4-H Pledge:
I pledge:
My HEAD to clearer thinking,
My HEART to greater loyalty,
My HANDS to larger service,
My HEALTH to better living,
For my club, my community, my country, and my world.
This is the 2014 North Iowa Fair Book for 4-H / FFA members.

4-H & FFA FAIR OBJECTIVES

1. To assist youth in their personal development and character growth, in honesty, integrity, responsibility, citizenship, and leadership skills.
2. To provide an opportunity for youth to measure their progress and skills against accepted standards.
3. To provide an opportunity for youth to participate in a wide variety of program opportunities beyond the club or chapter.
4. To encourage youth to learn and apply practical methods of production and management.
5. To provide an opportunity for youth to gain personal satisfaction, meet new people, share ideas, and learn to work cooperatively with others.
6. To stimulate interest in the variety of projects and experiences 4-H & FFA offer.
7. To acquaint the public with Iowa youth programs.
8. To provide a showcase of accomplishments of 4-H & FFA youth.

CERRO GORDO COUNTY 4-H & FFA GENERAL RULES

1. Exhibitors must currently be enrolled in a 4-H club or FFA chapter of Cerro Gordo County.
2. A 4-H member must be at least fourth grade by the previous September 15.
3. No 4-H or FFA member may exhibit beyond the calendar year of their high school graduation.
4. Exhibits are to be an outgrowth of work done to accomplish a goal(s) determined by the member during the current 4-H year.
5. If a member has set a goal(s) that can be accomplished by both a classroom assignment and an outgrowth of a 4-H project goal, he/she may enter it at the fair provided the intent is that a predetermined goal is set. Evaluation criteria and exhibit guidelines for each opportunity will be different and should prepare accordingly.
6. It is not recommended that 4-H & FFA members stay overnight on the Fairgrounds, unless camping.
7. All 4-H & FFA exhibitors are governed by the North Iowa General Rules and Regulations unless modified by 4-H & FFA rules.
8. All 4-H & FFA Livestock Entries are due in the Extension Office by 4:30 p.m. June 16. Members can get entry forms in the Extension Office or on the Cerro Gordo County Extension website. ANY ENTRY AFTER JUNE 16 WILL BE ASSESSED A $25 LATE FEE PER CLASS ENTERED.
9. All exhibits will be released at times stated or forfeit premiums.
10. Any 4-H Building Exhibit that is to be judged on Monday, July 7, does not need to be pre-entered.
11. There will be no cell phones allowed during weighing, exhibit judging, livestock shows, or during the livestock judging contest. If your phone goes off you will be docked to a white ribbon.
12. Due to safety, liability, and sportsmanship issues, no one is allowed in the show ring unless they have completed Grades 4-12 and are members in Cerro Gordo County.
13. All exhibitors must wear a 4-H or FFA shirt when being judged in the 4-H Building or showing livestock. Exception: Horse project members see horse clothing rules.
14. Exhibitors showing market or meat animals (including all rabbits) need to certify in Food Safety and Quality Assurance by attending a workshop or taking a test by June 27 of the current year. Exhibitors who do not certify in FSQA will not be allowed to show.
IOWA YOUTH CODE OF ETHICS

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the Code of Ethics or allows another person (adult or peer) to talk them into violating the Code of Ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other's work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
3. I will treat all people and animals with respect. I will provide appropriate care for animals.
4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.
5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of violative drug residue.
6. If any animal requires medical treatment while at the fair or exhibition, only the Official Fair Veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
7. My animal's appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.
8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the Premium Book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.
11. I am responsible for my exhibit and I will not allow others to violate this Code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this Code of Ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.
13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.

I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this Code of Ethics, and any other rules of competition of the fair or exhibition as printed in its Premium Book.

A signed copy of the Iowa Youth Code of Ethics must be on file for all 4-H and FFA exhibitors prior to the North Iowa Fair.
4-H & FFA LIVESTOCK HEALTH REQUIREMENTS

All animals, poultry and birds must meet the health standards of the North Iowa Fair. Any evidence of warts, ringworm, pinkeye, foot-rot, draining abscesses or any other contagious or infectious condition will eliminate the animals from the fair.

No animals or birds may be exhibited from a premise, farm or area under quarantine. Swine exhibitors must sign an affidavit that their pigs did not originate from a herd under quarantine and to the best of their knowledge Swine Dysentery or Pseudorabies has not been in evidence in the herd for the past 12 months.

Swine originating outside of Iowa. All exhibitors must present a test record and certificate of Veterinary Inspection that indicate that each swine has had a negative test for pseudorabies within 30 days prior to the show, regardless of the status of herd, and that lists the individual official identification. Electronic identification will not be considered official identification for exhibition purposes.

Official health certificates are not required for exhibition in 4-H /FFA Shows at the North Iowa Fair.

All dogs and cats must be accompanied by a current rabies vaccination certificate.

All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester.

The veterinary inspector in charge shall order any animals or birds, when found to be infected with any contagious or infectious diseases, to be removed from the Fair. The decision of the show veterinarian will be final. Arrangements for veterinary service shall be between the exhibitor and the Fair veterinarian and shall be paid for by the owner at the time of service.

THE DECISION OF THE OFFICIAL SHOW VETERINARIAN WILL BE FINAL.
1. See the Cerro Gordo County 4-H & FFA General Rules.
2. See the 4-H & FFA Livestock Health Requirements.
3. 4-H’ers exhibiting animals must meet, without exception, uniform state 4-H regulations as outlined in “Iowa 4-H Animal and Poultry Identification, Weighing, and Exhibiting Regulations for County, State, and Interstate Shows” (4-H 202). Animals not meeting these regulations will not under any circumstances, including illness, be exhibited.

4. All 4-H animals entered (except market beef, swine, market lambs, poultry, rabbits, and pets) must have been identified by the exhibitor in 4-H Online and for FFA members on an Iowa 4-H Livestock Identification Report (4-H-106) on file in the Extension Office by May 15. Market beef must have been identified by January 15. Swine and market lambs must have been tagged on the designated day. Poultry and rabbits need to be identified on the North Iowa Fair Livestock Entry Form. Acceptable identification includes:
   a. Beef, dairy cattle, and sheep - ear tag, breed, birthdate
   b. Swine - ear tags (derby), notches (market and breeding)
   c. Horses - color markings, age, height
   d. Rabbits, poultry, dogs, and dairy goats - markings and breed

5. All 4-H & FFA Livestock Entries are due in the Extension Office by 4:30 p.m. June 16. Members can get entry forms at the Extension Office or on the Cerro Gordo County Extension website. ANY ENTRY AFTER JUNE 16 WILL BE ASSESSED A $25 LATE FEE PER CLASS ENTERED.

6. All livestock must be exhibited by the 4-H or FFA member making the entry unless a substitution is approved by the appropriate superintendent. Substitutes must be Cerro Gordo County 4-H or FFA members. Horse and Pony Division substitution may be approved for halter only.

7. All livestock exhibitors must wear the furnished exhibitor number while in the show ring.

8. All grooming chutes must be located in the designated area between cattle and swine building, north end against the building.

9. All livestock entries will be placed in Purple, Blue, Red, or White ribbon groups unless specified otherwise. Premiums listed are Blue, Red, and White ribbons.

10. Animals must receive Blue or Purple ribbons to be eligible for Champion or Reserve Champion.

11. Only market animals that are ear tagged and are exhibited are eligible to be housed at the fair.

12. All livestock project members are expected to help with clean-up and tear down of cages, pens, stalls, etc. when their species is released. If a member does not help, they will not receive premiums.

13. All exhibits will be released at times stated or forfeit premiums.

14. Exhibitors showing market or meat animals (including all rabbits) need to certify in Food Safety and Quality Assurance by attending a workshop or taking a test by June 27 of the current year. Exhibitors who do not certify in FSQA will not be allowed to show.

2014 FAIR PEN OF THREE
1. A Pen of Three will consist of three market show calves that come from members of the same club.
2. There may be more than one pen of three representing a club.
3. Steers and heifers may be mixed for the Pen of Three.
4. All animals in the Pen of Three must have been shown as an individual animal.
5. All animals must meet minimum rate of gain to create the Pen of Three (2.4 for steer and 2.2 for heifers).
6. The judge will be looking for uniform height and uniform size. Color does not affect the pen. Fit and no fit cattle may be together in a Pen of Three.
7. The Pens of Three will be shown in the arena at the conclusion of the Beef Show.

**JUNIOR MARKET BEEF CARCASS CLASS**

1. Each exhibitor may enter up to four (4) market animals. These animals must meet all other requirements for beef projects and exhibits. Ultrasound scanning for one (1) head will be paid for by Cerro Gordo County Cattlemen. Additional animals entered will be at the exhibitor’s expense. This will be paid to County Extension Office to cover the scanning fee charged by the technician (approximately $12 per head).
2. Animals entered in carcass class may also be entered in other market beef classes. All market steers and heifers will be entered in one class unless the superintendents determine there are sufficient entries to merit two classes.
3. All animals entered will need to be scanned at **approximately 2-4 p.m. on Wednesday afternoon.** Exhibitors will need to bring their animals to the designated area for scanning.
4. A separate entry needs to be made on the fair entry form for this class. Late entries can be accepted up to scanning time at the discretion of the superintendent.
5. The carcass characteristics of fat cover, rib eye size, and marbling will be determined via ultrasound scan. This carcass information along with estimated carcass average daily gain and current carcass pricing at fair time (this would include premiums or discounts for quality grade, yield grade, and estimated carcass weight) will be used to determine a carcass value per day on feed and animals entered will be ranked from highest value to lowest value.

The following formulas will be used to calculate carcass value per day on feed.

**Percent Retail Product** is calculated as follows:

\((65.69 - (9.931 \times \text{fat thickness}) + (1.2259 \times \text{rib eye area}) - (0.013166 \times \text{carcass weight}) - (1.29 \times \% \text{kidney, pelvic, heart fat}))\)

**Carcass Value Per Day On Feed** is calculated as follows:

\(((\text{Hot carcass weight} - (0.55 \times \text{beginning live weight}) \times \text{percent retail product} \times \text{contest carcass price as determined by appropriate grid})) / 0.64 / \text{days on feed})\)

6. Up to 10 animals ranking the highest on value per day on feed will be exhibited live at a designated time during the market beef show and placing and all results will be announced and released at that time.
7. Awards and premiums for the top 10 entries are sponsored by Cerro Gordo County Cattlemen and other sponsors.

**Premiums** will be distributed as follows. If there are not 10 entries then the superintendent and County Cattlemen representative will determine distribution of premiums.

RELEASE TIME: Sunday, July 13, 4:00 p.m.

NOTE: NO MEMBER SHALL RIDE ON THE FAIRGROUNDS WITHOUT A PARENT OR GUARDIAN PRESENT AND MUST HAVE HELMET AND BOOTS ON WHILE MOUNTED.

For tack requirements and questions refer to the “Guide for Equine 4-H Shows in Iowa”. This is available at the Extension Office for $10.00.
To print a PDF go:

1. Cerro Gordo County 4-H & FFA General Rules and 4-H & FFA Livestock Department Rules listed earlier in this book apply in this Division.
2. All 4-H & FFA Livestock Entries are due in the Extension Office by 4:30 p.m. June 16. Members can get entry forms in the Extension Office or on the Extension website. ANY ENTRY AFTER JUNE 16 WILL BE ASSESSED A $25 LATE FEE PER CLASS ENTERED.
3. All youth showing leased horses must have completed a Horse Lease Agreement in 4hOnline by May 15 in order to show their leased horse.
4. Members not owning their horses must have assumed 75% or more of the management of the horses and must be able to present a statement from the owner to that affect if requested.
5. A family owned horse may be managed by no more than two 4-H’ers of a family on a 50% basis.
6. No stallions over 12 months old can be exhibited.
7. Each exhibitor may enter a maximum of three (3) horses. A member may only have three horses on the June 14 Fair Entry form, though more than three may have been identified.
8. Each exhibitor may have only one (1) entry per lot.
9. A single horse may be entered in a lot only once.
10. Classes will be conducted and judged as recommended in “Iowa Guide for 4-H Light Horse Shows and Events in Iowa” with the exception that ASTM/SEI approved equestrian helmets are required in all mounted classes. Each 4-H’er will need to present their helmet at check-in at the North Iowa Fair in the 4-H Livestock Trailer when they pick up their number. Their helmet will be stamped to verify that it is a safe riding helmet.
11. The use of a saddle is required in all performance classes.
12. Ages of horses shall be based on January 1 of the current year.
13. Junior lots are for members in grade 8 and below as of September 15 of last school year.
14. Senior lots are for members in grades 9-12 as of September 15 of last school year.
15. DRESS CODE: Exhibitors MUST wear a PLAIN white or SOLID COLORED dress shirt or blouse with full long sleeves and dark riding jeans (no holes in jeans). No bling accessories are allowed unless approved by superintendents. ASTM/SEI approved Equestrian Helmets are required in all mounted classes. 4-H’er will need to bring helmets to the 4-H Livestock Trailer at the beginning of fair where they will be checked and approved. Boots are also required for safety. English style dress is acceptable and appropriate if riding with English equipment in English pleasure and/or equitation classes. Western hats are required for halter classes. 4-H armbands or patches are required for all classes. The 4-H
armbands need to be worn on the left arm or the patches on left chest. The judge shall give no extra credit for dress.

16. Show numbers must be worn on the back of shirt. Second show number must be placed on the left side on the saddle pad.

17. Due to heat the judge will determine if 4-H/FFA T-shirts can be worn in the afternoon for games.

18. COURTESY: All contestants shall act as young ladies and gentlemen at all times. Unnecessary roughness and discourtesy will dismiss the rider from competition for the remainder of the show. Good sportsmanship shall prevail. No abuse of horses will be tolerated. Each rider must keep his or her horse under control. Courtesy toward the judge, spectators, other contestants and animals is mandatory with no exception. Red should be used on the tail of horses prone to biting and kicking.

19. STALLING: Exhibitors who request stalls on their entry forms and agree to keep their horses at the fair will be assigned stalls and tack space. Because of spectator traffic through the barns no exhibitor or family will be allowed to stay overnight in stall. Campsites are available by contacting the Fair Office. Exhibitors who come only for the show will not be assigned or guaranteed stalls. Exhibitors who come only for the show must bring official health certificates to the 4-H Livestock Trailer by **Wednesday at noon. Thursday morning is not soon enough.** Those who request stalls and leave without the permission of the superintendents forfeit their premium money and all awards.

20. If a 4-H’er leaves fair early without approval from superintendents and the County Youth Coordinator, in addition to forfeiting their premiums, the 4-H’er will not be able to stall at the fair the following year.

21. Lots may be split or combined by superintendents.

22. First and second places in each lot of classes 1211 and 1212 must be named by the judge to show, if receiving a Purple or Blue ribbon for champion and Reserve Champion Pony and Horse.

23. Class entry lists will be posted in the stable Wednesday morning. Corrections must be reported to the superintendents by 12:00 Noon on Thursday.

24. Exhibitors who win special awards for Junior and Senior Equitation, English Equitation, and Horse Showmanship winners who have won in their age division in a previous year will not be allowed to show in the class, Junior members must wait until they are Seniors to enter Showmanship again, and those who have won Senior division may not enter Showmanship again.

25. Halter winners will be allowed to enter and win even though they have won in a previous year.

26. Members will be called twice, and then disqualified.

27. No artificial enhancements to the horse will be allowed, additionally no tiaras, fake hair, or ornamental objects are allowed on either horse or rider.

28. **4-H & FFA livestock identification must be complete by May 15.**

29. **Helmets must be stamped in the 4-H Livestock Trailer before entering the arena!**

4-H BUILDING EXHIBITS

Superintendents: Judy Levad & Sheree Sturges

NO PRE-ENTRY FOR EXHIBITS IN THIS BUILDING.
JUDGING DAY: Monday, July 7  Check-in will be: 8:30 a.m. – 3:00 p.m.
RELEASE TIME: 4-H Building exhibits will be released at 4:00 p.m. Sunday, July 13.

GENERAL EXHIBIT RULES
1. Cerro Gordo 4-H & FFA General Rules listed in this book apply to all 4-H Building Departments.
2. No pre-entry is needed. Bring completed entry form with exhibits to the check-in table.
3. After conference judging, each judge will mark the placing on a member’s entry form. It is the member’s responsibility to take his/her exhibits to the ribbon table, attach his/her ribbons, and then turn the completed form in at the recording table. These forms are used to determine premiums.
4. Eligible exhibits are an outgrowth of work done as a planned part of the 4-H’ers participation in 4-H projects or programs during the current 4-H year. Exhibits can be done by an individual or group and may represent all or part of the learning in the project or program.
5. Exhibits that do not comply with the class description, size guidelines, copyright restrictions, safety and approved methods will be disqualified and not put on public display.
6. If the exhibitor chooses a display to illustrate what was learned:
   • Posters may not exceed 24” x 36” in size.
   • Chart boards, graph boards, project presentation boards, model displays, etc., may not exceed 48” x 48” in size. Maximum size is determined by measuring the flat (unfolded) dimensions.
   • Display boxes may not exceed 28” x 22” in height or width and 12” in depth.
7. Endangered and threatened plants and animals (includes insects), or songbird feathers and nests may NOT be used in any exhibit.
8. Copyrighted materials and designs may not be used in an exhibit that is presented as original work by the exhibitor. Exhibitors must include permission from the copyright holder/owner when using copyrighted materials. Exhibitors must give proper credit to the original source of all materials/designs used in exhibits. (See also special rules for Visual Arts and general copyright information for 4-H’ers.)
9. The 4-H’er’s goal and applicable exhibit standards will form the basis of the evaluation process. Evaluation criteria will include demonstrated learning, workmanship and techniques, and general appearance and design. Refer to exhibit class evaluation rubrics for detailed evaluation criteria in each class. Rubrics are located on each 4-H project page at http://www.extension.iastate.edu/4h/
10. A written explanation, audio recording, or video recording is to be included as part of each exhibit. The exhibitor should respond briefly to the following questions about the exhibit:
   • What did you plan to learn or do? (What was your exhibit goal(s)?)
   • What steps did you take to learn or do this?
   • What were the most important things you learned?

***Check for additional requirements in exhibit classes for food and nutrition, photography, and visual art classes.
Goal cards are NOT required for 4-H Poster Communications, 4-H Photography, nor for any exhibit with the 4-H Horticulture Department.

11. Members will be allowed to have three exhibits evaluated by a judge at a time. If a member has more than three exhibits in a given project area, he / she will need to wait in line again.
12. AGE FOR EXHIBITING AT THE 2014 IOWA STATE FAIR: Youth who have completed the 5th grade through 12th grade (or that equivalent).
13. Entry tag and each item in an exhibit must be securely labeled, including the class number, exhibitor’s name, exhibitor’s club, exhibitor’s grade as of September 15 (of the current school year), and years in the project.

14. **Due to security, 4-H’ers are discouraged from sending items that have special meaning and historical value as the exhibit or part of an exhibit.** The North Iowa Fair and Iowa State University Extension and Outreach will use diligence to ensure the safety of articles entered for exhibition after their arrival and placement, but will not be responsible for damage or loss by fire, theft, etc.

15. All premiums will be paid to club treasury.

16. **All exhibits will be released at stated times or forfeit premiums.**

17. If a member has set a goal(s) that can be accomplished by both a classroom assignment and an outgrowth of a 4-H project goal, that’s okay. The intent is a predetermined goal has been set. The 4-H’er must realize that the evaluation criteria and exhibit guidelines for each opportunity will be different and should prepare the required support information accordingly.

18. All exhibits, activities and programs must represent appropriate safety procedures in the development of the exhibit and during the evaluation process. This includes static exhibits and activities revolving around the communications program.

19. Deserving exhibits in all classes will be rated as blue, red, or white ribbon quality.

20. State fair exhibits will receive purple ribbons, with alternates receiving lavender.

**Most exhibit classes have specific guidelines and requirements that will be included in the judging process. Members are highly encouraged go to [http://www.extension.iastate.edu/4h/](http://www.extension.iastate.edu/4h/) to find information about judging criteria for exhibits that they create from their 4-H project learning.**
4-H COMMUNICATIONS DEPARTMENT

VEGETABLE COMBINATIONS Division 53

CLASS 5301, Vegetable Container Display
The vegetable display must include five or more different vegetable crops grown in the exhibitor’s home garden. More than one variety of any particular vegetable can be displayed, however, not more than four items of the same vegetable can be displayed. For example, four tomatoes would constitute one vegetable, e.g., one large red slicing, one cherry tomato, one yellow tomato, and one processing tomato. The container display will be reduced one placing if it contains more than four vegetables of any one kind, e.g., more than four beans. The amount of produce exhibited should fit into the container and specimens may not overflow onto the table. The vegetables should be prepared for exhibit as instructed in 4H-462, “Harvesting and Preparing Vegetables for Exhibit.” Any decorative basket, box, or other decorative container, not larger than one-half bushel in size, can be used. The exhibit will be judged 75% for the cultural perfection of the vegetables and 25% for decorative arrangement.

CLASS 5302, First Year Exhibitor’s Class
Plate of mixed vegetables exhibited by a 4-H member who has never participated in the North Iowa Fair 4-H Vegetable Department before To consist of 5 to 7 (not less than 5, not more than 7) different kinds of vegetables (not varieties), attractively arranged by exhibitor in suitable container of exhibitor’s choice. Each display should occupy no more than four (4) square feet of table space (about 2’ by 2’). If any materials other than vegetables are used such as flowers, artificial greens or similar decorations, these should be only a supplemental part of the display. This class will be judged on artistic appeal, color preparation and balance, distinction, originality and quality.

CLASS 5303, Club Vegetable Platter
This platter must be exhibited by a minimum of two 4-H exhibitors from the same club who already are exhibiting vegetables in the other 4-H Vegetable class numbers 5001-5407. A club may enter more than one platter, but an individual exhibitor can only participate in one platter exhibit. A platter must include 5 different vegetable species. A platter must include 2 tomatoes, 2 onions, 2 peppers, and 2 vegetable species from the following: 2 beets, 2 carrots, 2 cucumbers, 2 potatoes, 2 summer squash.

Special note: The Iowa State Fair 4-H Horticultural Show is governed under 4-H Livestock. To exhibit in this show, please contact the Cerro Gordo County Extension Office before June 20 for entry procedures. Any 4-H member in grades 5-12 is eligible to participate in the Iowa State Fair 4-H Horticultural Show; members need not be selected at their county fair to exhibit.

To exhibit container gardens, go to 550 in the Animals, Agricultural & Natural Resources department.

   a. The exhibit must demonstrate knowledge of how their early ancestors lived, or the history of the things they used for completing their daily tasks, or learning about the exhibitors genealogy.
   b. Will be judged on quality of workmanship and what was learned by completing this project through their written description.
4. The top exhibit will win the 4-H Chautauqua Circuit Questers Heritage Award, and receive a certificate and a $10.00 cash award.

**KGLO Brownfield Ag News Radio Award**

Every day, the youth of America are doing great things. KGLO is excited to recognize 2 youth at the Cerro Gordo County Fair. KGLO will be awarding a belt buckle at each Fair to one outstanding male and female youth. Those winners will be announced at the 4-H Awards & Style Show at the North Iowa Fair.

The criteria for being considered for the KGLO/Brownfield awards are:

1. To have performed community service in the past year.
2. To submit an essay of 150-200 words based on the theme: “Iowa Farmers- What they do to be good stewards of the Land.”

The essay needs to be submitted to KGLO radio two weeks prior to your County fair. Essays should be submitted to:

DESIGN ELEMENTS AND ART PRINCIPLES FOR 4-H EXHIBITS

Art is created through experimentation using a variety of tools and organizational strategies. The tools of art are not just brushes, paints and palettes, but rather elements of design. How the tools or elements are used or organized creates the principles of art and design. Elements of design and principles of art are the core vocabulary to art. Think of them like a recipe to create your work. The elements are like the ingredients and the principles are the instructions. By using elements, you create principles, such as ‘By repeating lines I created rhythm.’

Most works use the majority of the elements or principles in some way in the exhibit, but they don’t have to use all of them. When discussing what you did and learned, go beyond listing which ones were used and explain how they were used. For example, explain “I used a bright intensity of the color red and sharp diagonal line to express anger in my painting.” Focus on using the most relevant terms for your specific exhibit.

Design Elements
- Line can be horizontal, vertical, diagonal, or curved. Lines can vary in thickness or help create a mood.
- Shapes are made from connected lines. How they are arranged determines the design. They can be geometric or organic.
- Color is described with the words hue, value, and intensity. Hues are names of colors. Value is lightness or darkness of a hue. Intensity refers to the brightness or dullness of a hue. Light, intermediate, and dark values define parts of objects and set off one area of a design from another. Has a color scheme been followed?
- Texture is a surface characteristic that can be touched or seen. Contrasting textures add interest.
- Space is divided into negative and positive areas.

Art Principles
- Rhythm is organized movement. Repeating an element (i.e. lines) will produce rhythm.
- Proportion compares the amount, size, or number.
- Emphasis captures your attention by unusual use of line, shape, texture, space, or value.
- Balance gives a design stability.
  - Radial balance -- same around a center point;
  - Asymmetrical balance -- dissimilar;
  - Bisymmetrical balance -- same on both sides.
- Unity is the union of the elements in a design.

**Elements of Design**

The most basic parts of design are the elements. These five “ingredients” are needed to create design.

**Line**
Horizontal, vertical, dotted, zig zag, curved, straight, diagonal, bold, or fine
Line can show direction, lead the eye, outline an object, divide a space, and communicate a feeling or mood.

**Shape**
When lines connect they become a shape

**Color**
Described in terms of hue, value, and intensity
Hue is the name of the color.
Value is the lightness or darkness of a color.
Intensity is the brightness or dullness of a color.

**Texture**
The smoothness or roughness of an object’s surface
Texture can be tactile (you can feel it) or visual (you can see it).

**Space**
The actual space an object or design occupies
The background space, sometimes called negative space, is important too.

**Principles of Design**

These five principles are the ways you “mix” the elements together.

**Balance**
Can be formal or informal
Formal is created when each side of the design is the same.
Informal is created when one side of a design is different than the other.

**Rhythm**
Forms a path the eye follows

**Proportion**
The relationship of sizes to each other

**Emphasis**
Attracts your eye to the most important part

**Unity**
When a design is complete; all parts belong together

<tbody>
<tr>
<td>Pixel count</td>
<td>Do you have additional lenses? Yes / No</td>
</tr>
<tr>
<td>Was the lens you used to take this photo the one that came with the camera? Yes / No</td>
<td></td>
</tr>
<tr>
<td>If no, what lens did you use?</td>
<td>If your photo is enlarged, who enlarged it? Where was it printed?</td>
</tr>

</table>

Were any changes made to the original photo to create the final exhibit? Yes / No

Please list changes and explain your decisions to change (Use additional space on back of label if needed)

   Include such things as cropping, color enhancement, size of exhibit, removal of red eyes, etc.

   Who determined what changes, if any, were to be made to the photograph?

   Who designed and selected the mounting or matting?

   Who did the mounting and matting?

3) What were the most important things you learned?

Attach this form to the back of your poster entry.

Name: ____________________________ County: ____________________________

Grade: ____________________________ (school year 2013/2014)

Check Theme Area:
- 4-H is . . . (open to 4-H’er’s interpretation)
- Join 4-H
- Ticket to Success (2014 Iowa 4-H Youth Conference theme) www.extension.iastate.edu/4h/iowa4hyouthconference
- Nothing Compares (2014 Iowa State Fair theme) www.iowastatefair.org

Why did you choose this theme? What was your goal in creating your poster?

What do you want people to think or feel when they see your poster?

What sources of information did you use to prepare your poster?

What were the most important things you learned as you created your poster?

Where else (besides the fair) do you plan to display your poster to share your message?
Poster Exhibit Evaluation Criteria

Audience
• Did you consider the following characteristics of your audience as you prepared your poster?
  Age
  Urban or rural background
  Background knowledge of theme
  Ethnic background
• Where else (besides the fair) can you display your poster to communicate your message to your intended audience?

Message
Headline, body copy
• Is your message brief and direct? Have you used only key words or phrases to send one message?
• Have you researched the theme enough to support the headline with accurate body copy and appropriate visuals?
• Is the headline large enough or positioned on the poster so that it grabs the audience’s attention? (On a 14 x 22-inch poster, the letters of the theme should be 1 1/2 to 3 inches high and 1/4 to 1/2 inch thick.
• Is the lettering size, style and color easy to read? (Body copy letters should be 1/4 to 1/3 the height of the title letters.)

Visuals: pictures, drawings
• Does the visual appeal to your audience?
• Does the visual reinforce or carry through the message of your theme?
• Is the visual original, simple, compelling, to the point?
• Does not include any copyright design or material.
• Is the visual proportional to the size of your poster, headline and body copy?

Layout
• Does the poster look too crowded? (If less than 20% of the poster is open space, your poster may be too crowded.)
• Does the poster have a strong center of interest?
• Are the headline, visual and body copy (the three elements) balanced? (Layout balance is achieved by positioning the headline, visual and body copy and using blank spaces round those elements.)
• Does the poster use color, texture, shape and size in a pleasing combination?
• Can the poster, as assembled, withstand long periods of display?

Overall Poster Appearance
• Does your poster attract attention, focus interest on the theme, sell your audience on taking action?
Information to include on your recipe card:

- Name of baked good
- Ingredients
- Instructions for mixing and baking
- Number served from item
- Source of recipe: title, author, date published, page. If from a family member, try to find out where they received the recipe … if it is their own recipe, write that person as the source.

Use of the 4-H Name and Emblem

Did you know the 4-H clover is one of the most widely recognized symbols in the United States? Did you also know the 4-H clover is an emblem that is protected under the United States Code? 4-H members and clubs do get to use the clover, but there are guidelines to follow.

The official 4-H Emblem is a four-leaf clover with a capital “H” on each leaf. The stem of the clover slants to the right. If there are no “H”s on the leaves, it is just a clover and you can do what you want. If the “H”s are there, here are some basic things to keep in mind:

1. You should always use the whole 4-H Emblem. Please don’t remove any leaves or the stem.
2. Don’t put anything on top of any part of the 4-H Emblem.
3. The 4-H Emblem should not be screened under words or graphics.
4. Please keep the upright as it is used. It should not be turned on its side or turned upside down. (While there are some exceptions to this in the 4-H fabric that can be purchased in stores, special permission was given from National 4-H Headquarters for this.)
5. It is preferred that the 4-H Emblem be in green with white or gold “H”s.
6. Please do not distort the 4-H Emblem to fit a given space.
7. Below the right lower leaf, “18 USC 707” does need to be there. This is part of the United States Code under which the 4-H Name and Emblem is protected.
8. The official name is “4-H” and is always the numeral “4” separated from a capital “H” with a hyphen (not a dash, slash, or space).
