# **2021 Crawford County Fair**

The 2021 Crawford County Fair was a great success!

Thank you to all of the exhibitors who brought projects to the fair. Your hard work throughout the year was evident in all of the high quality exhibits. You have a lot to be proud of! Congratulations on a job well done!

We'd also like to thank the leaders, mentors, parents, and family members for all of your support of local youth over the year. Best of luck to everyone showing at the 4-County Fair or the Iowa State Fair! We look forward to you continuing to represent Crawford County positively and professionally.

One final thank you to all of the fair board members, superintendents, FFA advisors, our volunteers, and everyone else who helped make this year possible. Without your help, the 2021 Crawford County Fair would not have been possible!

# Thank You's

Crawford County 4-H did a lot of amazing things this summer. We could not have done it without people that volunteer their time, money, and talents to help us have a successful fair EACH YEAR. If you can think of anyone that helped you with a project, donated something, gave you a ride to the fair, etc. please send them a thank you! You have no idea how much a simple handwritten thank you means to someone! Here are a couple of people that gave a lot to Crawford County 4-H this year, but don't limit it to these people!!!

# **State 4-H Livestock & Meats Judging Contest**

Registration is open for the Meat Judging and Livestock Judging Contests held on August 28th! Registration is available on 4-H Online, and will close on August 16th. The contest is Saturday, Aug. 28, in Ames. If you have any questions, please contact Amanda Ruckdaschel at amandalr@iastate.edu

#### **Record Books**

The purpose of 4-H record keeping is to teach how to keep records, which is an important life skill. Record keeping is an ongoing process that does not end when the 4-H year ends.

Record books are due no later than October 1st! Record book materials can be found online at https://www.extension.iastate.edu/crawford/4h or https://www.extension.iastate.edu/4h/record-keeping . Every record book that is turned in MUST have a member application for 4-H awards and member application for special 4-H awards (filled out by the 4-H member, books that don't have these won't be considered for awards). Record books should also have one yearly summary, and the correct project record sheets for each project. It is also a good idea to include the club program, pictures, newspaper clippings, etc. If you have any additional questions or need one-on-one help, please feel free to call Aubrey at the Extension Office at 712-263-

# **4-H Clover Committee**

Clubs were asked to elect one youth and one adult to sit on the 4-H Clover Committee.

Several clubs have let me know who is on the committee but I have not heard from everyone. If you were elected to sit on the committee please email Aubrey at asholty@iastate.edu so she can get you on the email list. With the new 4-H year right around the corner clubs will be electing new officers. All clubs are encouraged to elect one adult and one youth. We have had two information meetings with little attendance. It has been hard getting this new committee up and going with COVID and we feel that it is going to take some time for it to reach its full potential. We ask that clubs continue to promote this to their members. With state fair and school right around the corner and Aubrey going on maternity leave in September the committee will most likely not meet until November or December. That will give clubs plenty of time to reelect/elect new representatives. Watch future newsletters for more information.

# **County Council**

Calling all 9th-12th grade 4-H members!

Senior 4-H members (grades 9-12) in Crawford County are encouraged to apply to be a member of County Council. County Council is designed to develop leadership skills in its members by planning, organizing, and running different events throughout the year as well as participating in leadership retreats. Members assist with National 4-H Week, Awards Banquet, select fair events, livestock weigh-ins, and other events as needed.

Youth will have the hands-on opportunity to plan county wide events that they feel would benefit the county during any time of the year. Meeting dates and times will be set once members are selected to best work with everyone's schedules. Applications are due to the Extension Office no later than **October 1**.

# **Southwest Iowa Leadership Council**

Calling all 10th - 12th grade 4-H members!

The Southwest 4-H Leadership Council is looking for positive, high school students who are energetic and ready to be ambassadors for 4-H. In addition, the Council will assist in overall 4-H Youth program development by serving in an advisory capacity for local youth programming.

Members of the Council are selected through an application and interview process. They will be involved in identifying needs, sharing ideas, and developing a plan of action to help address priority area needs. In addition, there will be two, 1 day retreats! The first retreat will take place on November 6th, 2021!

Apply by September 10th! Interviews will take place on September 26th from 4:00-7:00 in Harlan. Applications can be picked up at the Crawford County Extension office or on our website.

# 2021-2022 4-H Year

The 2020-2021 4-H year is a year that will never be forgotten! As we wrap up another 4-H year think about how you can improve in a project area and take into consideration judges comments from fair. Below are some good resources to view as you plan for another year of 4-H.

# **Project Area or Exhibit?**

What is the difference between a 4-H project and a 4-H exhibit? Each year, 4-H members enroll in project areas that interest them. They set goals to plan what they will learn in each project area. When they bring things to fair to show what they learned, these are called exhibits.

This publication gives examples of ways you can explore project area learning as a 4-H member, and ways that you can participate in sharing what you have learned through exhibiting opportunities. https://store.extension.iastate.edu/product/15835

# **Goal Calendar**

This goal calendar can be used by a 4-H member to help them plan out their project area goals for the year. https://store.extension.iastate.edu/product/16174

# **Goat Setting: Writing Project Area and Exhibit Goals**

The skill of goal setting and working to achieve their goals is what 4-H strives to have 4-H youth practice in all parts of the educational experience — from project work to club work. As a 4-H member develops their skills in a project area, goals should become more challenging to further their learning.

Learn what a goal is, and how to write goals for project area learning and for exhibits. https://store.extension.iastate.edu/product/16191
