

## BE PART OF A TEAM

Immersed in Iowa communities from **mid-May to early August**, multi-disciplinary intern teams apply academic skills and knowledge to real-life situations based on community needs.

Teams collaborate with non-profit organizations, local food systems, families, agencies, and/or community and economic development organizations.

## WHAT DOES IOWA STATE UNIVERSITY EXTENSION AND OUTREACH DO?

ISU Extension and Outreach builds a #STRONGIOWA by engaging all Iowans in research, education, and extension experiences to address current and emerging real-life challenges. It's our MISSION.

We have an office in every county and we're available online at [extension.iastate.edu](http://extension.iastate.edu).

Join us for a hands-on opportunity to engage Iowans in solving today's problems and preparing for a thriving future.

### THE RISING STAR INTERNSHIP PROGRAM

is a cooperative effort between Iowa State University colleges of Design, Human Sciences, and Agriculture and Life Sciences, county extension districts and Iowa State University Extension and Outreach.
