## 4th—8th grade Summer Camps

### Agriculture Experience!

Monday June 27, 2pm - 10pm, New Hampton

4-8th grade

Cost - \$15

### Camp Recharge!

Friday, July 22, 9am - 3 pm, New Hampton

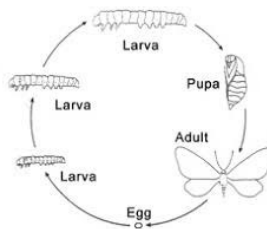

4-6th grade

Cost - \$15

The fees for service will be used to offset direct expenses and to support the Chickasaw Co. Extension and Outreach 4-H Youth Development program.

Through the activities in this program, youth will gain awareness of the importance of agriculture in their daily lives. Youth will also gain life skills such as teamwork, organization, and observation. These lessons can help youth with a limited background in agriculture appreciate and gain an interest in agriculture.

For those youth who have a background in agriculture, these lessons can expose them to a variety of different topics in agriculture. We will also be exploring the nature center and going on a night hike.

Come explore ways to recharge your mind, heart, and body while discovering your inner warrior through arts, movement and time outdoors! At Camp Recharge, youth will engage in healthy ways to unplug by: Connecting with Nature, Sparking Creativity, Practicing Mindful Movement, Building Positive Relationships
