30 am

This will be a come and go bird hike (so if you can only stay for 30 minutes, that is perfectly fine). Please dress appropriately (closed toed shoes and preferably long pants) and bring your own water bottle, snacks, sun screen, and bug spray. Parking, potable water, and pit toilets are available at this location. A portion of the hike will be on the mostly flat (small hill to get down to the trail), but sometimes uneven Anliker Trail that goes towards and under the bridge. Depending on what group participants are able and willing to do, we might hit up our other trails that have inclines and un-even surfaces.
