

# Sheep & Goat Project Workshops

Each year Darwin Downing and Paula Hein offer outstanding opportunities to 4-Hers who have an interest in sheep and goats. Participants learn proper techniques and daily care, showing skills, washing, trimming and much more! These workshops are available to all K-12 grade 4-Hers and is a great opportunity for the beginners and advanced.

**RSVP** to the Clarke County Extension Office at (641) 342-3316  
or [djaeger@iastate.edu](mailto:djaeger@iastate.edu)

## APRIL 12

6:30 P.M. Clarke County Fairgrounds

Learn more about live evaluation of both meat goats and market lambs. Also, we discuss feeding tips for your goats, and lambs.

## MAY 10

6:30 P.M. Clarke County Fairgrounds

Learn more about external and internal parasites, and how to fight them! Don't forget to bring a fecal sample from one of your goats/lambs, and learn how to do a fecal egg count.

Youth will see how Famacha scoring of the eyelids of sheep/goats is done.

## JUNE 2

8:30 A.M. Rich Oshel's 2500 HWY 69 Osceola, IA 50213 *Free Lunch and door prizes!*

Bring your sheep/goats! Learn how to shear, wash, trim feet, and trim for shows. Also, practice all aspects of showing and showmanship.

## JUNE 30

6:30 PM Clarke County Fairgrounds

Bring your work clothes! You will be building projects. In years past they have built feeders, gates, and small show boxes. Also discuss how to prepare for the fair.

## AUGUST 30 & SEPTEMBER 25

6:30 P.M. Clarke County Fairgrounds

Guest speaker who will share information about their operations. Also, we discuss getting your flock ready for breed-
