Health Requirements for Exhibition
Of Livestock, Poultry and Birds at
County 4-H/FFA Fairs

ANY EVIDENCE OF WARTS, RINGWORM, FOOT ROT, PINK EYE, DRAINING ABSCESSES OR ANY OTHER CONTAGIOUS OR INFECTIOUS CONDITION WILL ELIMINATE THE ANIMAL FROM THE SHOW.

No individual Certificate of Veterinary Inspection will be required on animals or poultry exhibited at a County 4-H/FFA Fair, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. Each show must have an official veterinarian.

Quarantined animals or animals from quarantined herds cannot be exhibited.

**SWINE**
Swine originating outside of Iowa. Must come from a Brucellosis class “Free” state. Have a negative brucellosis test 60 days prior to show. All exhibitors must present a test record and a certificate of veterinary Inspection that indicate each swine has a negative test for pseudorabies with in the last 30 prior to the show.

**SHEEP AND GOATS**
All sexually intact sheep must have an individual Scrapie Flock of Origin identification tag. All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag or by an official tattoo registered with USDA (to register, call 1-866-USDA-TAG).

**POULTRY AND BIRDS**
All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. (SEE GENERAL SECTION 1.B) Please note that poultry purchased from a hatchery and raised are not exempt from Pullorum –Typhoid testing.

**DOGS AND CATS**
All dogs and cats exhibited must have a current rabies vaccination certificate.

The decision of the official show veterinarian will be final.

**Dallas County Fair Auction**
Rules for this auction will be arranged by the 4-H Youth Committee. Livestock checks will be available at the Extension Office after 8:30 a.m. a week after the sale.

All animals in the auction must change family ownership. Only animals shown may be sold through the auction. Those not shown may sell at market bid.

4-H’ers selling animals in the auction are required to wear: 4-H/FFA T-shirt, jeans or slacks and appropriate footwear.
Rabbits and poultry will not be sold through the livestock auction. 4-H’ers may offer their rabbits or poultry for sale by posting signs on their cages after their respective shows. Animals will not be released to buyers until 6 a.m. on Sunday.

**Bidding**

A premium bid will be used at the livestock auction. This means that anyone can add to the market price of the animal by bidding in dollar increments to add a premium for each animal.

The bid on a 4-H’er’s non-champion animals of one species will be a premium bid based on “number of animals times the money” except for lead calves, which will be led in one at a time.

Example: Sammy Clover has 3 lambs that weigh a total of 400 pounds and brought a market price of $1/pound. The 4-H’er would get $400, but you want to help Sammy out by bidding on the premium bid. You choose to bid up to $10 and win the bid. Since he has 3 lambs, you will pay $30 ($10 per lamb). You would then have the choice of paying the $30 and letting the lambs go to market, or you could pay the total amount $400 plus $30 and take the 3 lambs home with you.

Those buying livestock to take to a locker will be asked to sign the Locker Identification Form to indicate to which locker the animal will be sent. Exhibitors are responsible for their livestock until it is loaded after the sale. Clean-up of the livestock building and surrounding areas will begin immediately following the auction.

**Herdsmanship Contest**

Herdsmanship will be checked from Wednesday evening through Saturday evening by a team of volunteers. Evaluations will be posted daily. Herdsmanship applies to species housed on the fairgrounds for the duration of the fair.

Herdsmanship will not be judged during that species’ show. For example, if the sheep show is in the morning, sheep will not be judged for herdsmanship until that afternoon.

**Herdsmanship Rules**

Stall cards need to be up and visible for herdsmanship judging to take place. If you do not have a stall card, get one from your superintendent.

Ratings will be based upon animal appearance, animal care, a clean alley by your animals, where visitors walk, and exhibitor courtesy.

Proper feeding does not always mean that feed needs to be in the stall at all times. Animals should have clean, fresh water available at all times. Cattle may be fed in stalls or at tie outs. Clean up all feed residue and remove pans after feeding. Tie out areas will be clearly marked. Animals will be tied only in the marked areas.

Herdsmanship awards will be presented at the Dallas County Awards Day.

4. Animals not going through the auction need to vacate the fairgrounds prior to the auction or make arrangements with the respective superintendent.

**NOTE:** The exception would be: 1) a veterinarian determines that the health and welfare of the animal is at risk and should be allowed to go home and 2.) an exhibitor is competing in a recognized organization such as High School Rodeo.

**Dallas County Livestock Exhibitor Award:** presented at the Dallas County Awards Day to a 4-H/FFA exhibitor who has shown outstanding leadership and citizenship throughout the fair, during shows and upkeep of pens. Bottle calves do not need to weigh but exhibitors need to check in with the superintendent. Clover Kids show will be separate from the 4-12 grade show.

1. Calves may be any breed. Calves must have been calved on or after January 1 of the current year, in the member’s possession, and identified in 4hOnline by May 15. *It is the intent of this class that the animal should be orphaned or taken from the cow under standard production practices* (i.e., mother rejected it, had twins, or is a dairy cow), NOT for the purpose of creating a project calf.

2. The calf must have been on a bottle or bucket no later than two weeks after birth. All calves must be weaned from milk at least 2 weeks before the fair.

3. An exhibitor may identify up to three animals, but may only exhibit one bucket calf per year; and that animal may be shown only in the bucket calf class.

8. Advanced class may use product on their calf but no clipping.
9. A costume class will be after all other classes. The exhibitor may dress their calf up and ask another Dallas County 4-H Exhibitor to assist in dressing up and participating in the show ring. Show sticks and combs are not allowed. All materials are allowed as long as it will not harm the calf or other exhibitors.

Both Bucket Calves and Returning Bucket Calves will be judged on the following:

**Western Attire**: Clothing must be neat and clean. A solid, plain, front button or snap long-sleeved, collared shirt of any color (including white) may be worn. The following is **prohibited**: personalized logos or embroidery, zippers, sheer or lace fabric, embellishments or bling of any kind including, but not limited to, sequins, rhinestones, chains, etc. Shirt must be tucked in pants in all classes. For those who need both West Nile shots, the second one must be given a minimum of 4 weeks before the fair.

11. The **Superintendent** may refuse entry of any animal showing signs of poor health, if the horse poses a danger to itself, others, or its surroundings. During the Dallas County Fair, the Horse Superintendent has the final word on matters relating to 4-H and FFA horse related activities. There will be a vet check on the check-in day of the fair. Classes may be combined at superintendent’s discretion depending upon the number of entries.

12. **Tack Change** - All exhibitors and their horses/ponies/mules are expected to be ready for their class when the previous class is being placed.
