This seminar is sponsored by Iowa State University Extension and Outreach; University of Illinois Extension; University of Wisconsin-Extension; and the UW-Platteville School of Agriculture.

Please forward this to other agriculture lender’s in your bank or vicinity that may not have received a copy.

The agenda this year again focuses the marketing outlooks of dairy, livestock and grains along with the issues of the farm tax law, farm stress and ag technology. The seminar should once again provide fruitful discussion to issues of concern to agricultural lenders.
