Herbicide Resource

Iowa State University Extension and Outreach recently released the [2019 Herbicide Guide for Iowa Corn and Soybean Production](#). This publication is available as a free download via above link.

Boone and Raccoon River Watershed Focus Groups

A consortium of groups is sponsoring several focus group discussion opportunities in the Boone and Raccoon watersheds to look at the impacts of weather extremes on agricultural management, conservation decisions, and water quality. The invitation is extended to corn and soybean producers with more than 500 acres in Boone, Buena Vista, Calhoun, Carroll, Dallas, Green, Guthrie, Hamilton, Hancock, Humboldt, Kossuth, Pocahontas, Sac, Webster and Wright Counties. Participant will receive a \$100 honorarium. Meetings dates are listed below, please RSVP to Bonnie McGill at 724-549-6305 by January 3rd.

Events

January- April. Angie's [Private Pesticide Applicator Meetings](#).

January 2019. Don't miss the opportunity to attend one of the 2019 Crop Advantage Series meeting in January. There are 14 locations around Iowa and each location has a different agenda. Attendees must attend the entire meeting to receive private pesticide applicator recertification. CCA credits are also available. The [link to the Crop Advantage web page](#) contains information for the entire series, the agendas for Ames, Mason City, Fort Dodge and Waterloo are linked below. Registration form can be found within each link.
