

Spring Project Workshop Series

Iowa State University Extension and Outreach Cedar County

Learn about some of Cedar County's most popular project areas!

Each workshop will be led by a local subject area expert and you will get some hands on experience as you learn. These workshops are designed to help you get a start on your project learning and work on a possible fair exhibit to bring home that evening.

All kids in grades 4-12 are invited to attend but space is limited!

Cost: \$15 per youth for the first workshop, \$10 per workshop after the first. Funded in part by the Cedar County 4-H Endowment. Registrations are due April 30 to ensure enough materials are prepared. Scholarships are available upon request.
