

MIDWEST DAIRY DAY

Maximizing Production with
Improved Reproduction

Friday, Dec.

1

Iowa's Dairy Center | 10 a.m. – 3 p.m.

Iowa State University Extension and Outreach, the Northeast Iowa Dairy Foundation and Northeast Iowa Community College collaborated to offer the Midwest Dairy Day. This program provides in-depth information on improving milk production through a variety of practical reproductive programs and metabolic management. Midwest Dairy Day is open to all dairy producers, students and industry members.
