January 4, 2018

Commercial Club Park Community Room, Dyersville, On Hwy 136, turn east at the intersection of 136 and 6th Ave SE.

Dairy Herd Basics 1:00-3:00 pm—Milk Quality
Dr. Leo Timms, ISU State Extension Dairy Specialist, will discuss milk quality; explaining the how’s and whys of pathogens affecting udder health. Get a hands-on look of an udder to better understand the function and importance of udder health.

Beef Herd Basics 6:30-8:30 pm—Health & Management
Denise Schwab, Beef Specialist, will discuss the annual management calendar, and Dr. Jennifer Hosch will discuss basic cow herd health.

January 11, 2018

Three Rivers FS FASTSTOP, 32199 Old Castle Rd, Dyersville, IA 52040.

Dairy Herd Basics 1:00-3:00 pm—Calving Management
Dr. Grant Dewell, ISU Extension veterinarian, will bring “Frosty the cow” out for a hands-on workshop of calving time management, dystocia, and delivery methods.

Beef Herd Basics 6:30-8:30 pm—Calving Management
Dr. Grant Dewell, ISU Extension veterinarian, will bring “Frosty the cow” out for a hands-on workshop of calving time management, dystocia, and delivery methods.

January 18, 2018

Commercial Club Park Community Room, Dyersville, On Hwy 136, turn east at the intersection of 136 and 6th Ave SE.

Dairy Herd Basics 1:00-3:00 pm—Nutrition, Feeds, Forages
Dr. Hugo Ramirez, ISU State Extension Dairy Specialist, will discuss what makes a quality TMR and ways to assess the TMR before and after it’s delivered. Learn how to use simple tools like the Shaker Box and Koster Moisture Tester. Women are encouraged to bring a sample of their farm’s corn silage for discussion.

Beef Herd Basics 6:30-8:30 pm—Nutrition, Feed Management
Dr. Hugo Ramirez, ISU State Extension Dairy Specialist, will discuss making and managing quality silage. Schwab will discuss feed budgeting and cost control.

“I calve out 200 cows a year, but I learned so much from this program!”

Join us to learn with women just like you! All sessions are planned for women working on or managing dairy or beef cow herds with lots of hands-on and discussion opportunities.
