TO THE PUBLIC

General Rules

The Clayton County Agricultural Society, sponsor of the Clayton County Fair, extends a cordial invitation to attend its annual showing this year. Consistent with the reason for its origin as outlined in its constitution "to promote the agricultural, mechanical and household arts of Clayton County, Iowa," it hopes to present its finest showing in many years.

An organization such as ours, which has been a part of the life of Clayton County for the past century, still has its appeal to the hearts of all. We believe that the Clayton County Fair is as necessary in this modern, fast moving age as it has been in the past. Many county fairs have been discontinued because of lack of attendance and support. We do not believe that here in Iowa's finest county this condition could exist, and, because interest and attendance show a definite upward trend, we are outlining plans which will make each year's fair a better one.

When the pioneers arranged for an annual friendly competition of the fruits of farm, field and home, the idea of a few days of fellowship was uppermost in their minds. They gathered together in a friendly atmosphere, bringing the best they had produced and made, to meet old friends and to secure new ideas. It is in this spirit that we extend our invitation and we know that, whether you participate as an exhibitor or spectator, you will find our welcome sincere.

ANNOUNCEMENTS

Preserve this book and bring it with you to the fair. If your neighbors or friends wish a copy, write to the secretary for one.

The management of the Clayton County Fair will do all in its power to prevent accidents but will not be responsible if any occur. The Fair Association Committee will take every possible precaution for the safekeeping of articles and livestock after their arrival on the grounds, but the association will not in any case be liable for any loss or damage, for any accidents or injuries that may happen to them or other property while attending the fair or on the fairgrounds.

The Clayton County Fair will pay all premiums and purses in full, save in event that the receipts should prove insufficient; in that case it reserves the right to pay all premiums on a pro-rata basis.

No person, firm or corporation will be permitted to sell, have for sale, or canvass for the sale of anything upon said grounds without securing permission for such right from the secretary.

Any person who shall canvas, sell or have for sale any article, without having procured such certificate shall be immediately expelled from the grounds and shall pay the usual concession fee for the line in which he is in, and shall be subject to the action of the executive committee.

The purpose of the foregoing rule is to protect the public from persons who are operating fraudulent games, devices or business of any kind and the Clayton County Fair will use every effort to license only such concessions as are decent and lawful. Any persons operating any gambling machine, or game of chance, regardless of whether he holds a license, shall be immediately expelled and subject to a prosecution and such license will have been obtained by fraud.

28. It is the responsibility of each 4-H club and FFA chapter assigned to a specific barn to keep the manure hauled from that barn from Thursday, August 1 through the completion of the sale on Monday, August 5.
29. Following the fair, it is each club's and chapter's responsibility to clean the area in the barns used to stall livestock exhibited including rabbit and poultry area by their club or chapter members. 33. Exhibitors are responsible to see that their animals are loaded for transport post sale.
