... and justice for all
The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual’s income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA’s TARGET Center at 202-720-2600 (voice and TDD). To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue SW, Washington, DC 20250-9410, or call 800-795-3272 (voice) or 202-720-6382 (TDD). USDA is an equal opportunity provider and employer.

6:30 - 8:30 PM

Understanding Bull Selection
Denise Schwab, beef specialist with ISU Extension and Outreach, will provide information on understanding expected progeny differences (EPDs), sire catalogs, and how it relates to sire selection for dairy and beef producers. A panel of AI representatives will speak about how to apply this information on-farm and specifically address a dairy beef crossbreeding program.

Handling Dystocia with Frosty
A hands-on experience with Dr. Caitlin Wiley, DVM, and clinical assistant professor at Iowa State University. Dr. Wiley will share tips and tricks to help ease calving season and difficult calvings. She will use "Frosty", the life-size cow model to demonstrate various techniques to simplify pulling malpresentations to result in more live calves.

Vaccine Handling and Management
Dr. Ryan Hammell, DVM, Waukon Veterinary Service, and Dr. Brent Meyer, Merck Animal Health, will discuss vaccine management including handling in the heat of the summer and cold of winter, reading labels, and keeping records to align with the Beef Quality Assurance program.

“I calve out 200 cows a year, but I learned so much from this program!”
Join us to learn with women just like you! All sessions are planned for women working on or managing dairy or beef cow herds with lots of hands-on and discussion opportunities.
