Human Sciences Extension and Outreach REGIONS 11-12-20 FEBRUARY NEWSLETTER 2023

Words on Wellness & WOW LIVE

Words on Wellness (WOW) has expanded to a whole-person wellness newsletter with an optional face-to-face or virtual program called WOW Live.

Each month, the WOW newsletter focuses on three of these five topics: nutrition; food safety; physical activity; nutrition and food security; and general health and wellbeing, as well as provide a healthy recipe. WOW Live highlights the key messages of the newsletter to encourage participants to incorporate healthy practices into daily living. It is a 30 minute or less session.

WOW Live has been designed specifically as a county-delivered opportunity with the intention that it is led by *trained* facilitators including our Extension County partners or through the Area Agencies on Aging Congregate nutrition program. The training consists of watching a short video outlining the program.

All WOW materials, newsletter, WOW Live slides, WOW Live notes and WOW Live training videos are available on MyExtension, https://my.extension.iastate.edu/content/words-wellness.

Reach out to your regional human sciences specialist in food and health for more information.

Su Salud Primero

Great news! The Human Sciences team has launched a Spanish-language counterpart called Su Salud Primero. The name translates to Your Health First. Su Salud Primero is a quarterly eNewsletter aimed at individuals who speak Spanish. The articles are selected by an inclusive advisory committee. The January edition has been released and social media promotional materials are available in our marketing folder in Cybox.

PROMOTE PROGRAMS

Make promotion easy using the ready-made pieces in the Human Sciences Marketing Materials folder.

The Cybox folder houses materials for many statewide offerings, including flyers, news releases, and social media images.

This institution is an equal opportunity provider. For the full non-discrimination statement or accommodation inquiries, go to www.extension.iastate.edu/diversity/ext.
