Clayton County 4-H & Youth Circle of Friends is an annual request which will secure funding and support the 4-H program in Clayton County throughout the year. Your Circle of Friends contribution will support awards, camp scholarships, Clover Kids, After-School programs, school enrichment programming, project workshops and more.

4-H Alumni: Do you remember all those 4-H memories – times together with your family and friends, the county fair, club meetings and the many personal relationships that have lasted a lifetime? Gifts to the 4-H program are a great way to honor or memorialize an individual or an entire family. Please consider giving a gift to the 4-H program through the Clayton County Circle of Friends.

4-H is a community of young people across America who are learning leadership, citizenship, and life skills.

# **4-H GROWS HERE**

4-H is a non-profit organization. The money donated to the Clayton County 4-H & Youth Circle of Friends helps finance county programs that build essential life skills in youth. Skills we emphasize are decision making, leadership, citizenship, keeping and communications. These life skills help youth deal with today's society and prepare them to become tomorrow's community leaders. Our adult leaders are not monetarily reimbursed for their time, energy, and resources. Their only reward is the satisfaction of knowing they are shaping today's youth into tomorrow's responsible adults. Many of our community leaders are graduates of the 4-H & Youth program.
