**Division 275 - Special Broiler Project Class**

The broiler project is an opportunity for a 4-H or FFA member to gain valuable experience in raising chicks to broiler-weight through partnership with a local sponsor. The sponsor will buy the chicks and the 4-H/FFA member raises the chicks and presents the best five birds to the sponsor as payment for the opportunity. 4-H/FFA member is responsible for whatever is necessary to raise the chicks to healthy broiler weight and processing of the birds.

1. Participants must notify the Clayton County Extension Office by May 1 to purchase birds. All birds will be purchased from the same hatchery and will be available for the exhibitors to pick up in June.
2. Participants will purchase 25 birds and exhibit 4 live broilers at the fair.
3. Birds purchased for this class cannot be exhibited in any other lot.
4. Special Broiler Project entries are limited to one entry per exhibitor. A pen of four birds must weigh a combined minimum of 16 pounds.
5. Because of the size of these birds, exhibitors will be assigned 2 cages.
6. Broilers will be judged on the following criteria: Cleanliness – 10 points; Meatiness of Breast, Thigh, and Drumstick – 45 points; Conformation of Body Structure – 25 points; and General Health and Freedom from Defects – 20 points. Total possible points: 100 points.
7. The project participant is required to get 5 birds dressed and delivered to the sponsor within two weeks of the Clayton County Fair.
8. Exhibitors may sell their birds from the Special Broiler Project Class at the Livestock Auction on Monday. All four birds will sell as one lot.
