

FIELD CROPS
Superintendent: Tony Utley (641-229-0192)

Field Crops Rules:

- 1) ALL CROPS ENTRIES should be entered into FairEntry.com by June 15th. Entries received after this deadline will be charged an additional penalty entry fee of \$20 per crop. Entries will **not be accepted** after June 16, 2021.
- 2) Exhibits must have been grown in the current year.
- 3) Members may have 5 entries, but no more than 2 in each class. 4-H and FFA projects must be separate.
- 4) Oat grain should include a two-gallon sample.
- 5) Oat sheaves should be 3 inches in diameter at the center band. Judges will penalize over as well as undersized sheaves. Heads must be left in natural condition.
- 6) Forage crops should be a 5-pound sample in the form of exhibitor's choice which may include silage, a slice, sheaf, or loose.
- 7) Soybean and corn samples should be displayed in a 5-gallon pail or a small tub, roots in water.
- 8) Field Crops judging will be an interview process and will take place at BOTH the fair and in the field. Fields will be judged on June 25, pending weather and field conditions. Times for judging will be sent to each exhibitor after June 15th. Crops will be judged at fair on Tuesday at 3:00 pm, at the beginning of Static Judging. Exhibitors must be present at both locations to be eligible for Champion and to earn premium money. Exceptions to this are at the discretion of the superintendent.
- 9) All field crop entries may include photos; however, they **MUST** include a write-up including:
 - a) planting date/maturity
 - b) seed hybrid
 - c) use of crop
 - d) cost of production
 - e) production practices
- 10) An award will be given to the Top Crop Exhibitor – the exhibitor with overall high point score on at least 2 entries.
- 11) Exhibitors are required to remove crops from fair display on Sunday afternoon at 3:30 pm. **Crops should NOT be placed in garbage dumpsters!** They must be removed from the fairgrounds. Crops must be disposed of properly or premiums will be withheld.

Other Horticulture: Maximum 4 entries total

40200: Other Vegetable – maximum of 2 different entries

40210: First Year Exhibitors Class (limited to first year horticulture exhibitors only) – maximum of 1 entry

Plate of mixed vegetables. Plate is to consist of one tomato, one onion, one pepper, and two other vegetables of the exhibitor's choice. A variety card must accompany the exhibit with each crop clearly labeled as to the variety.

40220: Vegetable Container Display (Second year horticulture exhibitors) – maximum of 1 entry

- 1) Vegetable display must include five or more different vegetable crops grown in the exhibitor's home garden. For this class, herbs will count as vegetable crops. More than one variety of any particular vegetable can be displayed; however no more than four items of the same vegetable can be displayed. For example, four tomatoes would constitute as one vegetable, e.g., one large red slicing, one cherry tomato, one yellow tomato, and one processing tomato. The amount of produce exhibited should fit into the container. The container display will be reduced one placing if it contains more than four vegetables of any one kind, e.g. more than four beans.
- 2) Any decorative basket, box or other decorative container, not larger than one-half bushel in size, can be used.
- 3) The exhibit will be judged 75% for the cultural perfection of the vegetables and 25% for the decorative arrangement.
- 4) A variety card must accompany the exhibit with each crop clearly labeled as to the variety.
